My dear Mr. Rockefeller:

I want to tell you how thoroughly I enjoyed my visit with you yesterday, and to thank you for your interest in China, and the splendid work that the Rockefeller Foundation has been doing there in helping her in her gigantic task of national reconstruction. I feel confident that in spite of the catastrophe she is facing today, with her new national consciousness, the great leadership of General Cheng Kai-shek, and the intrepid morale of the people, China will survive the present crisis.

Enclosed I am sending you the documents which we are circulating among a few trusted friends. I am sure you will be interested in reading them.

With best wishes, I am

Very sincerely yours,

Stephen I. O. Ts'ai

February 16, 1939

Dear Mr. and Mrs. Rockefeller:

We cordially invite you to be the guests of the Yenching Board of Trustees at a dinner to be held at the Hotel Waldorf-Astoria at seven-fifteen o'clock on the evening of February twenty-eighth.

The primary purpose of the dinner is to pay honor to Mr. Edwin M. McBrier. This month Mr. McBrier begins his twenty-third year as Treasurer of the Yenching Board. His devotion and leadership have had a vital part in the growth of this Christian educational center during the past quarter-century.

Dr. Edward H. Hume, who is just returning from Madras, and Professor Hubert S. Liang of Yenching University, will be the principal speakers. Because of your friendship with Dr. Stuart and your interest in the Princeton program at Yenching, I feel certain that you would enjoy hearing their stories about the development of Yenching during the past twenty-five years, and the service it is rendering in the present crisis.

Down through the years the friendship of your family has meant a great deal to Yenching University, and I know it would bring special happiness to Mr. McBrier and to us all if you could join us in what should be a very pleasant occasion.

Very sincerely yours,

President, Yenching Trustees
