Rev. Frank Anderson B. D.
199 Regent St. London - Ont.

Dear Mr. Anderson.-

As I have not been feeling very strong lately, I think it will be unwise to go to New York during this warm weather.

The Woman's Missionary Society of the United Church of Canada held its Annual Board meeting in June. At that meeting approval was given of the action of the Bd. of Governors regarding "Registration." $2000.00 was again appropriated as our share of the 6000.00 Unit.

Miss Thexton, who was to teach at the University and who went to China for that purpose in 1927, has been engaged as a part-time teacher in the Baptist College in Shanghai. If she is allowed by the Consul General to go to Szechwan and enter the city of Chengtu she will probably teach in the University if her services are required.

Three of our missionaries are now in Chengtu - namely Mr. Retta Hibbard Miss Swanson and Miss Lorel.

Trusting you may have a satisfactory Executive meeting, and with best wishes for Mr. Beech - I remain Yours Sincerely
Marion Hales.

My dear Mr. Garside :

I must apologize for the delay in answering your Questionnaire which was sent to our former Assistant Treasurer, Miss Eva Smith. I may say that Miss Smith left the service of our Woman's Missionary Society last August, and the Assistant Treasurer is now Miss Ethel Bennett at the same address, 411 Wesley Building, Toronto.

I have prepared for you the information requested and you will find same enclosed herewith. Just in order to avoid any misunderstanding, I may repeat what I know is quite well known to you, and that is, that Mrs. James Hales, 165 Rose Park Drive, Toronto, is the Secretary for West China on our Board, but it was considered that this information should go forward from the General Secretary.

Believe me,

Yours very sincerely,
Effie A. Jamieson

My dear Miss Jamieson:

We are grateful to you for your letter of October 7 giving us further information as to the contributions of your Society to West China Union University. This information reached us just in time to be included in the report we presented to the West China Governors' meeting Wednesday.

For your information we are enclosing herewith a copy of a tabulation we have prepared showing the contributions of the various Boards cooperating in West China. I trust we have correctly reported all the figures you have supplied us for your Society. We would appreciate it if you would call our attention to any errors or omissions.

When we have heard from the various cooperating Boards we will probably send copies of this tabulation to the field authorities of the University and will request them to call our attention to any mistakes and to supply such facts as are not available here in the West.

My dear Mrs. Hales:

We secured from Mrs. Jameson a statement of the contributions of the Woman's Missionary Society of The United Church of Canada to the University for the year 1928. Reports asked for that year were not uniform in character and they were very incomplete. Consequently we are asking all of the Societies to make another report for the year 1930.

Instead of listing the amount paid for any particular year for furlough charges, we have found it desirable to estimate the average furlough charge for each missionary. This wehave placed at $200 a year for each adult person. We have made that change in the report as furnished by Mrs. Jameson, and I would appreciate it if you could add the amount that has been contributed up and including 1930 for capital expenses and make any other changes that are necessary in the report.

All of the items that we have been able to secure either here in the office or from your 1928 report are incorporated on the enclosed sheet under the column marked "Tentative". If they are correct, please O.K. in the "Final" column. If they are not correct, please indicate the changes or additions so that the "Final" column will be the correct column.

We are endeavoring to make as complete a report as possible to the Board of Governors' meeting in September, and we will deem it a favor if you will return this completed form to Mr. B.A.Garside as soon as possible. We are enclosing a blank which you may desire to fill in for your own files.

We are also returning to you the letter that was sent from your office, giving us the data for the 1928 report, as it may aid you in supplying material for the 1930 report. Please return the letter, and oblige.

Respectfully yours,

Joseph Beech, President.

I must apologize for the delay in furnishing the information but have been away from the office on vacation.

