65 Mo Wsou Lu,

Nanking, December 17, 1937.

To the Officers  
of the Japanese Embassy,  
Nanking.

Gentlemen:

Permit me to inform you that today in company with Rev. H. A. Sone, I happened to come to the American Embassy just at the time when certain Japanese soldiers were attempting to remove cars from the Embassy Garage. I hasten to inform you of this, for I am sure that your military authorities will wish at once to put a stop to acts of this kind.

Sincerely yours,

---
