YENCHING ALUMNI ASSOCIATION
IN THE U.S.A. & CANADA

150 Fifth Avenue,
New York 11, N.Y.
Sept. 16th, 1946.

Dear Fellow Yenchinians:

The scholarship-fund campaign in honor of Dr. Stuart's 70th birthday has been brought to a close. We are happy to tell you that the responses were very enthusiastic as the following figures show:

	Number of people (Mr. & Mrs. counting as two)	Total amount of contributions
A. Faculty	58	513.00
B. Alumni	92	810.00
C. Other Sources	<u>2</u>	<u>16.00</u>
Total	<u>152</u>	<u>\$1339.00</u>

A check in the amount of \$1,339.00 was sent on the 14th of this month to Dr. Stuart through our Yenching Office in New York.

 We want to take this opportunity to thank you all for your wonderful cooperation and the immense pleasure you gave us in serving you. Your checks built up the total handsome sum. Your letters and notes brought us sweet memories of our good old Yenching days.

We are planning to print a new directory for Yenching alumni in the U. S. A. and Canada. Kindly advise us if you want your names printed in the new directory differently from those in the enclosed list of contributors. Please do it soon.

Mrs. H. Frank Szeto (Joan Ying Estu), the new secretary of the Yenching Alumni Office in Peip'ing, will arrive at the West coast in a day or two to visit us alumni in this country. She will surely bring us up to date to the activities in our dear Yenching campus.

Very cordially yours,

Pao-Ch'en Lee (signed),
National Secretary

Chin-Miao Ch'en (signed),
National Treasurer

YENCHING ALUMNI ASSOCIATION
IN THE UNITED STATES AND CANADA

November 30th, 1946.

Dear Fellow Alumni and Friends:

As Christmas is approaching and everybody is planning for his or her holidays, we want to announce sufficiently a-head of time that our Annual Reunion this year will be held at Earl Hall, Columbia University, West 117th Street and Broadway, on Thursday, December 26th, at 8:00 p.m.

We will give you no speeches--just a short reunion program followed by a dance(informal). We will offer you a five-piece band to dance to and refreshments to refresh with. We will give you floor shows to remind you of your old sweet Yenching days. Come and meet the some sixty new arrivals who will bring us loads of information from home. Come and meet your old teachers and school-mates whom you haven't seen for years. Come and have a good time and relive our college life "when you and I were young!"

Don't hesitate to invite your non-Yenching guests to come to our Reunion Dance. For, you, and we too, want to show them what happens when a group of Yenchinians get together!

Enclosed is a blank for nominations for officers of the National Committee for the next year. Please mail this blank together with your check for tickets to our National Treasurer, Mr. Chin-Miao Ch'en, 111 Broadway(Room 515), New York 6, N.Y. To insure tickets for you and your friends and to help us complete our preparations, everyone is requested to send in the blank and check(or money order) as early as possible.

Please be sure to sign your name both in English and Chinese and give us your present address. We depend on you to make our new Yenching Directory correct, complete, and up to date.

Thanking you for your cooperation and looking forward to seeing you at our Reunion Dance.

Very sincerely yours,

Pao-Ch'en Lee 李抱忱

National Secretary

Dear Mr. Ch'en:

We recently received a check amounting to \$75.00 from Mr. Pao-Ch'en Lee to be credited to Dr. Stuart's Scholarship Fund, from the following persons:

Ellen M. Murphy	\$25.00
H. Y. Yuan	10.00
Margaret McGowen	10.00
Edwin Beal	10.00
Miss Yu-Hsin Kao	10.00
Clare C. Park	10.00

If it is possible we would very much like to have the addresses of the above so that we may add their names to our geographic file and mailing list. Receipt for the check is enclosed.

We are also enclosing a page of pictures recently received from Yenching, I am sure you will find it interesting.

Please accept our thanks for the continued interest of the Yenching Alumni Association and its sincere support of Yenching.

Dear Dr. Lee:

I am grateful for your letter of April 3rd enclosing \$75.00 which has been acknowledged to Mr. C. M. Ch'en.

You are very generous in your remarks, but I felt that what I said at the Annual Meeting was totally inadequate.

I hope as opportunity offers you will come in to see us.

YENCHING UNIVERSITY

A Letter from the Acting-President

December 22, 1947

Dear Yenching Alumni:

I write this letter because we wish you to be informed about Yenching; you should know about our problems and difficulties. We want you to know about our plans.

