.....

Your attention is called to a typing error in the last Weekly. In the report of the Commission on Investigation, under Teaching Load, the second sentence should read: "This load is very unevenly distributed, ranging from 32 hours in the case of one instructor to 4 or 5 hours in the case of several teachers."

Pledges to the Community Chest. Will all those who made pledges to the Community Chest, and have not yet paid them, please observe the honorable custom of settling all obligations before China New Year. The chest owes a large payment to the Fellowship and lacks the money with which to meet it.

Campus Postal Service. The Student Self-Government Association announces that during the New Year vacation the service will be suspended, but will begin to function as usual at the opening of the second semester.

Bus Service. The "Weekly" would not be complete without a reference to our Bus service! Beginning with the 20th inst. the newly revised time table of the University bus service announces that the afternoon bus will leave the Alumni Gate at 5:30 for Peking, and the Peking Garage at 6:30 for Haitien.

Chinese New Year Holiday for the Offices in the Administration Building. The official holidays are from Saturday, Jan. 21 to Wednesday, Jan. 25 inclusive. From then until the opening of the second semester, Feb. 7, the offices will be open in the mornings only from 9:00 to 12:30.

The local office of the Chinese American Bank will be closed for the Chinese New Year holidays from Monday, Jan. 23 to Saturday Jan. 28, inclusive.

University Council. It is painful to report that so many of members of the Council absented themselves on Monday last, there were not a sufficient number present to form a quorum sequently, no business could be concluded.

SOCIAL

The Tsing Hua Mothers' Club cordially invites all the ladies of the Yenching community to a tea on Wednesday, January 25, at 3:30 p.m. in the Yamen of Tsing Hua College.

House Warming. The staff and students of the Home Economics Department will be "At Home" to all members of the faculty and friends on Saturday, Jan. 21, from 4:00 to 6:00 p.m. at the Practice House.

PERSONAL

Word has been received that Mr. and Mrs. E. O. Wilson and the children were expecting to travel to China on the "President Cleveland". If they are on this boat which arrived in Kobe on Monday, they should reach Peking on Monday or Tuesday of next week. Until settling in their house, No. 16, in the Lang Jun Yuan, they will be the guests of Dr. and Mrs. S. D. Wilson.

Miss Jane Newell, a member of the Department of Sociology of Wellesley College, will reach Shanghai on January 22. She will be visiting professor in our Department of Sociology during the second semester.

Miss Myfanwy Wood reaches Kobe on January 24 on the "President Madison". Miss Wood will teach Religious Education in the School of Religion.

The Department of Education is expecting for the second semester Miss Tseng Hsiu-hsiang who has been specializing in Kindergarten training at Columbia University.

Dr. T. T. Lew. Those who are not familiar with "Punch" will be interested in the following quotation from "The Christian Century" of Nov. 1927.

"England's Highest Honor for Dr. T. T. Lew, Punch prints these lines:

We welcome among us today
A most distinguished guest,
Who comes from far Cathay -
A preacher splendidly dressed,
With a hood of scarlet hue
And a skirt of peacock blue.

We cannot of course refuse
To honor his high uplift,
His very enlightened views,
Or his great linguistic gift,
For besides his native Chinese
He speaks seven tongues with ease.

But Punch is free to own,
He is also charmed by a name
Which is worthy of being blown
On the resonant trump of fame,
With those of Wellington Koo
And the Bishop of Rum-ti-Foo
Timothy Tingfang Lew.

To be sung in Punch is the highest distinction open to the inhabitants of these isles or to visitors; and my friend Dr. Lew must be congratulated upon this honor; being a man of much serene and celestial humor he will treasure this tribute to his honorable name."

NOTIFICATION FOR SPRING SEMESTER. Registration for the Spring semester is to take place on Feb. 8 and 9 Wednesday and Thursday. Further announcements by the Registrar's Office will soon follow.

* * * * *

Yenching School will have vacation for the next three Sundays, again Feb. 12.

A WAY TO HELP OUR NEIGHBOURS

One of the questions which continually assails those of us who live in Yenching is: "What can we do to help those who are in poverty and distress, especially in our own neighbourhood?" Many of our community give liberally in time and money, and yet the problem itself still remains with us. There are several organisations dealing with the situation and doing excellent work, but some of us have felt the need for co-ordinating these efforts, and have been meeting together to discuss how this can best be done. The outcome of these deliberations has been the formation of the YENTA RELIEF FEDERATION, of which the constituent organisations are: The Social Service Department of the Yenta Christian Fellowship, the Department of Social Service of the Executive Committee of the Students' Self Government, the Social Service Committee of the Sociology Club, the Yenching Women's Association, the Ch'engfu Dispensary, and the Department of Sociology and Social Work.

The Federation hopes to have the active co-operation of the members of the University in its work, and if you have any cases of poverty or ill-health which you would like looked into and will report the names to Mr. Chang Hung-chun or his assistant in the Sociology Office they will be immediately investigated.

There are other ways too, in which you may be able to help us, and at this time of the year we should like to make a special appeal for gifts of old clothing, or old material which could be made into quilts, children's garments, etc. If you can give us such help will you please send your name to Miss Chu Shuan Tzu, III Dormitory, or Mr. Meng Ting-tsui, I Dormitory, who will make arrangements for collection.

The Family Case Work Department has already found that many of its poorest cases need work, not charity. If you need men or women for any jobs at all will you please send in your requests to Miss Bent who will try and put you in touch with a reliable person. On the other hand we shall be glad to register the names of any servants or workmen in whom you may be interested who are needing employment. When sending in their names and addresses, please give as many details as possible.

For those who are interested in the details of the organisation we give the following information:

The purpose of the Federation as stated in the Constitution is "to co-ordinate all the relief agencies in the University, and to work together for the relief of the poor families in the University neighbourhood, and to prevent poverty." A Board of Directors is composed of two representatives from each of the constituent organisations, with Mrs. Wolfertz as President and Miss Liang I Sheng as Secretary.

The work is to be carried on by three divisions:

1. Investigation Department, Chairman, Mr. Chang Che-kuei.
2. Emergency Department, Chairman, Miss Chu Shuan-tzu.
3. Family Case Work Department, Chairman, Miss Dora Bent.

The Chairmen of the three divisions become the Executive Committee of the Federation to carry out the decisions of the Board of Directors, under the Chairmanship of Mr. Chang Hung-chun.

CHRISTMAS GREETING

Tables have been received from Dr. Barlow-Brown, and Mrs. Judd of Dalton, Georgia, bringing Christmas greetings to all of their friends at Yenching.

INTERNATIONAL SCHOOL AT GENEVA

A catalogue and letter from the International School at Geneva have come to Mrs. Frame's office giving all information about this very fine school in which children of sixteen nationalities are studying in Geneva. There are a few full scholarships and part scholarships offered to children from distant countries. If any of the members of the Chinese faculty and staff are interested in having their children study there for a year or so, will they please communicate with Miss Cummings for further information.

PERSONNEL

Mrs. Frame and Miss Mills returned on December 22 from a month's trip during which they had a most rewarding, though brief, visits at the following girls middle schools: Kiukiang, Rulison; Nan Chang, Baldwin; Nanking, Chung Hua School and Hwei Wen School, Chinkiang, Olivet Memorial School; Suchow, Laura Haygood Normal School, Suchow Government Girls High School, Tsung Hwa School; Hangchow, Union Girls Middle School, Hangchow Government Girls Middle School; Shanghai, St. Mary's Hall, McTiere, Mary Farham, Bridgman, Eliza Yates. They also had brief contacts with the Suchow University, Ginling College, Hangchow College, and attended the Fiftieth Anniversary of St. John's University. They received a hearty welcome from former men and women students of Yenching who are teaching or are principals in the schools visited.

THE MUSIC DEPARTMENT

The following account of the activities of the Music Department this year will be of interest:

The Music Department of the University has made rapid strides this year towards becoming a major department. Technically speaking it is already a department in which students major, this being the first year under the new ruling. We have two majors among the women and one man who altho listed as a major in education is taking his work in music because at the time he had to decide his major, there was no opportunity for him to major in music. Our staff this year is larger than ever before. Miss Ruth Stahl is giving full time to teaching piano and appreciation courses; Miss Adeline Vegthe, a graduate of the Chicago Conservatory is giving full time to piano and theory courses; Bliss Wiant is giving full time to piano and to directing of various musical organizations and to the department; Mrs. Wiant is teaching voice; Mrs. E.O. Wilson is continuing her teaching of voice began last year-she has twelve students; Mr. Heymans of Tsinghua, just recently resigned and leaving soon for Switzerland had a class of eight in violin.

The Student-Faculty Chorus which was organized two years ago and which functioned under the direction of Mr. Eric Clarke last year is continuing this year "bigger and better than ever" with an enrollment of 120 voices and an average attendance of 60. A concert was given at the Formal Opening just three weeks after school began in which the chorus sang two numbers. Just before Xmas "The Messiah" was produced and plans are under way to give a concert in the spring in the city using a Bach Cantata as the main attraction.

The Chapel Choir has been augmented and a new choir loft made in the north-east corner of the chapel which will hold 24. Each Sunday this fall the Choir has rendered an anthem for the morning service. The orchestra has appeared once already and is doing good work. The women have a small glee club under the direction of Miss Vegthe. For the past two months a student recital has been held at which about 50 have been in attendance. These will be continued during the year. A semester recital will be held in January and faculty recital in the spring Mrs. Wilson is giving a recital in the city this month. The Saturday morning chapel services are under the direction of the department of music. Special selections are rendered by individuals and talks on the appreciation of hymns are also provided. Miss Stahl, Miss Vegthe and Mr. Wiant are supplying the demand in the community for instruction in piano and voice for the children. Mr. Armando Areno, recent head of the Music Dept. of the Institute of Fine Arts gave a piano recital during the fall to the edification of the whole community. We hope to have more such evenings of pleasure and profit. Mr. Liu T'ien Hua, of the National University spends one afternoon a week with us giving instruction on the hu ch'in and the p'ipa and in receiving lessons in Harmony. We hope to augment the possibilities for students to take lessons in Chinese music.

SCHOOL OF RELIGION LECTURE

The monthly lecture of the School of Religion will be given on Friday afternoon, January 10, at 4:45 in Ninde Hall Chapel. The speaker on this occasion will be Dean C.W. Luh of the College of Arts and Letters who announced as his subject, "The misunderstandings between Psychologists and Religious Thinkers". This lecture is open to all members of the University community. All who are interested are cordially welcome.

