March 93.

Dearest:-

Glad your letter
of yesterday was cheerful.
As to Roy Smith, said you
could look him up in Shireton
and use him for return
address (Kobe). But probably
mail to Miss Mac Causland
will get through to me in
time. Leaving here tonight
for K, whence we'll probably
go to Fukuoka for Sat. & Sun.
Ma went to Kyoto last
night, and will stay 3 days
with the Komais. Saw
Losing. All has gone well

in the main, and some
items unusually so. Actual
political outlook a little
better than a year ago,
I hope — Both internally
and as regards China —
though by no means
rosy.

Please subscribe to
Central News Service. AOF
probably needs no action;
but in any case don't have
enough information. Twenty
days from Mar. 15 is allowed
for petition.

Miss Clawson probably will
come to Nanking with A. Paul
via Peiping in May. She looks
well. Other Mission folks also.

With much love to all
three of you,
Searle
