Hutchison Memorial

Some years ago I gave \$500 & my brothers & sisters gave \$500.00 for a memorial bldg in memory of our parents, at Lindsey College. Never had very satisfactory reports and when the Pres of Lindsey was in Pittsburgh where we then lived, she said there was no such memorial there. This was disappointing. I think the Pres' name was Mrs Seymour

I do not intend giving any more

Mrs. E. W. Crellin

Pasadena, California

Dear Mrs. Crellin:

Your memorandum posted July 6th from Pasadena raises questions regarding the use of \$10,000 donated by your family for Ginling College.

May I say that our records of the conditions surrounding gifts for buildings stated that a memorial building would be named in honor of the donor, provided \$30,000 would be given. In the case of lesser sums of sizable proportion, a memorial tablet would be placed in a particular building designated. Something like ten years ago such a tablet commemorating the gift to your mother was put up in the Arts Building on the Ginling campus at Nanking and all who used that building were aware of the fact that such a donation had been made.

Ginling never had a president by the name of Inez Seymore. Mrs. Lawrence Thurston was its first and only foreign President--Dr. Wu yi-fang having succeeded her in 1928 and is still the President. Fortunately, the Chinese Government sent Dr. Wu on a special mission to the United States and our office is now her headquarters. Consequently, we are in a position to check very definitely and we have also been able to verify the statement through gifts received by the various boards associated with Ginling.

I trust you will correct any impressions which may have been given regarding the use of funds in the erection of Ginling as there was no other project in China which costs so little for the raising of funds. Incidentally likewise there was no building on the Ginling campus erected for as low a cost as \$30,000.

Very sincerely yours,

C. A. EVANS

Dear Mr. Evans,

Your air mail
letter of recent date much appreci-
ated.

About the Hutchinson memorial -
When we, as a family, made our
memorial gift to Linsley College
Miss Elizabeth Bender was I
imagine holding the office which
you now hold. Miss Bender was a
warm personal friend of one of my
sisters and all information about
the use of our gift came thro' her
and it was a long time before we
even knew of the memorial
tablet and then we had no
idea where it was placed.

It was Mrs Thurston whom ^[27] I ^{over} met in Pittsburgh years ago and some how I became confused about her name. She was as you say, Pres. of Guilding and it disturbed me considerably when she said there was no Hutchinson memorial at Guilding.

I thank you for your explanation as to the tablet but I will say we were given to understand that our gift was to be used for a building.

Miss Beuler was to blame for not giving us a better account of what was done in the way of a memorial.

We wished to establish a memorial in honor of both

of our parents, James and
Philippa Hutchinson.

[37]

Again my thanks for
your letter under date of
the 24th Inst.

Very truly yours

Amy N. Crellin

SENT FOR INFORMATION OF

Miss Ruth M. Chester
 5914 Locust Avenue

Miss Dzun-mei Hwang
 Ginling College
 Chengtu, Szechwan, China

Dear Miss Hwang:

I take pleasure in giving this notification of your appointment as a Barbour scholar for the academic year 1939-40 with a stipend of \$650.00 and University fees. Please send a letter of acceptance at your early convenience.

This letter is notice solely of your appointment as a Barbour scholar on the condition that you shall be accepted as a student by the proper Dean, and shall be admitted to the United States of America under the student section of the United States Immigration Act. The proper credentials showing your acceptance by the University and right to a visa as a student by the American consul will presumably be issued, however, and if so will come to you in another communication from Mr. Shirley W. Smith, Vice-president of the University of Michigan. My letter is not to be taken as admission to the University or as giving you authority for the Consular visa.

The Barbour Scholarship Committee desires to cooperate with the University Health Service to decrease the danger of tuberculosis among our foreign students. Your former medical certificate appears satisfactory, but Dr. Forsythe of the Health Service requires an additional certificate including a reliable x-ray examination. We trust that you will take all necessary precautions before leaving for Ann Arbor.

All Barbour scholars will be required to live in University residences for women and you will receive a letter from Miss Alice C. Lloyd, Dean of Women, concerning room reservations and other matters pertaining to life in Ann Arbor. I trust that you will plan to reach Ann Arbor in time to register September 21, 1939, before beginning work at the opening of the fall semester.

Please send a preliminary letter to me and follow it later by giving full details concerning your trip to America, including the name of the steamship and steamship schedule, date of sailing and expected date of arrival. To be met in Ann Arbor, a letter should be sent to the office of the Dean of Women, Barbour Gymnasium, Ann Arbor, Michigan, giving the name of the railroad and the number of the train by which you are arriving and the time due in this city.

Very sincerely yours,

W. Carl Rufus