SATURDAY MORNING LECTURE

Mr. Hu Pei Heng, one of the three well known local Chinese artists who under the auspices of the Student Welfare Committee, gave a talk during the recent exhibition of paintings at the President's House, will give an open lecture on Chinese Painting on Saturday morning, January 18th at 11:30. All are cordially invited to attend.

MEETINGS OF THE STUDENT WELFARE AND STUDENT
SERVICE COMMITTEES

The above committees will from now on hold regular meetings, the Student Welfare Committee of which Mr. Ma Kiam is chairman, on 2nd and 4th Wednesdays of each month at 4:30 in the President's Office; and the Student Service Committee of which Mr. C.F. Chou is chairman, on 3rd Wednesdays at 4:30 in Miss Sui Wang's Office.

YENTA CHRISTIAN FELLOWSHIP

Discussion Groups. The Religious Fellowship Group will this month be under the leadership of Miss Cheney. The first meeting of the year was held last Tuesday and "How far are we Christian?" was the subject of discussion. On Tuesday next the subject, "What kind of a Sunday do we want at Yenching?" will be taken up.

The Chin Pu Hui will hold its first meeting next week. It is now proposed to take up the general question of The Poverty of China in relation to Overpopulation, Problems of Industrialization, Agriculture, etc. The leader of the first discussion will be announced later.

The Sunday Morning Service will be devoted to a report of the work of the Home Missionary Society a branch of which was organized last month in Yenching under the auspices of the Fellowship. All members of the Yenching branch of the society are especially urged to be present in as much as this will be the only occasion on which the report of the work will be given.

MUSIC RECITAL

We will all have an opportunity on Monday evening of next week to know something of what our Music Department has been accomplishing this year in its work with our students. A recital will be held at 8:00 p.m. in the Auditorium to which the community is invited. This is the regular semester recital of students making work in the department and the program will consist of piano and vocal selections. It is hoped that there will be a large and appreciative audience of students and faculty.

NOTES FROM THE OFFICE OF THE REGISTRAR

At the request of the University Council, an English translation of the Government "Regulations Governing Universities" has been prepared by the Registrar's Office. Some extra copies are available for distribution. They may be had upon application at the desk. It is to be understood that the translation is not in any sense official.

COMPOUND SUPPERS

Two compound suppers will be held on Thursday evening. The presidents of the Lang Jun Yuan will foregather at the home of Mr. and Mrs. Stephen Tsai. Mr. Mead has very kindly consented to show his moving pictures of the formal opening.

The "Outsiders" will meet for their compound supper at 8:00 p.m. in the Women's College Administration building (Miner Hall). The single Chinese ladies will be hostesses on this occasion.

THE YENCHING LADIES ASSOCIATION

A meeting will be held on Thursday, January 16, at 4:00 p.m. in the Dean's Residence. Mr. Henry Chou will speak on "The Technique of the Chinese Drama".

THE JE MAO

The Je Mao will hold its regular meeting at House 11, Lang Jun Yuan on Friday of next week. The "Queens" will provide the program on this occasion, the "Knaves" are reminded that they are invited to supply refreshments.

THE DEPARTMENT OF PHYSICAL EDUCATION

North China Foot Ball Meet

"Every dog has its day"--and this last week Yenching, Tsing Hua and Nankai, each held reign in due order. On the day following Christmas, the local soccerites entrained for Tientsin to enter the North China Foot Ball tournament, following the allotment of a sum of money by the General Faculty Executive sufficient to permit Yenching University to be represented. The team gave a splendid account of itself, both in conduct and playing, even though they did not "bring home the bacon."

The Northeastern University eleven from Mukden, one of the strongest teams entered in the meet, were met and vanquished by the Yenta squad. The game was hotly contested and sapped the strength of the locals to such a degree that they went into the next game almost doomed to defeat. In the Northeastern-Yenching combat a game fighting spirit on the part of both sides resulted in the contest ending in a tie. During an extra time period both teams failed in their attempts to slap the ball past the goalie, and the game was called on account of darkness --a tie.

The following morning the two squads faced each other again to play off the tie, and the game ended in a victory for the Yenchingites to the score of 1 to 0. That afternoon the Yenta eleven were scheduled to meet the Tsing Hua aggregation in the smei-finals. Almost utterly exhausted by the strenuous fighting of the preceding morning, and handicapped by the loss of our star full-back, C. C. Liang, who had been injured in a preliminary game and who had been sent back to Peking for treatment, the locals were forced to give in to the continuous onslaughts of the Tsing Hua eleven and the Yellow and Blue were subdued to the tune of 3 to 1.

Both teams displayed a high brand of teamwork throughout the game, but the Tsing Hua boys proved themselves superior in strength, and well worthy of receiving the North China foot ball championship crown. The local foot ballers returned to the campus, disappointedly defeated, but displaying a spirit of true sportsmanship.

Nankai Seeks Revenge--

Apparently because she had failed to place her team in the North China meet, Nankai revengedly invaded the Tsing Hua and Yenching strongholds during the New Year holidays, and proved successful in her attempts to pile up high scores against both the "sister" institutions in soccer and basketball.

After running rough shod over the Tsing Hua basketball five to the score of 54 to 17, and out playing the North China football champions to the tune of 2 goals to 1, they marched through the Yenching gate and trampled over the Blue and Yellow goal shooters, piling up 42 points to the locals 14. In football the Nankai eleven resisted the steady hammering of the Yenta backs, and came through victorious, repeating the Tsing Hua score of 2 to 1.

Both games were exciting ones from the standpoint of these on the sidelines, but the bitter cold was a discouraging element which both the players and fans had to contend themselves with. In basketball the locals were dwarfed by the height of the Nankai quintet, and the superior passing work and basket shooting of the visitors were too much for the Yenta five, even though their technique at times approached that displayed by well trained and experienced basket ballers. The local team work aided the defense in dribbling the ball through the Nankai net, but the strong wind spoiled the majority of the "dead eye" shots.

Some two weeks ago the annual basket ball game between the Tsing Hua and Yenching quintets was played in the Tsing Hua gymnasium. In the face of the disadvantage of playing on an all-too-slick floor, the locals succeeded in rolling up a 39 to 28 score for the Blue and Yellow.

Nankai Loses in Ice Hockey --

The enthusiastic Nankai hockeyites were squelched by the Yenching ice hockey second string men during the visit of the Tientsin boys on the campus. An agreement was made that the regulars be not allowed to play, unless the score stood in Nankai's favor, because of the inability of the port team due to lack of practice. During the last quarter when the score stood 2 to 2, the first line men were admitted for eight minutes, and during that time the puck slid past the Nankai goalie five times in rapid succession. The ease of movement, the team work and the ability which the locals displayed during the four ten-minute quarters of the Nankai game, gives us grounds for forecasting a successful season for the local hockey stick pushers.

Nankai Banquet--

Amidst a shroud of white and purple, intertwined with streamers of blue and yellow the Nankai football, basket ball and ice hockey teams played the part of guests of honor at the "Yenching Welcomes Nankai" banquet Friday evening, January 3. The guests were received at the President's House, where everybody became acquainted with the twenty Yenching girls who played a major part in making the evening a success. Following the playing of a number of games under the canopy of the red and green decorations in the President's House the group of eighty proceeded to the auditorium in Sage Hall where no less than fifteen courses were "put under the belt."

During the course of the banquet the idea of "victors" and those "who tried to be victors" was quite forgotten, and the entire group joined in giving yells, and singing songs. Various individuals, regardless of school or sex, acquiesced to giving performances for the entertainment of the group when they were called upon: Mr. Wu Hang Yeh, who acted as general banquet chairman; and Misses Suzanne Lu and Iris Chang let the cheers, and in singing the song:

Welcome, Nankai,
Yenching Greets You.
May We Always Be United
And Our Friendship Last Forever.
Nankai, Nankai,
Here's to You.

Dr. T. T. Lew represented Chancellor Wu Lei-chuan and the University in extending greetings to the visitors and the institution which they represented. Mr. Chang, head of the Department of Physical Education of Nankai, spoke for Nankai, and expressed his desire that Nankai and Yenching may become friendly rivals, drawing upon the example of Yale and Harvard for his analogy. Various representatives for the teams of the two schools make short speeches. K. A. Wee, Director of Physical Education for Yenching, acted as toastmaster.

After the dinner, the entire group went to the gymnasium, which was decorated for the occasion. A social good time was enjoyed during which time ping pong and other games were played, and refreshments were served. A big bon fire and snake dance concluded the evenings performance, after which the Nankai group returned to Tsing Hua, where they were being entertained as guests during their visit to Peking. As the Nankai aggregation proceeded to Tsing Hua yells given by the Nankai group and answered by the Yenching group echoed and reverberated in the night air.

Such spirit, friendship and sportsmanship as was displayed by the Nankai teams in their competition with local squads, will, it is hoped, be an essential factor in establishing a friendly athletic relationship with the Tientsin college, and that in the future the two schools will regard each other much the same in the course of intercollegiate sports as do large universities in other countries. The ice is broken, everything has the appearance of favorableness--may be appeal to both students and faculty to encourage a spirit of friendliness between Yenching and all other universities with whom we may have athletic, or other, relations.

.....
FACULTY PORTRAITS FOR THE YENCHINIAN

All professors, lecturers and instructors are requested by Mr. Wilhoit Lin (Lin Yueh-ming) chairman of the committee in charge of "The Yenchinian" are requested to send in as soon as possible portraits or publication in the issue of 1929-30. These portraits should be sent to Mr. Lin, room 112, 111 Dormitory, Men's College. Those who may wish to substitute a more recent or satisfactory portrait for the one used last year may do so.

The picture should be 4 inches in size with glossy surface and black or dark grey background. Arrangements have been made by the Yenchinian Committee to have a photographer at the University from 9:00-12:00 and 1:30-4:00 each day from January 13-17. The pictures will be taken in Sage Hall and sixty cents will be charged for taking one picture.

The Yenchinian Committee is trying its best to have the Yenchinian issued before the end of next semester and the cooperation of the faculty in sending in those portraits as soon as possible is earnestly requested. Please send those in if possible within a week.

PERSONNEL

In sundry letters and cards received from Hawaii the President speaks of the very delightful visit of ten days he spent in Honolulu and of the warm welcome he received from the families and friends of our "Honolulu group" here in Yenching. He spoke on an average of at least once a day at church services, the Union Thanksgiving Service, the Chinese Chamber of Commerce, the University of Hawaii, etc. He found our former students very enthusiastically promoting Yenching and very eager to see an increase in the number of our overseas students, especially those from Honolulu. An inquiry was made in the office recently as to why Christmas greetings from the President had not appeared in the Bulletin. So far none have been received, most probably because the summer weather in the Islands made him forget how near it was to Christmas time.