I am enclosing herewith the statement made out in accordance with our understanding of your requirements. We are of the impression that you desire a statement of the contributions made from the beginning and including 1930, and we have furnished this information. Then for the contributions for Maintenance or Current Contributions, we did not include the amount from the beginning, but simply made the statement that we have paid the $2,000.00 toward the Board of Governors budget from our Board year 1924-5. Then, in addition, we found there had been two gifts of $35.00 each sent out for the Promotion Committee, but I did not include these as I thought it quite likely this money was used prior to the organization of the University.

Also, I am returning to you, as requested, the information furnished last year.

My dear Mr. Garside :

Mrs. James Hales, Secretary for the West China Mission of The Woman's Missionary Society of The United Church of Canada, has handed to me your communication of October 27th with the enclosure of analysis of capital contributions of the Co-operating Mission Boards. I have checked this over at Mrs. Hales' request, and find it quite correct.

I think Mrs. Hales has already mentioned to you that of the $2,000.00 mentioned for share of erecting the wall, that $1,100.00 has been returned, but I thought it was not wise for me to alter your figures. Mrs. Hales states that she mentioned this to you, but it was in a tentative way at a committee and was not quite certain whether you had understood her statement, which is the reason that I am mentioning it again in this communication.

Yours very sincerely,

Dear Mr. Garside,-

With reference to the balance of the grant for 1931 to the West China Woman's Christian College from The Woman's Missionary Society of The United Church of Canada. We have been holding all payments which require to be paid in American currency, on the instructions of our Executive, hoping for a more favorable exchange rate. However, the rate continues very high, and we are writing at this time to know if you would be willing to accept the grant in Canadian currenty? To pay the grant in American currency would require an additional amount from our Society of between $150.00 to $250.00.

If you are willing to accept Canadian currency we can forward you a cheque at once, otherwise the matter will have to go to our Executive again for further instructions.

Yours sincerely,

Ada A. Taglialatela

TRANSFER

My dear Mrs. Tagialatela:

Let me acknowledge receipt of your letter of December 15th in which you call attention to the unfavorable rates now existing and ask for suggestions as to the payment of the balance of C $1,000 due for the last two quarters of your Society's contribution toward the 1951 Budget of West China Union University. We warmly appreciate the difficulties in which your Society is placed as a result of this unfavorable exchange rate. On the other hand, since our West China Budget has been built on the basis of U. S. gold dollars, we in the office here in New York do not have any authority to give receipts in full for any payments which produce less than the amounts anticipated from each source.

We are having a meeting of the West China Executive Committee about the middle of January. I will bring the matter to their attention at that time. If your Society wishes in the meantime to make any shares toward this appropriation, either on the basis of Canadian currency or U.S. currency, we will credit your Society for the current value of the remittance in U. S. currency, and will then report the matter to the Executive Committee for any necessary adjustment.

With all good wishes for an enjoyable holiday season, I am,

Very cordially yours,

TRANSFER

My dear Mrs. Tagialetela:

I should have brought officially to your attention before this time action No. G-978 (c) of the annual meeting of the West China Governors on September 29, 1932, which reads as follows:-

"Resolved, to credit toward the 1932 appropriations of the cooperating Mission Boards, pro rata to their contributions the amount of G $4,000 from the surplus which has accrued on the field from gain on exchange."

Since the total of the contributions heretofore made by the cooperating Mission Boards, under mutual agreement is G $25,000, this credit on $4,000 amounts to 16% of the contribution of each Board.

Since the contribution of the Woman's Missionary Society of the U.C.C. has been G $2,000 per annum, the credit thus allowed you on the 1932 appropriation is G $320, leaving G $1,680 as the amount necessary to maintain your contribution at the established level.

Unfortunately at the present rate of exchange of Canadian currency, this action may not mean any substantial saving to your Society, since practically all of $2,000 in Canadian currency would be necessary to produce U. S. $1,680. I sincerely hope however, that the exchange situation will improve to such an extent this year as to enable your Society to make a substantial saving on this appropriation.