Enrollment. Yenching now has about 900 students. We do not plan to receive more than this number, because we desire quality rather than quantity, and because we believe in intimate contacts between faculty and students. The ratio of teachers to students is 1:9.8. Journalism is the largest department. This year's freshman class of 250 was carefully selected from almost 3,000 applicants; I believe this class will be a credit to Yenching.

Finances. The annual income from both China and abroad last year was about US\$300,000. This was expended as follows:

General Administration	15%
Instruction	41%
Library	6%
Buildings and Grounds (including heat and other services)	34%
Scholarships	4%

Our actual costs on a U.S.-dollar basis are four or five times greater than before the war, but our academic program is practically the same as before the war. We face a serious deficit this year, but every effort will be made to reduce expenses. A six weeks' recess in winter will save coal.

Cost per Student. From the above figures you can calculate that the cost per student is about US\$350. Each student pays fees equal to about one-fifteenth of this.
(per year).

Scholarships and Student Aid. Many students are not able to pay the tuition fees. We need more scholarship funds for worthy students with high scholastic grades. We also need relief funds to help needy students purchase more nutritious food. About 400 students now receive financial aid.

Postwar Academic Aims. Yenching has played an important role in higher education in China; we have a widening responsibility. We must adapt our curriculum to postwar needs. We believe in high standards. We should not duplicate the work of other universities, but we should develop intensively a few subjects of study and do these well. The faculty are now studying this problem and important changes may result.

Industrial Training Program. A new part of Yenching is the Industrial Training Program, carried on by our departments of chemistry and physics. Courses in industrial chemistry and in general engineering are offered. Friends of Yenching among the industrialists and manufacturers in Tientsin and Shanghai are contributing the funds. The 5-year course of study will include both laboratory and classroom instruction and also practical work in factories. Buildings erected by the Japanese on the campus during the war are being reconstructed for this work.

December 22, 1947

Rehabilitation. Our telephone service is being partially restored; roofs of the main buildings were repaired last summer; the main gate is newly painted. But it will take several more years before the rehabilitation is complete. We cannot yet supply hot water to the dormitories; many repairs are needed; there are no campus lights; the power plant needs new boilers.

Faculty Furloughs. This is so important that, in spite of difficult finances, we are resuming the furlough arrangement which was interrupted before the war. Our faculty must have the opportunity to keep up-to-date.

For American Students. More American students are applying for entrance to Yenching. A special course of study on Chinese culture in English is being organized.

Faculty Publications. This is an important university activity. The List of Publications shows a total of 50 journal contributions or books written by our faculty last year. The "Yenching Journal of Chinese Studies" has already resumed publication. It is hoped to revive the "Yenching Journal of Social Studies". Printed news letters from the various departments are beginning to reappear.

Child Welfare Training Program. This course of study was started a year ago; special funds were provided. It includes practical work; nursery school, health clinic, and courses in sociology, home economics, education.

Cooperation with Tsinghua. Some suggest that Tsinghua and Yenching should cooperate more closely. Last year a number of Tsinghua-Yenching seminars were jointly organized. This year we have actually begun on a small scale an exchange of students. This avoids duplicating some courses.

Distinguished Visitors. The list of visitors on the campus during the last few months includes such names as: H.H. Kung, Chang Chun, Chu Chia-hua, Han Li-wu, John D. Rockefeller 3rd, William C. Bullitt, Walter H. Judd, Robert R. McCormick; also the Canadian Ambassador, the Indian Ambassador, the Australian Minister, - and the American Ambassador!

With greetings for Christmas and the New Year.

Very sincerely,

Wm. H. Adolph

YENCHING UNIVERSITY

A Letter from the Acting-President

June 10, 1948

Dear Yenching Alumni:

I write again to share with you our plans and our problems. We are optimistic for next year and the future.

Alumni Day. Our annual Home-Coming was held on April 24th. About 300 alumni gathered from Tientsin and Peiping. The buildings were open for inspection; a number of interesting exhibits were arranged, including the new micro-film equipment in the library. The Acting-President addressed the alumni at the luncheon; informal gatherings were held in the afternoon, followed by an evening program in Bashford Auditorium. We were encouraged by the many expressions of loyalty and the intense interest shown by all in the university's welfare.

Curriculum Changes. After careful restudy of the undergraduate curriculum, the faculty is planning for next year two new programs of study, one in Chinese Culture and another in Western Culture. This new type of study-program, it is hoped, will ultimately replace the present rather restricted and highly specialized departmental requirements. Students who have completed the freshman year in the College of Arts and Letters will next year have the privilege of selecting one of these new study-programs. Details of the new plan will be published and circulated as soon as possible. In addition to this, the faculty favor tutorial methods of instruction and small classes.