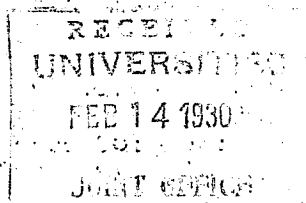

To recent graduates from Princeton University are at present visiting the University and are much interested in all matters connected with the Princeton interest here. Mr. James Cochran, brother of Miss Nancy Cochran, and Mr. William Mitchell, who was last year president of the Philalphan Society (Princeton's social service organization) are spending a month or two in China on a trip round the world.

Mr. H. T. Tien has already left for America sailing from Japan on the President Madison. He will be gone about a year and a half, and will spend most of his time studying Library conditions at Harvard University.

An interesting letter was received the other day from Mr. T. T. Chang of the class of 1927, who is now studying in the University of Leiden. He spent last summer vacation studying in Paris and received the diploma of the Institute de Phonétique of the University of Paris. With the Permission of the Dutch Ministry of Education he is now preparing to take the Doctoral examination in the State University of Leiden. His major subject will be history. He mentions modestly that he can now understand Dutch "fairly well".

A cable was received a few days ago stating briefly that Miss Olga Jahr who had been engaged as secretary to the Harvard-Yenching School of Chinese Studies is now unable to come to China.

Mr. J.B. Tayler, accompanied by Mr. Outerbridge, leaves on Friday of this week for Nanking. He expects to be away several weeks attending conferences held at Nanking University in connection with agricultural matters.

NOTES FROM THE CHANCELLOR'S OFFICE

Minutes of the General Faculty Executive. By action of the committee these minutes will be available for consultation by members of staff in the President's Office.

Compulsory Military Training. The following recommendations were passed at a recent meeting of the University Council:

"Having received the mandate from the government to introduce compulsory military training, the Committee proposes to recommend to the University Council that the plan for military training for all men students, not subject to exemption, be formulated, said training to begin in the fall of 1930 if required by the government.

"That the Budget Committee be instructed to provide a sum to carry out adequately the said plan.

"That the six credits required by the government be reckoned in addition to the 136 now required towards graduation.

"That the officers in charge of military training be directly responsible to the Chancellor."

Delegates to the Third Biennial Meeting of the China Association for Christian Higher Education in China. The General Faculty Executive has appointed the following members of staff to represent the University at the meeting in Shanghai to be held from Feb. 1-4 Miss Myfanwy Wood, Dr. Sui Wang, Messrs. T.T. Lew, J.B. Tayler, Leonard Hsu, Shuhsi Hsu, S.J. Chuan, Y.P. Mei, H.S. Galt, and W.W. Davis, C.W. Luh. Dr. Sui Wang has already left to attend the meetings of the Chinese Advisory Committee. The other members of the delegation will leave Peking during the coming week.

The Public Performance Committee has requested that it be dissolved, and its duties have now been referred by action of the General Faculty Executive to the Students Welfare Committee.

Recent Cables from New York. The New Year season has brought various items of news in cables from New York. A cable received on Dec. 25th authorizes work to begin on the central section of the Warner Gymnasium as soon as the building season opens in the spring.

Visit of Oriental Study Expedition from Pomona College. The office of the Chancellor has recently learned of a very interesting expedition which will visit the University this spring composed of ten Pomona College students and graduates who are planning to spend a year's time in China. It is wholly a student project, conceived and executed by student initiative and endeavor. They are hoping to visit Lingnan University, Shanghai College, Nanking University, the North China Union Language School, Yenching University and other educational centres. The students in question are making this venture with the complete approval and assistance of the authorities of Pomona College.

We learn that the purpose of the expedition is to "study oriental life, conditions and problems in the field, especially in China; to bring into closer social and intellectual contacts students of the East and West and thus aid in the world-wide movement to exchange knowledge and understanding". Each member of the expedition will write a thesis covering his special field of study, and in addition will write a section of the book which will be prepared -- a first hand symposium on student life in China. Members of the expedition will include those who have specialized in the fields of international relations, economics, journalism, criminology, agriculture, literature, music, psychology and religion and history. The expedition will be armed with a movie camera and equipment for the purpose of recording certain kinds of music, especially the work songs of the coolies, rivermen and street vendors. After visiting Hawaii, Japan and south China, we are to expect our visitors arrive in Peking some time in April.

The University Council yesterday appointed a special committee to make plans for the entertainment of this very interesting group.

The Monday Morning Assembly will be discontinued from January 20 to February 10.

ANNOUNCEMENTS FROM THE REGISTRAR'S OFFICE

1. The following action regarding the time limit for grade reports was taken by the University Council at the Meeting of Jan. 13:

"TIME LIMIT FOR GRADE REPORTS

UC-609 VOTED that the semester grade report for a course must be sent to the Registrar's Office within 5 days after the semester examination is given, and that the Registrar be authorized to publish a list of the courses with the names of their instructors, the grades for which are overdue."

2. The Registrar's Office is anxiously looking for an assistant for its Bureau of Admissions to begin work with the spring semester. A Yenching graduate with some executive ability is preferred. Members of the community who have any suitable person in mind will be doing the Office a favor if they will notify Dr. Mei of the possibility.
3. The Registrar's Office has two pieces of furniture to get rid of. One is an old phonograph stand, usable for other purposes too; the other is a case of six drawers, good for filing purposes. They will be sold cheap and are on exhibition in the Office in the next few days.

DEPARTMENT OF JOURNALISM

An Exhibit of News Clippings About China. An exhibit of news and feature articles concerning China, which have been published by American newspapers and magazines in recent months, is now in place on the second floor of the library. Most of the material has been clipped by the students in Journalism 113-- "The Newspaper Library"-- from The Christian Science Monitor, The New York Times (Sunday edition), The Nation, The New Republic, etc. This is one of the uses for periodicals supplied by faculty members to the department of journalism. The department needs permanently and will appreciate receiving regularly copies of periodicals published abroad of every character for laboratory study in comparative journalism and for clipping purposes. These may be sent to the journalism offices, room 213 Bashford, or we will send a messenger for your bundle if notified. The department of journalism also cordially invites members of the faculty to visit its news laboratory at any time, room 217 Bashford. A growing number of newspapers and professional journalistic publications are placing us upon their complimentary subscription list for which courtesy we are very grateful.

RELIGIOUS FELLOWSHIP GROUP

In accordance with the suggestion from some of the members of the group, the Tuesday evening group will continue next week the discussion of the question "What kind of a Sunday do we want at Yenching?" with especial emphasis on the phase of the subject concerned with "How can we help most toward the building of the best traditions?"

PERSONNEL

At the request of the National Committee of the Y.M.C.A. the General Faculty Executive has granted leave of absence for one year, 1930-1931, to Mr. P.C. Hsu, as one of four scholars chosen from all the countries of the world to do research work in Geneva, in preparation for the coming world conference of the Y.M.C.A. to be held in Cleveland, U.S.A.

Mr. de Vargas has also been granted an extension of his furlough in order that he may accept an invitation to Harvard University, to give courses during 1931.

Mr. Yen Ching-yueh has been granted leave of absence, at the request of the Department of Sociology, for the second semester in order to accept the invitation from the National Research Institute in order to make a criminological survey in Shanghai and Nanking.

The President did not after all forget to send Christmas greetings to the University. These were sent in a cable about Christmas time, and the office wishes to apologize for mislaying the message.

GENERAL

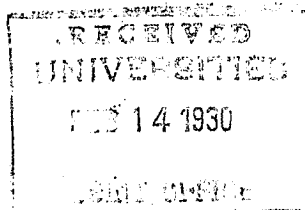

Canon Streeter's Lectures. A limited number of copies of The Four Lectures given in Yenching by Canon Streeter are on sale to members of the University (at 20 cents each) in Ninde 204.

Student Faculty Chorus. The chorus acknowledges with thanks the sum of some thirty-two dollars which was received as a voluntary contribution at the Christmas concert.

The Sociology Car- For the convenience of both the customers and Mrs. C. F. Chou, those wishing to use the Sociology car are requested to hereafter telephone the Sociology Office, inquiring for Mr. Wang Ta-en, the department secretary. The office hours are 9-12:20 a.m. and 2-5 p.m. Monday to Friday, and Saturday mornings, Mrs. Chou will usually be in the Sociology office during week-day mornings. Attention is also called to the lowering of rates of Western Hills trips, as follows:

Trip to Jade Fountain, within five hours,	\$4.00
Trip to Wofussu " " "	6.00
Trip to Pi Yuan Ssu " " "	6.50
Trip to Pa Ta Chu " " "	stopping at
Wofussu and Bi Yun Ssu	\$8.50
Trip to Pa Ta Chu only, within five hours	7.50

The Haitien tall station tax has been paid by month thru the bursar's office, so a tax of 25 cents is added to all daytime trips. This one-half the price of the former tax per trip.

NOTES FROM THE CHANCELLOR'S OFFICE

The Crisis at Cheeloo University. The members of Yenching University have heard with deep regret from time to time of the troubles that have arisen recently in Cheeloo University. Word has just been received that the Senate of Cheeloo University, on January 18, decided to close the College of Science and Arts for the spring semester. The question was raised by the Cheeloo authorities as to whether Yenching would be willing to accept a number of students to be transferred from the senior and junior classes. The General Faculty Executive at its meeting on Tuesday afternoon considered this request and it was decided to admit advanced students from Cheeloo to the number of 26. The University is very anxious to give all the assistance possible in meeting the needs of the Cheeloo students, and at the same time we wish to express the sympathy of our entire community with the members of the Tsinan institution in this crisis which has arisen during the middle of the academic year. We trust that a satisfactory solution for the future work of our sister institution can soon be found.

General Faculty Executive. There will be no meetings of this committee during the winter vacation.

University Council. As the first Monday in February will be during vacation when many members will be away, and as the second Monday falls on registration day, the February meeting of the Council will be held on the third Monday, February 17, time and place as usual.

Mail for our Guests. The office staff requests that the names of guests staying for any length of time on our campus be reported to the President's Office in order that mail sent in our care may be duly delivered to them. If letters are received in the office for persons whose names are unknown to us, they are immediately sent back to the post office.

NOTES FROM THE REGISTRAR'S OFFICE

Dr. Y. P. Mei will be attending the Biennial Conference at Shanghai during the vacation. Miss Cookingham will be in charge of the Office in his absence. Arrangements for spring semester registration have been made already and Mr. Mei expects to get back in time for Registration.