Very cordially yours,

My dear Mrs. Tagialatela:

You are probably already aware that the West China Executive Committee at the meeting in Toronto on January 20, 1952 took the following action:-

> "RESOLVED that it be understood that in paying the appropriations toward the budget for the year 1951 the cooperating Mission Boards outside the United States shall be expected to pay only the same amount in their own currency as was paid in 1950."

If therefore, the Woman's Missionary Society of the United Church of Canada will send us a draft for $1,000 Toronto currency, or its equivalent, we will consider that the second half of your appropriation for 1951 has been fully met.

I do not know whether it would be more advantageous for you to send us a draft on Toronto for $1,000, or a draft on New York for whatever amount in New York dollars you can purchase in Toronto for $1,000 of Canadian currency.

You will undoubtedly know which procedure would give the University the largest net amount, or can ascertain by inquiry at your Toronto bank.

With all good wishes, I am,

Let me acknowledge with thanks receipt of your letter of April 15th, with its enclosed draft for U.S.$450.20 in payment of your first quarterly appropriation toward the 1932 budget at West China.

I am glad to report that this seems to be an excess of U.S. $30.20, which we can apply toward your second quarterly appropriation. In my letter of January 11, 1932, addressed to Mrs. Tagialetela, I pointed out that the West China Governors have already allowed you a credit of U.S.$320. on your 1932 appropriation, leaving a balance of G.$1,680, or $420.00 per quarter. We will therefore consider this additional $30.20 as applicable to the second quarter, leaving you only $389.80 required to complete that quarter.

I return your regular receipt herewith.

Dear Mr. Garside:

In considering Estimates for the work of The Woman's Missionary Society of The United Church of Canada for 1933, our Dominion Board, at its Annual Meeting, found that it was necessary not only to make reductions in the maintenance of our work, and in the salaries of our workers, but also to reduce by 10% our grants to organizations and institutions in which we work co-operatively with other Boards. This means that from January 1st, 1933, our grant to the Board of Governors of Woman's College, Chengtu, West China will be $ 1,800. instead of $ 2000., as now.

We regret very much that this reduction has been made necessary and we hope that the time may come when we will be able to restore all grants to their former figure.

Very sincerely yours,

Loretta Spotton.

My dear Mrs. Spotten:

I have your letter of July 29th telling us that the Woman's Missionary Society of the United Church of Canada has been compelled to reduce its grant for West China Union University from $2,000 to $1,800 for the calendar year 1933.

I will see that this notification is brought before the West China Governors when they deal with the 1933 budget in the autumn.

While we all regret that it is necessary for supporting organizations to make any cuts in their appropriations just at a time when our universities in China are facing their greatest opportunity and are struggling with their severe financial problems, yet we all recognise that these temporary reductions are inevitable because of the prevalent economic depression. We earnestly hope, however, that all our Mission Boards will consider that any reduction at this time is in the nature of a moratorium, rather than any prolonged scaling down of support being provided for our Christian higher educational institutions in China.

Recent weeks have brought a somewhat more optimistic note into the economic situation. I trust that this may at least prove to be the beginning of our anxiously awaited upswing toward more normal times.

TRANSFER

My dear Mrs. Taglialatela:

You will be glad to learn that the West China Board of Governors at its annual meeting in Toronto on October 25th and 26th, voted to refund to the cooperating Mission Boards a total of C. $4,000 to be taken from the surplus accruing in recent years from gain on exchange. This is in addition to another refund for a like amount voted by the West China Governors in September, 1951.

The anticipated contribution from the Woman's Missionary Society of the United Church of Canada, as shown in our 1952 budget is C. $2,000. Your pro rata share of the second refund is C. $520 which, added to the earlier refund of $520 makes your total refund $640, and leaves C. $1,360 as the net amount needed from your Society to complete its obligation to the 1952 budget.

According to our records, we have received from you to date, to apply on the 1952 budget three quarterly remittances totalling C. $1,259.68. This leaves C. $120.32 as the balance due from your Society to complete the amount requested from you for the 1952 budget.

