Dear Miss Thornburg:

Enclosed we are sending a receipt for the contribution of \$200.00 which the Kappa Phi National sent to Madame Chiang for work in one of the Christian Colleges in China. Madame Chiang has sent this to Ginling.

We are glad to know that Kappa Phi is interested in Chinese students and are grateful indeed for this gift which will help Ginling College to meet the budget for the current year.

Under separate cover I am sending you some information about Ginling which I hope will be interesting to your group and help to build a permanent bond between them and the College in China.

Sincerely yours,

Mrs. W. Plumer Mills

My dear Mrs. Mills:

The enclosed letter is self-explanatory. I am sorry that a wrong address has delayed the registered mail in reaching me.

Dr. Lu and I feel that your office will take care of this check. Will you please acknowledge the receipt of the gift and send an official receipt to Madame Chiang through Eugene Song, Bank of China, Wall Street, N.Y.C.

In fact, it may not be right to issue receipt to Madame Chiang because it's the Kappa Phi Club of Methodist Church who contributed to it. That a "funny" merry-go-round way of contributing to Christian colleges. Please acknowledge any way you like. I have already written to Eugene Song.

Dr. Un is feeling much stronger which makes me feel better and relieved. It is very cold here, we stay in all day.

Edwin rested 3 days here. He gave a talk to the Farm assembly. Yesterday, being Sunday, I gave a talk to the congregation. Dr. Un will be doing her part next Sunday evening. We have entertained 4 times, very simply the officers of Gould Farm.

We like this simple country life. I shall be seeing you soon.

Affectionately,

Y. I. Zee Nw