NOTES FROM THE AGRICULTURAL EXPERIMENT STATION

Short Course for Farmers. Although the winter season has slowed down certain of the activities connected with the station, all members of staff have been unusually busy during the past month in conducting a new experimental short course for farmers. The work is of a very practical nature and the course is proving a great success. Twenty-four candidates have been received, these varying in age from a veteran of 62 to the most youthful member who is 18. The average age is 27. These students all possess land of their own, one of them owning as much as 780 mu, the average amount of land owned by them being about 138 mu. The station humorously points out that they are the "land lords" among the surrounding farmers. They come from eight different districts around Peking. The entrance requirements are limited to a knowledge of writing and reading, and an ability to pay the fees for the course which amounts to \$3.00 for the entire course, including board and lodging which is furnished in the Yen Nung Yuan. They are all keen students and are entering with great enthusiasm into the sixteen courses that are offered. The station will welcome any visitors who may wish to visit the Yen Nung Yuan and watch our newest students at their work.

Sale of Pork. The Station informs us that at the earnest request of our faculty members five young pigs will be sacrificed today to supply the demand for fresh pork. We are assured that we should all take advantage of this opportunity to procure delicious, tender meat grown on our own campus. The meat will be on sale on Thursday, Jan. 23, from 9:00-4:30 at the Yenching Dairy and will be sold for 25 cents a catty.

Sale of Cotton. The Station also has a small quantity left of fine cotton, which will be sold at the reduced price of 50 cents per catty. This can be procured from the general office at any time during office hours.

NOTES FROM THE LIBRARY

The following recommendations from the Library Committee were approved by the General Faculty Executive Committee on January 14, 1930.

"Beginning with the second semester, the Library shall remain open from 1:30 to 10 P.M. continuously instead of closing at 5 P.M. and reopening at 6:45 P.M. The fine for overdue books will also be increased from one cent (1¢) to two cents (2¢) per day and that of Reserve Books, from ten coppers (10) to five cents (5¢) for each hour late."

NOTES FROM JOURNALISM DEPARTMENT

Dr. de Vargas presented it to you in lecture form, but if you want to get a resume of the happenings in China for the last four months in black and white you must proceed to the second floor of the library and pour over the display there. All of the clippings are taken from foreign publications. Don't fail to see it--it's interesting.

NOTES FROM DEPARTMENT OF PHYSICAL EDUCATION

The Blue and Gold Retains Football Crown--

After a struggle, which from the point of duration was synonymous to one of China's civil wars, the Yenta football squad emerged from the season's conflicts with the Peking Football League crown still filling the role of headpiece. Not until a series of postponements, "put offs", "called on account of cold(s)", and what other excusable excuses overworked brains might contrive was the Yenching eleven able to store away their cleats, forget kicking, and contribute their undivided attention to other scholastic duties.

After patiently waiting for the remainder the semi-finals to be played off, the locals entrusted for the city last Saturday with pep and fighting spirit sufficient to romp over the North China champs, and to show the Min Ta aggregation that they meant business.

The game had been given much publicity through the columns of the newspapers, and a large crowd surrounded the sidelines. Time for the whistle came, but not a single Min Ta player had made his debut on the field. John Ma, director of physical education at Tsing Hua, called the Yenchingites into action. They lined up in formation, kicked off against the Min Ta "Fairies", shot in a goal, and the game was called--Yenching winning 1 to 0. The fans went away disappointed, but the local soccerites wended their way back to Yenching campus, Peking champs for another year.

Ice Hockey--

If a dog bit a man, it wouldn't be news; but if a man bit a dog the whole world would be interested--so saith a famous journalist. And so when a goalie grabs the puck away from an opponent and dribbles down the field and makes a goal for his own team, it is news. That is just what happened, too, in the game between the Peking American School and Yenching last Saturday morning. When the captain of the local six, Eugene Perevkin, dropped back to play goal keeper during one of the quarters of the game nothing exciting was supposed to happen, but when he ventured from the net, wrested the puck from a P.A.S.er with his goalie stick, and zigzagged down the ice to whisk the puck past the goalie the entire gallery, perched high on the island and mainland surrounding the rink, rose with shouts of glee. The game ended with the score standing at 15 to 1, in favor of the local puck pushers.

TRAMPING TRIPS TO THE WESTERN HILLS DURING THE HOLIDAYS

A group of sturdy walkers are planning to spend several days in the Western Hills, going out early in the morning carrying lunch in knapsacks or hip pockets, and returning in the evening. Wouldn't you like to take a day or two off, from the toils of domestic life or the cares of the study, and skip with the little hills for joy? The idea is to commandeer the power house coal truck (properly cleansed and pedded with straw), which will transport the party to Wo Fa Ssu and return for the alpine climbers in the late afternoon.

You who are interested, please send your name to Mr. Samuel Groff at the President's House. If sufficient numbers enroll, the trips will be taken on January 28, February 1 and 8.

THE BOOK CLUB

The Faculty Book Club has received the following new books which have been loaned by faculty members. It should not be long now before we receive the list of books ordered over a month ago from New York:

Plush -----	Lord Gorell
The Second Epistle of St. Paul to the Corinthians ---	Erdman
Basquerie -----	Mercier
Race Attitudes in Children ---	Lasker
War as an Instrument of National Policy -----	Shotwell

PERSONNEL

We are very happy indeed to welcome Mrs. K.A. Wee back to the campus. She returned on Monday evening from a visit to the south.

Our delegation to the educational meetings which take place in Shanghai at the end of this month will leave in two parties, one starting south on January 23, and the second one on January 28. Several members left early in the week. All expect to return in time for the registration of the second semester.

The President's office recently received a letter from President Stuart written from Buffalo December 16. President Stuart reports that at Madison University he saw Mr. and Mrs. H.H. Li and Mr. H.F. Woo, who are happily located there. Mr. Li is finding his study for the doctorate going forward in a very satisfactory way. Mr. Woo is studying engineering with the assistance of our University preparatory to taking a position in Yenching connected with power plant and construction work. Mr. Woo has been remarkably successful in his studies at Madison and has repeatedly received fellowship aid. He has not yet fixed the date for his return to Yenching but it will probably be one or two years from now. President Stuart also mentions Mr. Liu Che Ming, one of our own students who is studying for his M.A. degree at Madison. He also met Dr. and Mrs. Meiklejohn of the Experiment College of the University of Wisconsin who were glad to receive reports of their son now studying with us.

It is with the greatest concern that we have heard recently of the illness of Mr. Bergen Stelle. The latest report from the P.U.M.C. is that he will not be able to resume his work for at least a year. Mr. Ch'en Tsai-hsin has also been ordered by the doctors to take a year of rest. We extend our sympathy to our two members of staff in their long and tedious illnesses and trust that their recoveries will be much more speedy than now anticipated.

NOTES FROM THE DEPARTMENT OF MUSIC

Saturday Musical Service. The Saturday services for worship through music will be continued this semester, the first one being this Saturday, February 15, at 9:00 a.m. in Ninde Chapel. Mrs. Mead will sing psalms of the old Scotch Church.

Student-Faculty Orchestra. A student-faculty orchestra of western music is being organized. Any member of the faculty who can play an orchestral instrument is welcome and urged to join. If interested, please get in touch with Mr. Philip Ho or Mr. Miss Wiant for further details.

Student-Faculty Chorus is resuming its rehearsals for this semester on Thursday evening, Feb. 13, at 6:45 o'clock in the Salleony of Bashford Auditorium. It is planned to give a concert on the spring using a Pashi Cantata, some madrigals, glees, folksongs, etc. on the program. Most of the music is here and will be presented at this first rehearsal. A strict record of the attendance will be taken each time because of the necessity of well-drilled groups to present this music in concert. All faculty members who enjoy singing are welcome to become regular members.

Informal Musicales. There will be an informal program of music at the home of Mrs. E. O. Wilson on Saturday, February 15 at 9:45 o'clock. Everyone is welcome.

Musical Instruments for Sale. Mr. H.H. Chuan's office has on exhibition the following instruments for sale: one well-seasoned guitar--American make--no cracks and with full set of strings and tuner: One first-class cornet with all accessories, in splendid condition and reasonable price.

NOTES FROM THE REGISTRAR'S OFFICE

Announcements from Registrar's Office. All "Ab", "C", and "In" given for courses taken during the fall semester must be removed at the latest by Wednesday, Feb. 19. Please arrange to give the make-up examinations sometime before then. Each student must present a treasurer's receipt of \$1.00 for taking the make-up examination before they may sit for it. All make-up examination grades must be handed to the Registrar's Office by Friday, Feb. 21, so that students may have a chance to change these courses if necessary.

A circular to Faculty members inclosing 4 Schedule Blanks, a Record Book, and tentative class rolls was delivered to every member of the faculty Wednesday evening, the 12th. Whoever has not yet received this material please report at the Registrar's Office..

Miscellaneous. Copies of the English translation of Motse's Work have just been received by Dr. Y. P. Mei. As several friends have made inquiries about it earlier, persons interested are welcome to examine the copy kept in Mr. Mei's office.

THE UNIVERSITY LECTURE

To suit the convenience of the greater number of our community the Committee on University Lectures has decided to change the time of the weekly lectures from Saturday morning to Thursday afternoons at 4:30. There will be no lecture on February 13.

NEW CAR FOR HIRE

Another car is now available for the use of our community. Mr. Louis Holm is willing to have his new Ford sedan used by any member of the community at the rate of twenty-five cents per mile. Application should be made to the office of the Power Station.

LOST

A copy of the Missions Code Book was lost during the Formal Opening. Any information as to the whereabouts of this book would be most gratefully received at the Dean's Office, Women's College.

PERSONNEL

New arrivals. We are somewhat late in welcoming to our community two youthful new members who arrived some weeks ago in the homes of Judge and Mrs. Kuo and Mr. and Mrs. Shuhsi Hsu.

Although several members of staff celebrated the holiday season by visits to the hospital, all seem to have recovered with the exception of Miss Cookingham and Miss Cheney who are still in hospital in town. They are both making rapid recovery and we hope to have them with us again soon.

REPORT OF THE EDUCATIONAL MEETINGS IN SHANGHAI

Our delegates have returned from attending the meetings of the Council on Christian Higher Education and the Biennial Conference of the Christian Higher Education Association which took place according to schedule at the end of January and first of February.

