EXPLANATIONS :-

Definition of Credit: The credit is on a semester basis and in the first two years represents an average of one period of class and one and one-half hours of preparation per week throughout the semester. In the upper two years it represents an average of one period of class work and two hours of preparation. One period is 50 minutes.

System of Grades: A=markedly superior, B=superior to the middle of the class, C=middle half of the class, D=inferior to the middle of the class, E=failed with opportunity to take a re-examination, F=failed, must repeat course to get credit for it.
