Edward Evans, 1, Quinian Garden, Shanghai.

Four Volumes, Imperial Quarto - Price $30.

ENGLISH & CHINESE DICTIONARY,

- WITH THE -

- PUNTI & MANDARIN PRONUNCIATION.

For scope and practical service this Work stands unrivalled. All the new words which the Chinese have been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are here given in English. Each word is fully illustrated and explained, forming exercises for students of a most instructive nature. Both the Court and Punti pronunciations are given, the accents being carefully marked on the best principle hitherto attained.

The scope of the work is so great, and its utilitarian purposes so complete, that a reference to its pages enables a person who understands English to communicate effectively with natives who understand nothing but Chinese. To missionaries and others interested in China it cannot but be invaluable.

It comprises upwards of two thousand large quarto pages.