The Council, attended by some thirty or forty representatives of Christian colleges and universities in China, met for five days and discussed as its main item of business the correlated program and the financial needs of the various institutions as a basis for the proposed united financial campaign in America and England. All those concerned were represented, one delegate from West China University traveling by airplane for part of the journey in order to reach Shanghai in time for the meetings.

The financial needs of Yenching University, based on an earlier statement prepared by President Stuart, were referred to the Council by the Chinese Advisory Committee. Similar recommendations were made for the other colleges and universities. The askings of several of the institutions were materially reduced by action of the Council and in one or two cases additions were made. The askings for Yenching were not altered but were passed as recommended by the Chinese Advisory Committee. The result is to increase the operating budget of the University by about local currency \$125,000, and the capital expenditure for further buildings and equipment by \$490,000. The decisions reached at this meeting of the Council must be referred once more to the Boards of Control of the Various institutions concerned. When approved by them the results will be reported to New York and incorporated in the objectives for the joint financial campaign, which will probably be undertaken beginning in the autumn of 1931.

The Biennial Conference was held at Shanghai College and was attended by approximately one hundred representatives of the various institutions. Probably the most significant sessions of the conference were those devoted to the sectional meetings representing the various departments and administrative officers of the institutions. One general session was very interesting on account of the presence of Dr. King Chu, who holds a prominent place in the Ministry of Education in Nanking. One of the addresses was given by Dr. Chu himself and at once session he gave opportunity for general questions dealing with the government's attitude toward private institutions and especially toward the religious aspects of their work.

Yenching University was well represented in the various activities of the meetings. Dr. T.T. Lew was chairman of the business committee for the Council. Dr. Sui Wang has for some two years been a member of the Advisory Committee. Mr. Mei acted as chairman of the sectional conference of registrars, Professor Leonard Hsu as chairman of the sectional conference on Sociology. We were represented on the Council itself by Miss Wood, Dr. Sui Wang, Dr. T.T. Lew, Dr. Galt and Dr. Leonard Hsu. Our other delegates were Dr. Faucett, Mr. S.J. Chuan, Miss McGowen and Mr. W. W. Davis.

DEPARTMENT OF BIOLOGY

Miss S.M. Tau, M.D. (John's Hopkins) of the National Epidemic Prevention Bureau at Peking has been appointed Visiting Instructor of Bacteriology for the Spring Semester.

Mr. J.C. Liu, M.S. (University of Pennsylvania) of the Department of Pharmacology of the Peking Union Medical College has been appointed Assistant Professor of Botany beginning with the next academic year. Mr. Liu specializes in Systematic Botany and has during the last five years devoted his time to the preparation of a Monograph of the Flora of the Hopei Province.

With the cooperation of the Peking Society of Natural History the Department of Biology is publishing the papers which were presented at the Science Conference held last September in connection with the Formal Opening of the University. The first number of this Department Bulletin was issued in January and has been widely circulated to biologists and institutions in China and abroad.

THE DEPARTMENT OF HISTORY

The department is in great need of three more copies of "Ancient Times" a history of the early world by Breasted. Will any member of the faculty who is willing to loan a copy until June, please communicate with Miss M. Wood.

THE YENCHING SPECIAL APPEAL FOR FAMINE RELIEF IN
THE NORTH WESTERN PROVINCES

You have all already seen the earnest appeal that was sent around the campus last week urging your fullest cooperation in the Drive for Famine Funds which has been organized by our students with the full support of the Faculty Executive Committee.

You have no doubt already been solicited for funds by the various committees in charge and if not, you will soon be called upon. Our objective is TWO THOUSAND DOLLARS as the MINIMUM to be in hand by March 1st. The campaign has started well and on February 18 the amount had reached \$1,060 by the sale of tickets for the two performances to be given by our Chinese Dramatic Society, and by private subscriptions. The men students have contributed so far \$100, the women students another \$100 and the faculty \$850. The workmen too are doing their part and various sums have come in from them.

Come and help to make the first performance of the Old Classical Chinese Plays in the Auditorium on Friday, Feb. 21st, 8:00 p.m. a complete success. Buy your tickets for this soon. A synopsis of the plays in English will be distributed during the performance.

Such well know Peking actors as Chu Ching Hsin, Hou Shu Chen, and Wu Yen Heng will take part in the performance, which will be given in Peking at the Kai Ming Theatre on Saturday, March 8. Tickets for this performance will be sold at \$1.20 and 70 cents and bookings will begin on February 23rd. There will be an entirely different program, so plan to come to this performance too, and don't forget to urge all your friends in town to cooperate.

SATURDAY MOTOR SERVICE TO THE WESTERN HILLS

It is suggested that during the coming months when the University motor truck is not being used by the athletic teams, that it be run out to Wo Fo Ssu, Pien Ssu, or other centres in the Western Hills for students or faculty who are interested in climbing and picnicing in the hills.

If a sufficient number are interested it can probably be run every Saturday, the first trip to be held on February March 1, a small fare of about thirty cents to be charged for the return trip.

It is not planned to organize special "hikes" unless so desired. Those using the truck can make their own plans and arrange their own walks and picnics.

Will those who are interested please send in suggestions as to the time the truck should leave Yenching and return (that is, whether the truck should leave about 9:00 a.m. and return in the evening, or whether it should leave after lunch about 1:30 p.m. and return before or after supper)

Will all those who are interested and will help to make these trips popular please send in their names to Mr. C. F. Chou or Miss Hague.

If not a sufficient number of persons signify interest in starting these trips the truck will not be run. Names and suggestions must be in before next Tuesday.

PERSONNEL

A letter recently received from Professor Roxby of the University of Liverpool speaks in the highest terms of the work of Mr. Y.T. Chang, a graduate of Yenching 1926, who for the past year has been studying in the School of Geography of the University of Liverpool on the Holt Scholarship. It is a pleasure to read in Mr. Roxby's letter of the very fine impression that a Yenching student has made abroad. Mr. Roxby writes: "It is impossible for me to speak too highly of his conduct and attitude here. Not only has he used his time to the very best advantage and mastered his subject in a most systematic way--He has impressed us all with the integrity and nobility of his character and has left an excellent impression wherever he has gone. His departure is a very real personal loss to me and I shall always regard him as one of my very best friends." Mr. Chang left England en route for China on February 1st, and we are expecting that he will join our staff in the autumn.

UNIVERSITY LECTURE

The speaker at the University lecture this week is Mr. Grover Clark who has visited the famine stricken area as special commissioner of the International Famine Relief Committee. His subject will be, "Actual Conditions in Shensi, Kansu and Shansi today".

Next week following on the debut of the Peking Man with Mr. Pei as master of ceremonies, Dr. Paul Stevenson will talk on the early origins of the Chinese people. Professor Stevenson is known all over the world for his studies of the various elements which make up the present Chinese race. Besides being an authority on his subject, he has the power of presenting his material in an intensely vivid manner.

YENTA CHRISTIAN FELLOWSHIP

LENTEN SERVICES. We are reminded that the Lenten Season is now approaching. There will be held in Ninde Chapel throughout Lent, a special service every Wednesday evening from 4:45 to 5:30 beginning with Ash Wednesday, March 5th. The leader of these services will be the Rev. W. E. Wilkinson of the Peping Y.M.C.A.

We are asked to bear these services in mind and to attend as regularly as possible.

The Religious Fellowship Group meeting at the President House on Tuesday evening is taking up under the Leadership of Mr. S. J. Chuan, as a subject for discussion "What Should be our attitude as Christians towards the present Political Situation".

The Chin Pu Hui. The committee in charge has decided that the group will meet every second Wednesday beginning March 5. Having heard from Mrs. Learmonth and Miss Bent something of the work our own agencies are doing towards poor relief, it is hoped that at the next few meetings we may hear from leaders of social work in Peping.

It is then proposed to take up as a basis for discussion a book on religious or social questions. A book suggested is Tolstoi's "What to do?" If those attending the group have other suggestions, please send these to the committee. A limited number of copies of Tolstoi's book can be procured from the President's Office.

GRADUATE DIVISION COMMITTEE

Advisers to graduate students are reminded that if they expect candidates in their charge to receive their Master's degree at Commencement in June they should see that the Theses in question are submitted in proper form to the Chairman of the Graduate Division Committee not later than May first.

RETURNS UP TO DATE FOR THE FAMINE DRIVE.

The committee in charge of the Drive reports the following sums which have been received up to date amounting to \$1,466.50

It is understood that all the sums received are as yet incomplete, the student drive is to be held this coming week.

Sale of tickets for Yenching Performance	\$753.00
Faculty Drive	713.50
	<u>\$1466.50</u>

The full amount which will include the student drive and the sale of tickets for the Peping Dramatic Performance will be announced later.

SATURDAY BUS SERVICE TO THE HILLS

A number of faculty and students have indicated their interest in the use of the University truck for Saturday trips to the Western Hills.

As the weather is still cold, for the first few Saturday the truck will be used only for afternoon trips. Later on it may be possible to use it for all day trips.

The first trip will be run on Saturday, weather permitting March 1, leaving the front of the Administration Building promptly at 1:30, returning at 6:00 p.m. The truck will run to Pi Yün Ssu.

Tickets for the return trip must be procured from Mr. Ha in the President's Office before Friday at 4:30. The price for the return ticket will be thirty cents. Already a number have signed up for the trip, so if you wish to go on Saturday, please notify Mr. Ha promptly. The truck only holds twenty persons. First come first served.

If weather conditions are unfavorable, or less than ten sign for a trip the truck will not run and your money will be promptly returned by Mr. Ha.

SPRING IS COMING

When you turn out your Spring wardrobes and cast away your winter clothes, please remember our Jumble Sale. The Kung-chang girls greatly appreciate the things that they are able to buy. Other miscellaneous articles can also be disposed of and all the profits go to the Social Service work of the University. All goods can be sent at any time to Mrs. J.B. Tayler.

THRILLING PERFORMANCE

The Recreation department of the S.S.G.A. announces a special performance on Thursday evening of this week. A Japanese Magic Troupe has been engaged and the program will include, Hypnotism, dancing, mimicry, Japanese Drama, Clown acts, music, juggling, sleight of hand, etc.

The admission is only 45 cents, and it is hoped that the entertainment will be well supported by all. February 27, 8:00 p.m. The Auditorium.

COMPOUND SUPPERS

The regular compound suppers will be held on Thursday, March 6. The Fan Jun Yuan supper with Chancellor Wu Lei-chuan as host will be held at the home of Mr. and Mrs. E. K. Smith, at 7:30 p.m.

The monthly supper of the staff and faculty members living on the campus and nearby will be held at the Dean's Residence at 7:30 p.m.