English Language Institute. With the aid of the United States Educational Foundation for China, an English Language Institute will be established at Yenching next fall. This Institute will offer opportunities for research and advanced study in linguistics and the teaching of languages. It will arrange for extension courses and the preparation of textbooks for middle schools and colleges. New faculty from China and abroad will be invited to conduct the Institute program. Yenching was selected as the location for this Institute, because of our achievements in English language teaching.

Wellesley-Yenching Cooperation. Wellesley alumnae in the United States are raising funds to aid our Department of Western Languages. This will make possible more adequate work in the field of comparative literature.

Wellesley-Yenching Exchange. Beginning with September 1948, Wellesley College will send to Yenching each year a graduate student assistant, who will represent Wellesley on the Yenching campus. Yenching University will reciprocate by sending a graduate student assistant to Wellesley College. During 1948-49 Wellesley will be represented on the Yenching campus by an assistant in the Department of Chemistry.

Visiting Professors. Next year we will have with us an unusual number of visiting professors from abroad. Their coming will make possible special courses in economics, sociology, English literature, philosophy.

Financial Income. The subject of financial support is causing us considerable anxiety. You will remember that a large amount of our current funds come from abroad. Recently, however, contributions from donors in America have decreased, and the prospect for next year is discouraging. Our regular program may need to be still further reduced. Research work has already been curtailed. Subjects of study which are not absolutely essential to the basic undergraduate program are being suspended.

0890

June 10, 1948

Faculty Salaries. The funds saved by retrenchment in other parts of the budget are being used to maintain faculty salaries at a proper level. We propose to continue this policy. Our desire is to retain on the faculty our most experienced and effective teachers.

Physical Education and Athletics. The Annual Field Day on May 8th was a tremendous success. Students in increasing numbers are participating in intra-mural sports. The General Championship Cup this year was won by the College of Natural Science. The Good Sportsmanship Cup was awarded to the College of Arts and Letters. The fine spirit of healthy competition which these occasions develop has permanent educational value.

Extra-Curriculum Lectures. A schedule of special lectures has continued on a bi-weekly basis throughout the academic year. Distinguished scholars have come to Yenching from China and abroad.

University Assemblies. These all-university gatherings have been held this year every three or four weeks. Recent programs included an oratorical contest in English, and an instructive talk on musical themes and techniques. Honors Day, when scholarship awards for the year were formally announced, was held on June 3rd.

Student Health. This is an important problem. The University Health Service has been alert; we are glad to state that tuberculosis and other health conditions related to poor nutrition are not on the increase. During the present year special relief funds enabled us to supply an extra ration of eggs, milk and meat to certain selected students. More recently the China Relief Mission has granted funds to effect more general improvement in the food served in the university dining halls.

Alumni Contributions: Scholarships and Student Aid. We are happy to acknowledge the following alumni gifts:

Shanghai alumni	CN\$ 24,000,000.
Tientsin alumni	" 120,000,000.
Peiping alumni	" 144,987,500.
Formosa alumni	" 10,234,000.
Nanking alumni	" 20,000,000.
Canton alumni	" 4,270,000.
Hongkong alumni	Hk\$ 1,800.
Alumni in USA	US\$ 466.

These funds are being used for scholarships and grants to students, who are in need. More than half of all Yenching students are now receiving financial assistance of some sort.

Student Unrest. The political situation has caused repercussions among university students, and our campus has shared in the general unrest. During the middle of the semester we lost a week and a half of classwork. All of us, students and staff, feel that the strike as a means of expressing student sentiment, is out-of-date; and at Yenching we are trying to work out some device which will take its place. One of the accepted Yenching traditions is that all classwork lost on account of student strikes shall be made up.

Campus Rehabilitation. Tremendous progress has been made in beautifying the campus. Trees have been trimmed and bushes replanted. New boilers are soon to be installed in the power plant. Student cooperation is being enlisted on campus projects; a "thrift campaign" is being launched; one of its objects is to economize on electric lights.

0891

June 10, 1948

Visitors. Among recent visitors have been Miss Mary Sweeny of the Merrill-Palmer School, Miss Ava B. Milam, Dean of Home Economics at Oregon State College, and Dr. C. B. Fahs of the Rockefeller Foundation. Dr. Y. T. Tsur and Mr. S. J. Chuan, members of the Board of Managers, have also paid visits to the campus.

Faculty Notes. British Council Fellowships for study in England have been awarded to Professor Tu Lien-yueh (physics) and Professor Liao Tai-chu (education). Dr. T. C. Chao has been awarded the Press Literature Prize for 1947, in recognition of his book "An Interpretation of Christianity".