At the meeting in Toronto, the West China Governors voted that in view of the continued financial difficulties confronting all our cooperating Mission Boards, a further refund be made on account of gain on exchange, for the calendar year 1953 on the basis of $4,000. The pro rata share of your Society in this refund is C. $520, leaving the net contribution requested from you for 1953 as C. $1,680. We sincerely hope that the exchange ratio during the coming year between the Canadian and the United States dollar will be such as to enable you to complete this payment for substantially less than the sum of $2,000 Canadian which you have given in the past. In any event, the University would not expect you to make payments in excess of $2,000 Canadian, for the West China Governors took action a year ago to the effect that for the present Mission Boards outside the United States would not be expected to give larger amounts in their national currencies toward the West China budget, as a result of the decline in the gold value of the pound sterling and the Canadian dollar. We would appreciate it if you would see that the University's request for a net appropriation from your Society in 1953 of C. $1,680 is brought to the attention of your proper officers and committees.

Dear Mr. Garside,-

We note that the amount of $120.32 gold will complete our grant for 1932 budget, and we are, therefore, enclosing draft on New York for this amount. Will you kindly sign and return the enclosed receipt.

Regarding our 1933 contribution to the University, we have put in our budget for next year an amount of $1,800.00, this is a 10% decrease over last year, but we trust that the exchange between our two countries will be sufficiently favorable to allow this amount to meet what you will require from us, namely, $1,680.00.

TRANSFER

Dear Mr. Garside:

In considering the Estimates for 1934 at the Annual Meeting of the Dominion Board of The Woman's Missionary Society, it was found that in addition to reducing salaries and general maintenance it was also necessary to make a reduction of 12½% on the regular grants to our co-operative work, in which list is included our grant to Board of Governors of Woman's College, West China Union University. This 12½% reduction replaces the reduction of 10% imposed on the grants for 1933 and is reckoned on the original grant.

Therefore, from January 1st, 1934, our grant to Board of Governors of Woman's College, West China Union University will be $1750.00.

Our action in this connection was made necessary because of the decrease in the receipts for 1932 and the serious excess of disbursements over receipts, and we trust that this procedure will not hamper too greatly the activities of the University.

operating work, in which is included the Grant of

Theological, Arts, Medical, and Normal Grant
to Board of Governors of Women's College, West China Union

Dear Mr. Garside,

I received your letter of July 31st with its enclosed "ballot on United Indemnity Bond"; and also your letter of August 4th enclosing a "Resolution" ballot .. "that the West China Board of Governors supplement their contribution toward the 1933-34 budget of the University by the addition of U.C. $4,000.00"

I have read the letters carefully, but I hesitate to cast a vote on these questions because I am not sufficiently familias with finances connected with the University.

"The members of the Board shall hold office for a term of three years or until their successors are appointed."

Dear Mr. Garside,-

Thank you for your letter of the 12th, inst., supplying me the information I had previously requested.

I am sorry that we are unable to send you cheque in full for U.S.$459.93, for the reason that the amount set aside for the West China Union University in the 1933 budget was $1,800.00 only.

We were hoping that the improvement in exchange would have made it possible for this $1,800.00 grant to have netted the amount allocated to us, namely U.S. $1,680.00. However, as we have already, this year, remitted $1,350.00, Canadian, I can only send forward the balance of the $1,800.00 remaining, namely, $450.00, Canadian cheque for which you will find enclosed herewith.

Regretting that this will not quite complete the amount allocated, and with all good wishes for your work, believe me,

Yours sincerely,

My dear Mrs. Hales:

The American Medical Association has asked me to supply certain information with regard to the American Physicians who are serving in our China Colleges. We are now collecting these facts for all the medical men and women in our various institutions.

At least part of this work will be duplicated by the Boards of Foreign Missions, since they also are sending in the lists of their own medical appointees. However, I think it worthwhile for us to collect these facts, both to avoid omissions which would otherwise occur and also to have this information available for future use here in our Associated Boards file.