Secretaries of other compounds are asked to send in their announcements.

EARLY TO BED AND EARLY TO RISE

It has been suggested by the students that they would be glad if hospitable faculty hosts and hostesses would make it easy for their student guests to be back in the dormitories not later than eleven o'clock in the evening.

FACULTY RESIDENCE AND GENERAL UNIVERSITY REPAIRS

This office begs to remind you again of the fact that no request for any repair or additional equipment can be granted from now until the end of June, unless the nature of the work makes it absolutely necessary. There is no more fund available, the University is therefore forced to take this drastic action. This office is sure that all residences and offices will be glad to co-operate in every way in these matters and sympathize with this office under the present very stringent financial conditions.

NEW MEMBERS OF STAFF

In last week's issue of the Bulletin, an announcement was made of several new members of staff who have been appointed to the Department of Biology. In other departments we have the following:

Department of Mathematics: Dr. Sun of Tsing Hua University for the spring semester as visiting professor.

Department of History: Miss Maud Cherry a graduate of Trinity College, Dublin, is expected to join the department in the fall.

Department of Sociology: Messrs. Yu En-te and Wan Shu-yung will assist in the department this semester

Department of Chinese: Mr. Chang Shou Lin as part time assistant

Department of Political Science: Mr. Hsiao Kung Ch'uan as full time professor.

Department of European Languages: Mr. I Heimerdinger of Cheeloo University has been invited to assist, also Mme. H.C. Bauer of Peking.

Department of English: An exchange professorship has been arranged between Dr. L.W. Faucett and Dr. J. Victor Martin of Tokyo, Japan for this semester.

Mrs. Corwin writes from Princeton of pleasant visits from Dr. Stuart, the Ritters, Sailors, Burgesses and Philip Fu. She writes, "We had such a pleasant irresponsible time for the fifteen months that we were away from home that neither of us was keen to begin work this Fall....one third of us does not appear to be in Princeton--I think we left it in China, probably at Yenching, more likely at the President's House". They seem to be in no danger of forgetting us for the letter concludes, "My husband has the habit when a friend comes in to at once get some jasmine tea in cups given us by Mr. and Mrs. Shushi Hsu and on a tray given us by Mr. Leonard Hsu. Then we show the pictures of Yenching in the kodak album given us by Dr. Stuart a year ago Christmas, next unroll the poem by Judge Pan, and so on, until we decide our friend can absorb no more."

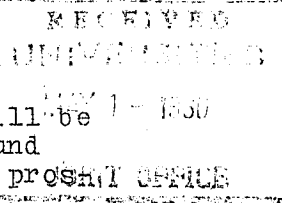

Our Librarian, Mr. H.T. Tien wrote from San Francisco on January 22, announcing his safe arrival and reporting a very pleasant trip from Yokohama. The Chinese party on board ship included Dr. Ling Ping, Minister to Cuba, Dr. P.C. Chang of Nankai University. Mr. Tien left the following morning for Boston, intending to stop over one day at Chicago. He sends his very warm regards to all his friends here.

Mr. and Mrs. E. L. Terman have moved to Defiance, Ohio, and would like all their friends to know of this change of address. They can be reached at 202 Greer Avenue. Mr. Terman is teaching the junior and senior courses in Education and is director of Teacher Training in Defiance College. He is also active in Boy Scout activities.

Mr. David C. H. Lu, assistant in the Department of Journalism has been appointed as the Yenching-Missouri Fellow of the School of Journalism of the University of Missouri for 1930-32.

SOUTH COMPOUND TENNIS CLUB

The Annual Meeting of the South Compound Tennis Club will be held on Friday, Feb. 28 at 4:30 p.m. at 57 South Compound (Residence of Miss Speer and others). All members and prospective members are urged to attend.

.....

The University Council of Yenching University at its meeting of March the third, hears with sorrow of the death of Mr. Bergen Sheffield Stelle, a member of the Department of European Languages, and wishes to give expression to its sense of loss at the abrupt close of so promising a career.

In the short time Mr. Stelle was here, he won the confidence of his students who entered quite naturally into an intimate companionship with him, which is not usually possible when a teacher has so recently come among them. Many of them felt in him a desire to be of service, and an integrity which called forth their swift response. Nor was he slower in winning his way among his colleagues. To some of them, Mr. Stelle had been known in years of association with his honored forbears; to others he came as a new acquaintance. To old friends and to new, to Chinese and foreigners alike, he brought a hearty good fellowship which is sadly missed from corporate life.

The enthusiasm for his subject which he was able to communicate to his students in the very brief time that he was their teacher, bears witness to his rare abilities of which the Department can ill afford to be deprived. We greatly valued his qualities as friend and as instructor.

Facing now the close of that life of joy and courage, we desire to extend to his parents and family our heartfelt sympathy and to express our sense of sharing with them the immortal hope which is our Christian heritage.

Therefore be it resolved that a copy of this minute be preserved in the records of the Council; and that a copy be sent to the parents and family of Mr. Stelle.

(Signed) Wu Lei Chuan, Chancellor

Howard S. Galt, Acting President.

For the Council.

UNIVERSITY LECTURE

In view of Mrs. Dunlap's Musical Recital there will be no University Lecture next Thursday.

DEPARTMENTAL

Department of Journalism. In the association of the school of Journalism of the University of Missouri with Yenching for the development of education for journalism in China, it was arranged that one of the first tangible form of cooperation should be the establishment of reciprocal fellowships, one to be known as the Missouri-Yenching Fellowship and the other as the Yenching-Missouri Fellowship. Under the arrangement, the Missouri-Yenching Fellow will be appointed every two years by Yenching on recommendation of the faculty at Missouri. Mr. Groff is with us this year and next as the first such appointee. The Yenching Missouri Fellow will also be appointed every two years by the Missouri School of Journalism upon recommendation of the Yenching faculty. The General Faculty Executive has approved the suggestion of the department of journalism that Mr. David C. H. Lu be recommended to Missouri for appointment as the first holder of the Yenching-Missouri Fellowship. We have every reason to suppose from previous correspondence that this appointment will officially be made by Missouri upon receipt of our recommendation, but until we have had advices to that effect, it is not strictly true to say that Mr. Lu has been appointed.

Under the arrangement with Missouri, the alumnus who comes to us gives part-time to teaching and part-time to study and receives the same budget treatment as a single person without travel expenses either way. The Yenching-Missouri Fellow will receive G\$500 a year for two years from Dean Walter Williams but is personally responsible for all expenses he may incur for travel and living beyond that amount.

Department of Geology and Geography. Scientific Contributions No. 27 has just appeared as a neat brochure containing four of the papers delivered at the time of the Formal Opening collected together under the title "Problems of Earth History". Those interested may obtain copies by applying to the department.

Department of Sociology. A social agency in Peking is anxious to secure five or six graduates from Yenching University who will be interested in "Boys' Social work" as a profession. They should be seniors now expecting to graduate this year. The idea

is for them to receive one year of training after graduation in the agency, and after that they will become executives of such work in various cities in China, such as Tientsin, Hankow, Shanghai, Hangchow, Canton, Amoy and so on. During their time of training they will get an allowance of about \$40 a month to cover expenses, and the following year will go out on salaries of about \$60 to \$70 a month. Since there are not sufficient graduates in the Sociology Department to fill these vacancies, graduates from other Departments may apply for these positions. Please write to the Chairman of the Department of Sociology, giving qualifications, courses of study, title of dissertation, list of activities during college career, and major line of interest.

Department of Economics. Mr. J. B. Tayler and Mr. Gideon Ch'en leave this week for Shanghai in connection with the work of the M.C.C.'s Committee on Industrialising Economic Relations. This Committee is at present without a secretary and Mr. Tayler has been appointed adviser. In view of the five years' campaign which has been launched by the church they are anxious that the work of this Committee which seeks to deal with the social implications of the Christian faith, should be put in hand at once. During Mr. Tayler's absence Dr. Huang Hsien-ju will attend to Departments matters.

YENCHING FAMINE BENEFIT PERFORMANCE IN PEPING

Famine Benefit Performance in Peping. Those who travel to Peping on Friday evening to attend the Chinese Dramatic Performance in aid of famine funds, will not only be helping a most worthy cause, but will see a very rare and unusual performance.

Prince Fu Tung, brother of the "little Emperor", who played often in the private theatricals of the Empress Dowager, and whose acting was greatly admired by the Empress, will appear in "The Battle of Tan Chow" taking the part of the famous general Yao Fei.

Mr. Yuan Han Yun, the second son of President Yuan Shih Kai, has also very generously consented to appear in a tragedy of the court, "Shen To Tze Tang", taking the part of the judge. Mr. Yuan is well known in Shanghai and Tientsin.

In "The Temple of Fu Men", Mr. Hao Chou Chen, a well known Peping actor, will take a leading part. The story of this play is that of a girl who pleads with the Queen whom she finds at worship in a temple, for the life of her lover.

There will be other plays, in one of which actresses will appear.

Tickets can be procured from Messrs. Ma Kian, G.F. Chou, Chang Hung-chun and Liang Chih-yueh, or the Coop. Store. A special bus will leave the main gate at 7:00 p.m. and will return to Yenching after the show. Regular bus fare will be charged.

DRAMATICS

College Club Play. Next week, March 12 and 13, the American College Women's Club is putting a play at the P.U.M.C. Auditorium. The play is entitled "The First Year" and was one of the outstanding successes last year in New York. Seats are on sale now for three dollars. For the convenience of Yenching people, they may be purchased this week from Mrs. Porter. Those unsold Friday night must be returned to Peping, so buy your tickets now. College Club members are entitled to two tickets at two dollars each, and may procure them by sending their checks to Mrs. Luther Ferguson, Wagonlits Hotel, as Mrs. Porter has only three dollars tickets for sale.

Je Nao. The regular meeting of the Je Nao will not be held this week in order to give everyone an opportunity to attend the Dramatic Performance in Peping on Friday evening. The next meeting will be March 21.

COOPERATIVE STORE

Ten of the faculty families took advantage of the wholesale grocery service now being extended to the entire community (whether members of the Co-Op or not) last week. Due to the extremely sharp competition among the grocers in the city, they have trimmed their retail prices to a fraction above the wholesale prices with the net result that wholesale prices are in some instances the same as retail while in other lines there is a small discount obtainable. However, if enough co-operation is secured larger orders can be sent in and we can make this service worthwhile. For questions of any kind, please communicate with Bliss Wiant.