Commencement. On June 29th, we will grant A.B. and B.S. degrees to a senior class of about 115. The commencement address will be delivered by the American Ambassador.

President's Office. My term of office as Acting-President comes to a close this month and I look forward to returning to laboratory work. I have appreciated the privilege of working closely with a loyal faculty and staff and being associated with so many loyal alumni.

With greetings,

Very sincerely,

Wm. H. Adolph

Dear Dr. Teng:

Enclosed please find receipts to the Yenching alumni who have contributed to the Student Aid Fund. Unfortunately, our files contain no records of their addresses so it is impossible to express individual thanks to each alumnus. However, should there be a list of Yenching alumni in Chicago available, we would greatly appreciate a copy, so that we may thank them for their contribution to the Student Aid Fund, and keep them fully informed on news releases and information from Yenching. If this could be arranged at your convenience, we would be most grateful to you.

Sincerely yours,

YENCHING ALUMNI ASSOCIATION
IN THE U. S. A. AND CANADA

June 20, 1948

Dear Fellow Alumnus:

The following is a letter from Dr. Wm. H. Adolph
which is self-explanatory:

"TO THE YENCHING ALUMNI IN USA:

Dear Friends,

We were greatly encouraged to know that you
were making a special financial effort in behalf of
students at Yenching, who were in financial distress. And
now let me acknowledge receipt of a total of US\$466 which
you have remitted to us.

It is a source of much encouragement to us
here to know that we can count on your loyalty, when Yenching
faces difficulties. The proper handling of student relief
needs is very closely related to the maintenance of high
academic standards, and your part in helping needy students
just at this juncture is a very important contribution to
maintaining our high standards and making our academic
program effective.

This note, while it is a formal expression of
our gratitude, at the same time carries with it the best
wishes from the university family here to each of you, our
representatives abroad.

With sincere regards,

Very truly yours,

(signed) Wm. H. Adolph
Acting President

Besides the sum mentioned by Dr. Adolph, we have the
pleasure to report that another sum of US\$180 was remitted
to our Alma Mater through the New York Yenching Office on
June 15. The campaign seems to have progressed rather smoothly.
This is, indeed, mainly due to your kind support. However,
it is still our earnest hope that those who have not donated
money toward this fund will make their contribution very soon.
All matters concerning this campaign should be addressed to
our treasurer, Mrs. Arthur Chang, at 293 W. 11th St., New York
14, N. Y .

With best wishes, I am

Very sincerely yours,

**Chinese Art Objects Belong in the Peiping
Palace Museum**

**EXTENSION OF REMARKS
OF**

HON. GEORGE G. SADOWSKI

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, March 1, 1949

Mr. SADOWSKI. Mr. Speaker, this morning I received a letter signed by various Chinese students and alumni associations protesting against the proposed shipping of priceless Chinese art objects to this country. I saw the United Press dispatch several days ago stating that the Nationalist Government proposed to send this priceless collection to the United States.

I do not think that we should become a party to this deal. This art collection represents Chinese culture over the centuries and belongs to the Chinese people and not to any group of Chinese politicians.

At this point I wish to include the letter which I received:

FEBRUARY 27, 1949.

The Honorable GEORGE SADOWSKI,
House Office Building,
Washington, D. C.

DEAR SIR: A United Press dispatch from Shanghai on January 28, 1949, reported that a collection of 8,600 priceless Chinese art objects from the Peiping Palace Museum are being shipped to this country and to be housed at the Library of Congress. Shocked by this news, we hasten to point out the consequences which this shipment will engender.

The national art treasures of China have been pilfered many times. The warlords used to trade them for material support from foreign powers. When Japan invaded China, many of these treasures were taken as war booty and shipped to Japan. Each time, such pillage has caused deep resentment in the Chinese people.

We do not know whether the United States has sponsored the present shipment. We loathe to think so. But in any case, it will be resented by the Chinese people just the same. For the sake of the traditional friendship between China and the United States, we sincerely hope that you will see to it that these art treasures of China are not shipped to this country.

We are aware of the vigilance with which you safeguard your national treasures. We think that it is within reason for us to ask you to respect the vigilance with which we safeguard our national treasures.

Respectfully yours,

Chinese Learned Society; Chinese Students Christian Association in North America, New York Chapter; Association of Chinese Scientific Workers in America, Chicago and New York Chapters; Tsinghua University Alumni Association in U. S. A.; Nankai University Alumni Association in U. S. A.; Yenching University Alumni Association in U. S. A.; National Peking University Alumni Association in U. S.