I believe that the list given herewith contains the names of all appointees of the Board of Foreign Missions of the United Church of Canada on our West China Staff. Will you send us the information indicated for each of them, making any changes in the list necessary to correct it?

Very cordially yours,

Dear Mr. Garside -

I am enclosing the information as requested for the American Medical association. I may add however that Dr. Leslie Kilborn and his wife Dr Janet McClure Kilborn are not members of the W. M. S. They belong to the Foreign Mission Board of the United Church of Canada.

The W. M. S. Medical missionaries in West China are Dr. Retta Jeffrey Kilborn and Dr. Jean Millar.

Dr. Retta Kilborn may retire this year. We are not sure however.

In regard to the suggested memorial for the late Dr. Henry Hodgkin I brought the matter before a committee of the W. M. S. It was decided to defer the matter until we have gone over the estimates which are now coming from the various mission fields, and in particular the estimates from West China. If possible we would like to contribute to the memorial as the Womans Board of the United Church of Canada.

Yours sincerely

My dear Mrs. Hales:

Let me acknowledge receipt of your letters of February 26th and March 5rd.

We have sent on to the American Medical Association the information in your letter of February 26th with reference to medical workers under your Board at West China Union University. We also note with appreciation the interest your Board has taken in the suggested memorial to Dr. Hodgkin. I am sure that if your Board does find it possible to make a contribution toward this memorial that it would not be difficult to have the contribution made in the name of your Women's Missionary Society of the United Church of Canada.

I am sorry that there is not much likelihood of you getting to the Annual Meeting in Oxford at the end of June. I know, however, that Dr. and Mrs. Copp will be warmly welcomed as representatives of the Canadian Boards at that meeting. I have just received a letter from Dr. Endicott in which he expresses his pleasure at the possibility that Dr. and Mrs. Copp can attend these meetings.

I am writing today to Mr. Silcock giving him the list of those who will probably attend these meetings, and will include Dr. and Mrs. Copp on the list. For the present at least, there is probably no need of my writing direct to Dr. and Mrs. Copp, but I will be glad to send them copies of such information relative to this meeting as may be sent out later.

Very cordially yours,

My dear Mrs. Hales:

At the meeting of the Executive Committee of the West China Board of Governors on April 24th, I was requested "to ask each of the cooperating mission boards for information as to the personnel they are now supplying to the staff of West China Union University."

We would be very grateful if you would inform us as promptly as you can as to the names of the personnel you are supplying to the West China staff. The names of missionary wives should be included. We would be grateful also if you could conveniently supply the following additional information:- date appointees became attached to the University; number of children; salaries received.

If, however, the supplying of this additional information would involve substantial delay, we request that you send us at least the names of the missionary personnel at West China immediately, supplying the other facts whenever they can be secured. We are anxious to get this information together in time to arrange it for presentation to the Annual Meeting of the West China Governors in Oxford next month.

Dear Mr. Garside, -

In reply to your letter of May 17th. in which you ask as to the personnel the W. M. S. is supplying to the staff of West China Union University. I may say that we are at present supplying only one full time worker. - namely Miss B. Louise Foster. B.A. I understand that Dr. Jean Miller gives part time in the department of Medicine, and that Miss Annie Ward. B.A.- A.T.C.M. gives part time in Music at the Womens College.

1 - Miss B. Louise Foster B.A - Womens College in 1931. - full time. - Salary $975.00 less 15% cut = $828.75

2 - Miss Annie Ward - B.A. A.T.C.M - 1930 - Part time. in Music.

3 - Doctor Jean Miller - 1933 - Part time in Medicine.

As a Womens Society we do not engage the wives of Missionaries.. Probably Mr. Endicott can tell you regarding those who assist their husbands at the University.

Dear Mr. Garside:

In considering estimates for 1935 at the Annual Meeting of The Woman's Missionary Society of The United Church of Canada, it was found necessary to continue in 1935 the reduction of 12 1/2% imposed for 1934 in our grants to co-operative work.