PLANTS etc. FOR SALE

The Landscaping Department has been offered a large collection of Fan leaved and other palms, particularly well grown and in splendid health, at what appears to be a very reasonable price, by Mr. G. E. Baker of Peking who is leaving in the spring. These palms are of varying sizes and prices, the smallest being about 2ft. 5 ins. and the largest about 7ft. 6ins (including the pot) the prices asked being from \$3 to \$10 and for one special variety as high as \$25.00. These would make particularly nice house plants and if any members of the Faculty are interested Dr. Parr will be very glad to give further particulars. Mr. Baker also has a quantity of other plants for sale such as Roses, Lilacs, Oleanders, Aloes etc. in pots, a quantity of good quality garden hose; there are also a number of shelves constructed with metal slings for hanging across windows etc. etc.

According to government regulations, on Wednesday, March 12, classes will be suspended in memory of the death of Dr. Sun Yat Sen. In the morning at 9 o'clock an assembly will be held in the Auditorium, which will last half an hour, and at which all members of the staff and student body will be expects to be present.

On Sunday morning at 10:30 a Memorial Service will be held in Ninde Hall Chapel. It is hoped that all Christians in the University will take this opportunity to unite in worship and in prayers for the welfare of China.

The Chancellor's Office

CONFERENCE WITH MIDDLE SCHOOL TEACHERS

Last Saturday there was held at Yenching a conference with Middle School teachers in the various departments concerned with entrance requirements to Yenching.

This conference was held pursuant to a vote of the conference between representatives of Yenching and of the Senior Middle Schools of North China held in connection with the Formal Opening exercises last autumn. At that conference the opinion was expressed that it would be valuable for representatives of Yenching, in the various departments concerned directly with entrance requirements, to meet the teachers in the Senior Middle Schools to discuss with them common problems of teaching standards, teaching content, and teaching method.

The Department of Education at Yenching was asked to arrange for such a conference, and Prof. Henry Chou kindly undertook for the Department to arrange the details. After correspondence with the Middle Schools, a program of sectional conferences covering the following eight subjects was arranged: Chinese, English, History, Mathematics, Geography, Physics, Chemistry and Biology. The number of persons attending the conference far exceeded the expectation of those who made the plans. Approximately forty persons were present, in addition to Yenching's own representatives. Luncheon was provided for the representatives in the President's House and at Professor Chou's residence. On the whole, the conference seemed to be very much worth-while, and will, we trust, result in very much more cordial and intimate relations between the University and the Christian Higher Middle Schools of North China.

LENTEN SERVICES

Lenten Meetings of the Ladies Association. A series of five meetings has been arranged to be held at the home of Mrs. Henry Chou in ChengFu. The first meeting is on March 18 at 4:30 p.m. Tea will be served at 3:00 p.m. The programme of the meetings will be circulated.

Wednesday afternoon Meeting. Your attention is called to the time of these meetings, 4:45 p.m. and not 4:30 as announced in chapel and in the Bulletin last week.

MUSIC

Special Concert. Mrs. A.M. Dunlap contralto soloist and Mrs. Roger S. Green, pianist and accompanist, are kindly giving our Yenching Community a musical treat next Saturday, March the 15th. Yenta Chorus

The preparation of the music for the concert of the Yenta Chorus in the spring is going steadily forward. The music is very tuneful, interesting and of a high caliber. Those who enjoy singing should not miss this opportunity. Rehearsals last from 6:45 to 8 P.M. on Thursdays in the balcony of Bashford Hall.

Saturday Morning Chapel

At the Saturday morning chapel service at 9:00 there will be a short history of the mass with special music on the Victrola: Agnus Dei. Music appropriate to the season is being prepared.

PERSONNEL

President Stuart wrote from New York on January 30, two days before leaving for a six weeks tour of the Pacific Coast and elsewhere; "I have been extremely busy, not only with the immediate purpose that has brought me here, but with a great many claims upon my time from persons or organizations interested in China in one way or another. Conditions for raising money are peculiarly difficult, because of the New York Stock exchange which seems to have affected the whole nation, the continued disturbances in China, and the constant increase in the number of causes appealing for money. There is not much definite to report yet, but considering all the difficulties I feel more confident than ever of the financial outlook for us in the long run." The last mail brought a letter written on February 13 from Los Angeles, California which he refers to as a "pleasant change from the strenuousness of New York". He sends greetings to all and reminds us that "the discipline of patience and thrift meanwhile may not be altogether a disadvantage".

TRIPS TO THE WESTERN HILLS

There will be no truck trip to the western Hills this week as the truck will be used now on alternate Saturdays by the military training corps. The next trip will be run on March 22. Will those who are planning to go please notify Miss Hague if they would like an all day trip.

JE MAO

The next meeting of the "Je Mao" will be held on Saturday, March 15, instead of Friday, in order to give members who did not hear the Russian Opera last week a chance to attend the performance. The meeting will be held in the Nan Ta Ti, home of Miss Mills, instead of the Lang Jun Yuan.

TWO ATTRACTIVE POSSIBILITIES FOR RENT

Now that spring is with us our thoughts turn to the mountains and the sea. Mrs. J.B. Tayler can inform you of a well-furnished double storey house three minutes from the bathing beach at Rocky Point. Large garden and verandahs. Rent for the season, Taels 350.

Hsiang Chueh Ssu, a temple high up in Pa Ta Ch'u, well furnished, with shady courtyards, will be available for rent immediately. If any member or group of members care to take on the lease and purchase the furniture, further details can be supplied in the President's Office. Rent for the season \$350. Purchase of furniture, \$500.

UNIVERSITY LECTURE

This week we are to have the pleasure of an illustrated lecture from Dr. S.H. CH'UAN of Tientsin known locally as the medical expert of the Second Areal Division, known to us as the brother of the Comptroller of this University and known to explorers all over the world as one who has penetrated the inner recesses of TIBET and brought back an unusual record of things seen there. To suit his convenience and to enable him to show us lantern slides prepared from his own photographs the time and place of the lecture are changed to 4:30 p.m. on Friday 21st, March in the lecture-theatre upstairs in the Biology-Physics Building (Room 203).

NOTES FROM THE CHEMISTRY DEPARTMENT

The Department of Chemistry announces that Mr. E. O. Wilson is now Chairman. He took over the duties of this post at the beginning of the present quarter.

A recent letter from Mr. Tsai Liu Sheng, at the University of Chicago mentions that he has commenced his research for his doctor's degree. He is working with Dr. Hogness in the field of Photo Chemistry.

"A Study of the Hydrolysis of Aluminum Salts" by E. O. Wilson and R. C. Kuan appeared in the January 1930 number of "The Journal of the American Leathers Chemist's Association".

DEPARTMENT OF GEOGRAPHY AND GEOLOGY.

Mr. Barbour has just returned from a twelve days trip through Shansi. The reconnaissance was made with P. Teilhard de Chardin, Advisor to the National Geological Survey of China, and M. Weulersse of the University of Paris. Though their first intended object was to settle several debated geological questions, much of the ground was covered in company with Mr. J. E. Baker, who had been specially sent from Nanking as commissioner for Famine Relief to examine the feasibility of various plans for alleviating the distress of the very serious famine conditions in Shensi.

Special courtesies were extended to Mr. Barbour by General Shang Chen, the Civil Governor of the Province, who honoured the University by his presence at the time of the Formal Opening in October, and by Dr. L. H. Wang, President of Shansi University, whose work as Director of the Bureau of Reconstruction is responsible for the magnificent roads which alone made such an extended trip a possibility. Setting out from Taiyuan, a total of over 750 miles was covered by motor-car with numerous short side-trips on foot, the farthest point reached being Fenglintou, on the north bank of the Yellow River in the extreme south-west corner of the province, directly opposite Tungkuan. Among the things studied were the gorges of the Fenho, the terraces of the Huangho, the salt-lakes of Yuncheng and the famous tufa deposits Niang-tze-kuan, whose fossil plants and grasses are so sought-after as ornaments; there is a popular notion that if placed in flower-bowls or gold-fish-basins they will begin to sprout again.

Reports of some of the results obtained, as also of the discoveries of Mr. Barbour's vacation trip to Panshan will be given at the forthcoming meeting of the Geological Society of China on the 29th inst.

PROFESSOR HUNG AND THE LIBRARY

Professor Wm. Hung, now on leave of absence from Yenching and a visiting professor at Harvard, wrote in January to Miss Hague asking that the following item be inserted in the weekly Bulletin:

"Mr. William Hung writes that he has not accepted the appointment to the position of the librarian of the Yenching University Library."

This request from Professor Hung is intended to correct certain impressions and reports which have gone abroad concerning his relation to the Yenching library.

Last September the General Faculty Executive took action inviting Prof. Hung, upon his return to Yenching to serve as

"Director of the Library". In the record of this action in the minutes the term "Librarian of the University" was inadvertently used. Later this minute was corrected by action of the Committee, but a report of the action in the form first recorded somehow got into circulation, and has caused confusion in the minds of some people, both in the Yenching community and outside. Because of embarrassment due to this report, Prof. Hung sends in the item quoted above as a means of correcting the erroneous impression.

Lack of continuity in the administration of the President's Office, due to the departure of President Stuart in October, is at least partly the cause of the confusion in regard to this matter, and the Acting President regrets that the matter did not receive more careful attention.

In the action of the General Faculty Executive the intention was clear from the beginning and the administration regrets that incorrect reports were inadvertently allowed to circulate.

NOTES FROM THE SOCIOLOGY DEPARTMENT

During the month of February at the second annual convention of the Southeastern Sociological Society held in Nanking, it was decided to enlarge the scope of the society to include sociologists from all parts of China. The society now bears the name of The China National Sociological Society. It has been decided to issue a Quarterly Journal in Chinese, and to establish a sociological library at Nanking.

At the convention last month, Chancellor Tsai Yuan Pei, Dr. Hu Shih and Dr. H.H. Kung, actively participated in the program of speeches and scientific papers. Yenching was represented by Dr. Leonard Hsu, Dr. Cato Yang and Mr. Yen Ching-yueh. Dr. Yang and Dr. Hsu were both elected on the Executive Committee consisting of seven members, Dr. Hsu holding the office of vice chairman. Dr. Wu Wen-tsoa was elected alternate member. Dr. Wu and Dr. Hsu are both members of the editorial board of the Quarterly, The Chinese Journal of Sociology. The third annual convention will be held in Nanking in February, 1931. Dr. Hsu will act as Chairman of the committee to prepare the scientific papers. The main discussions at this coming convention will centre around the problem of over-population.

