GINLING COLLEGE  
NANKING, CHINA

Jan. 7, 6 P.M.  
1937

Dear Mr. Macmillan,

This is the first time I am on the "Capital Express" started just on Jan. 1st running between Nanking and Shanghai in 4 hours & 50 minutes. I left Nanking at 7:30 and I expect to arrive at Shanghai at 10:20. So it is a very convenient service for us to come down after a days work.

I want to write to send you a few lines by this mail. I wish you to know how we appreciate your hard work at A. S. & Detroit and how glad we are with the results. I have sent you a copy of your report to the League and can follow understand how the various people have expressed in helpful. I have Mrs. Henderson in her company for the League Building. Did you know you are a life member in the League and paid us life membership of 50 dollars? I don't recall how to pay for it, but have the work ability. I am available. When I get out of my current letter I will send back to you by mail.