This will mean that our grant to the Board of Governors, Woman's College, Chengtu, West China for 1935 will be $1750.00, an amount equal to the sum made available for 1934.

Our action in this matter was made necessary because of the continued decrease in the receipts of the Society and we trust that some time in the near future we may be able to return to our former scale of grants and general activities.

Very sincerely yours,

Loretta Spotton.

Dear Dr. Garside:

The members of the Executive Committee of the Dominion Board of The Woman's Missionary Society of The United Church of Canada, desire to express to your Board their sincere sympathy in the loss which has come to you through the death of Dr. Frank Mason North. Through our membership in the Board of Governors of the West China Union University, our representatives came in touch with Dr. North on many occasions and came to value his wise counsel and his deep interest in the work of the Woman's College. They remember with gratitude his thoughtful kindness and unfailing courtesy, and were saddened by the news of his death.

In the Hymnary of The United Church are two hymns which were composed by Dr. North, both of which have come to mean a great deal in our worship. I well remember that at a Summer School conducted by our Society last Summer, our leader selected as a special hymn for the School, "O Master of the Waking World" and this was sung at least once every day. Through these hymns Dr. North will long be remembered and will continue to make a contribution to the religious life of the Church.

Yours most sincerely,

Winnifred Thomas

Dear Dr. Anderson:

Our Society has received from our West China Mission Council a request for our co-operation in the proposed new Theological College in Chengtu. Our recommendation in the matter is as follows:

> "Re. Suggested Union Theological College - That we express our sympathetic interest in the opening of a Union Theological College in Chengtu, West China, and suggest that the Board of Governors of the West China Union University consider the project in detail."

We felt that, since all the various Missions are represented on the Board of Governors, that would be the best place to have the whole project reviewed.

Yours sincerely,

Ruth H. Taylor.

Rev. Frank Anderson, M.A., D.D.,
Secretary of the Board of Governors

West China University,
199 Regent St.,
London, Ont.

Dear Dr. Anderson:

At the meeting of the Executive held yesterday, Mrs. Atkinson gave a report of the meeting of the Board of Governors of the West China Union University. We were very interested to hear of the new developments in regard to the Theological College, and the Clinical Hospital. In response to the request of the Board of Governors regarding the establishment of the Theological College, the following recommendation was agreed to:

Re. Theological College, West China - That in view of the great need for a Theological College in West China, as recommended by the Board of Governors of the West China Union University, a grant of $150. Mex. (approximately $50.00 Gold) be made from Emergency in 1937 as the share of our Society for the year 1937-38.

We understand that the three women's boards co-operating in the Board of Governors are regarded as one unit which means that one third of $450.00 Mex. is the share of our Society. If this is not the understanding of the Board of Governors, we shall appreciate hearing from you.

Sincerely yours,

Ruth H. Taylor.

Dear Dr Anderson,

In reply to your letter of May 12th date I would say that only to-day have I been able to secure a copy of the annual report of the Womens College to send you. I have marked, in pencil some of the things which are of significance though I do not know how much you will include in your report for the Board of Govenors. It is I think worthy of notice that the "Status of the Womens College in the University" has been clearly defined also the "Responsibilities of the Womens College"

It may be that the foregoing may not be all that you would have included in the report please feel free to do with it what you will the report as a whole is so informing and unusually interesting that i it is a pity that it can not be included as a whole -- or could it--

In regard to the letter from Dr Sparling re monies toward a building Fund and apportioning the requested $1500. among 6 units one of which he counted the W.M.S. of the United Church I am happy to report to y you that we have accepted the amount and it has been duly passed by the Executive that the W.M.S. of the United Church of Canada grant to the Theological College in West China the requested sum of $250. toward the building fund. also the W.M.S. is repeating its grant of $100. toward salaries in the Theological College.

I hope to see you in New York during the sessions of the Associated Boards and of the Board of Govenors on June 5th.

With my regard I am

Very sincerely yours

Lord Anderson.
