New York City.

Gentlemen:-

My mother, Euphemia J. Warner, late of the Borough of Brooklyn, deceased, made a bequest in her will to your university of the sum of \$3000. My father, Edwin G. Warner, who is Executor of her estate, is prepared now to pay all the legacies and has left the checks with me for distribution. It is necessary that I obtain formal receipts which can be filed with the Surrogate to avoid the necessity of citing all the various legatees on any accounting, and I am enclosing the usual form of such receipt. This receipt should be signed by an authorized officer and if you have a corporate seal this seal should be affixed to the instrument. The instrument should be acknowledged before a Notary Public and you will find a form of such acknowledgment at the end of the paper. The blank spaces should be appropriately filled in.

If you will have this receipt signed and acknowledged in duplicate and return both copies to me I shall immediately upon receipt thereof forward your check for \$3000.

Yours very truly,

HLW/AM Enclosure

My dear Mr. Warner:

Let me acknowledge receipt of your letter of yesterday.

I am enclosing herewith signed and notarized formal receipts in connection with the bequest of \$3,000.00 made to Fukien Christian University by your mother.

At a meeting of the Fukien Trustees on October 28th, action in regard to this bequest was taken in such a way as to make it possible for me to execute these receipts without the delay that would be involved if a special meeting of the Board were needed to authorize signature to the receipt.

May I extend to you on behalf of the University, assurances of our profoundest appreciation for this last generous gift made by your mother as a fitting climax of her long interest in and support of the work at Fukien.

Very sincerely yours,

B.A. Garside

Dear Mr. Garnside:-

I am enclosing six copies of an affidavit which I wish you would sign and swear to before a Notary Public after filling in the space which I have left blank for your address and changing any statement which might not be correct. The reason I need six copies is that the New York State Tax Commission requires three and the Federal authorities require two. I am sorry to bother you in this way but if you will be good enough to make the affidavit and then return the six copies to me I shall be very grateful.

Yours very truly,

Rev. W. M. Washington
4011 Montgomery Avenue
Detroit, Michigan

Dear Mr. Washington:

I was very happy to have seen you again in Detroit during the Thanksgiving season. We went further West for almost one more month. We came back to the East for Christmas. We are now holding our China Colleges Conferences in New York. We shall have several conferences in and around Boston next week, then we shall go to Syracuse and Rochester until the end of January. We appreciate very much the people who have come to these conferences, and also for their interest in our work. We hope that through these conferences, better understanding and more cooperation will be had from our American Christian friends for the work of Christian higher education in China.

I wish also to thank you for your check for \$10.00 which I have turned over to our Treasurer here, and it will be applied for our work at Fukien for the present year. It is certainly good of you to do what you have done. The Mission Boards have been cutting their appropriations to us during the last several years; in the meanwhile our work has been growing quite steadily, and the opportunities for service were never so great as they are at the present. We have, therefore, felt very keenly the financial difficulties. With the help coming from friends like yourself, we are much encouraged, for we do appreciate friends who show such great interest in the work that we are doing. You can be sure that your investment will bring the finest fruits for the Christian service in our country.

I shall be staying at 85 Sherman Street, Hartford, Connecticut for a large part of the Spring term. I shall be giving a series of lectures in the Seminary there. It is my hope that some time in the Spring I might come to Detroit again and that I may have the opportunity of another visit with you.

Again thanking you for your cooperation in our work,

Yours very sincerely,