MEETING OF YENCHING FACULTY WOMEN'S ASSOCIATION

The regular meeting of the Yenching Faculty Women's Association will be held at the Dean's Residence on next Thursday March 20th at 4:00 P.M. NEW OFFICERS are to be elected and tea will be served. All members are expected to be present. Those who have not paid the membership dues for the year 1929-1930 are requested to bring \$1.00 to the meeting.

YENTA CHRISTIAN FELLOWSHIP

At the invitation of the Student Department of the Yenta Christian Fellowship, Mr. M. Gardner Tewksbury has come to Yenching and will spend a few days here in personal and group work among the students. He is staying in the President's Residence.

NOTES FROM THE COMPTROLLER'S OFFICE

No Removing of Soil. This office begs to remind all parties in the University that, in view of the fact that the Landscape Committee has been trying to preserve and beautify the campus, no one is allowed to remove soil from any spot on the campus without first procuring permission from the Business Department of the Comptroller's Office.

Yenching Nurseries. Hereafter all applications for the renting of potted plants from the nurseries must be made through the business department of the Comptroller's Office. The purchasing of plants and shrubs is also made through this office. Whenever the nurseries have a surplus supply for sale due notice will appear in this bulletin. The nurseries will probably be thinned out in a week or two and what is not needed for the campus can be obtained for the residence compounds.

PUBLICITY MATERIAL

A Guide To Yenching. There has been a reprint of the little guidebook which was issued at the time of the Formal Opening, which now includes a short history of the campus. Anyone wishing copies to give to guests, or to send abroad, may procure these from the President's Office.

Peking News. A limited number of copies of the Formal Opening issue of this little paper which is printed in New York, have just been received, and may be procured from the President's Office.

PERSONNEL

Mr. and Mrs. Ritter. From a recent letter from Mr. Ritter we quote the following: "Our own furlough is proceeding at a very lively pace. It is now about 90% certain that I shall leave for Europe on March 15, for a two months' trip with Father, starting out in Holland, then to Constantinople, Greece, Italy, Southern France, Switzerland, Germany. Home again on May 25th. After that, two months more at our seashore cottage, and then it will be "pack up for the Orient". We see many old China people. Miss Durfee, Dr. Stuart, the Sharmans, the Tewksburies, the Hungs, the Sailors, the Brittons, the Sung boys, Woodrow Ging, 'Gusta, the Gambles, and many others. I go to Columbia or New York University every day, and Emma about trice a week. We are seeing pretty nearly all the shows in New York, also concerts and talkies. Haven't seen a single silent movie all year. They simply aren't given any more. Radio and talkies are the two big external differences in the last six years. Really amazing, especially the radio! On the whole, New York is pretty heathen, but one gets into the swing of it with discouraging ease again. There is a decided romance to all this hyper-materialism. Buildings 150 stories high are talked of now. We are out to conquer everything! But we have not yet learned to rule our own spirits. Give me China every time! Our best love to you all.

Mr. and Mrs. Sharman. The last American post brought letters from Mr. and Mrs. Sharman which they wish to be remembered to all their friends in Yenching. Mr. Sharman had just undergone a very successful operation in the Presbyterian Hospital, for cataract on his right eye an operation which he knew was pending since the spring of 1928. This was one of their main reasons for leaving for New York last year. We all hope very much that when the cure is complete the Sharmans may come back to us again.

Yenching Patients in the P.U.M.C. We hear very good reports from our patients in the P.U.M.C. Mrs. Wiant returned home last week after an operation for appendicitis. Mrs. Wu Went-sao was operated on successfully last week for appendicitis and we are hoping to have her back on the campus within two weeks. From Dr. Wu comes the following note: "Dr. Chenfu F. Wu wishes to give his heartiest thanks to his friends in the P.U.M.C. and Yenching for the different ways by which they have kindly wished him a speedy recovery. Taken ill on Sunday evening, Dr. Wu was removed on Tuesday afternoon to the P.U.M.C. Hospital, where he was found to have a light case of Scarlet fever. He must remain in isolation for at least four weeks and if all things should go well, he ought to be back in work again soon after the First of April."

A SPRING VACATION PROPOSAL

It has been suggested that considerable numbers of faculty and staff members might be interested in an arrangement whereby it would be possible with the greatest possible convenience and economy for individuals and groups to live at Ta Chieh Ssu during the spring recess or for some days during that period. It is proposed that a cook be obtained with whom we may board at some fixed rate per day, (Chinese food); he will be responsible for obtaining supplies. The sleeping accommodations there are very large and varied, so that it is possible to arrange desired groupings by personal arrangement.

If a sufficient number are interested, we should plan to have the truck make a run to the temple of Saturday afternoon, April 5, with all the cots, bedding and baggage of those who plan to be there during any of the period. Similarly the truck would bring everything back on Sunday afternoon, April 13. It would probably be possible for a limited number of persons to make the trip each way upon the truck. Otherwise, and at other times, individuals and groups would make their own arrangements for transportation.

Those desiring to avoid the cost of a motor car trip or of donkeys will find the trip pleasant by bicycle or a foot with a stop at Hei Lung T'an for rest refreshments and a bath. The Riding Club is planning to keep its four horses at the temple during the entire week, and these will be available to non-members at the present regular guest-rate of 50 cents an hour. Another possible feature of the week for various groups will be one and two-day trips to Miao Feng Shan.

The officers of the Riding Club will be glad to serve all those desiring to spend any of their vacation at Ta Chieh Ssu in making the arrangements for the truck and the cook. The cost of such arrangements will of course depend to some extent upon the numbers involved. Guests from Peiping and Tsinghua will be welcome also. Those who are interested, please confer with Vernon Nash. It is important, for the making of preliminary arrangements and reservations, that we have tentative "indications of intention" not later than next Tuesday, March 25. Detailed announcement could then be made in next week's bulletin.

NEW RIDING CLUB ARRANGEMENT

Until further notice, members of the faculties and staffs of Yenching and Tsinghua may rent horses from the Riding Club at the regular non-resident guest rate of 50 cents an hour. The following conditions should be noted:

1. The reservation of mounts must be made through some member of the club.

2. Either the guests and or the member sponsoring them must accept a responsibility of not to exceed \$15 for possible injury to a horse, the decision of the club's officers to be final in case of dispute.

3. Guests must be accompanied on their rides either by a member or by a mafu. The regular membership rate of 25 cents an hour will be charged for the mafu's horse.

4. No bills will be sent to non-members, but to the members who will be responsible for all bills incurred in their names.

Those who are interested in the securing of horses at any time should confer with one of the following members of the club: Misses Boring, Boynton, Cherry, Cockingham, Cummings, Bent, Hague and Cochrane; Messrs. Groff, S. Hsu, Hin Wong, Porter, Loehr; Mr. and Mrs. Nash.

Those who desire to ride frequently will find it desirable to join the club. An initial payment of \$25 (and \$10 for each additional member of a family) entitles the member to one fall share in the assets of the club. Monthly dues are \$2 plus varying assessments monthly depending upon the amount of time the horses are ridden.

ATHLETICS

Students and members of the Faculty played so friendly a game of baseball last Saturday afternoon that no one could ascertain with any certainty just what the score was at the end of the seven innings agreed upon. The faculty were lacking a dependable "battery" (pitcher and catcher) so it is reasonably sure from the impressions of those present that the students were leading by some five or six runs at the close. Another game will be played next Saturday afternoon at 1:30 o'clock. The faculty hopes to be able to strengthen its lineup with a few additions from the Tsinghua faculty. All faculty players are invited to come out and at least take turns in the outfield chasing the two and three baggers poled out by our student sluggers.

SUPPLY OF GOATS MILK

Mr. Wolferz could regularly supply a few more members of the community with goats milk from now until next autumn. Please apply directly to Mr. Wolferz.

FURTHER NOTES FROM THE YINTA CHRISTIAN FELLOWSHIP

Visit of Dr. Sherwood Eddy. We will all have an opportunity to hear Dr. Eddy during his visit to Peking April 5-13. He is planning to visit the University on April 5-6. Four lectures will be given which will be opened to our whole community. On Saturday evening, April 5, Dr. Eddy speak on "Soviet Russia". Dr. Eddy has for many years been making a study of conditions in Russia and comes to us with first-hand information on this subject. On Sunday, April 6, Dr. Eddy will speak three times. At our regular Sunday morning service at 10:30 he will preach on, "My experience of knowing God". At an afternoon lecture on the same day his subject will be "My observations of Christianity in Europe and America", and in the evening he will lecture on, "Youth and Sex Problem."

Annual Meeting. All members of the Fellowship are asked to keep free 4:30. Thursday afternoon, April 17. This is the date decided upon for the annual meeting.

NOTES FROM THE CHANCELLOR'S OFFICE

Saturday, March 29, will be observed as a university holiday in commemoration of the martyrs of Huang Hua Kan who fell in the People's Revolution.

YENTA CHRISTIAN FELLOWSHIP

Farewell to the Faucetts. We have with much reluctance bid farewell to the Faucetts at many gatherings held during the week in their honor. The little Sheng Kung Hui group, who have so much appreciated Mr. Faucett's coming out every Sunday morning for the early communion service, gathered at Dr. Parr's on Monday evening to wish him goodspeed and to welcome Mr. Wilkinson who has very kindly offered to be responsible for the continuation of the service during Mr. Faucett's absence in Japan.

Visit of Miss Kuan Mei Yung. Miss Kuan, student secretary of the National Committee of the Y.W.C.A., Shanghai is visiting Yenching and is holding discussions with various groups during her stay on the campus.

Workmen's Centre. The preparations for the construction of the Centre are now in the hands of the Grounds and Buildings Committee. There was, however, a mistake in the calculations of the cost of erecting such a building and the committee in charge found itself short \$500 of the total amount of \$4,000. The Executive Committee of the Fellowship has, however, been able to turn over a sum of \$300 towards this deficit, and the Workmen's Department is now trying to raise a further sum from among the workmen. If there are still those who are interested in this venture, additional subscriptions will be most gratefully received. If the total amount can be secured, there is still hope that the building can be completed and ready for use by the summer time.

Fiscal Year. By action of the Executive Committee the Fiscal year will now run from October 1 to October 1, beginning in the autumn of this year. This change has been made in order to bring nearer together the change of treasurer, the time of the autumn financial campaign and the beginning of the fiscal year.

UNIVERSITY LECTURE

We are again indebted to Mr. Barbour, the most energetic chairman of our University Lectures Committee, for the promise of another lecture of thrilling interest. Mr. Li Chi, professor in the Graduate School of Tsing Hua University, has consented to lecture to us on Thursday afternoon at 4:30 p.m. (Place to be announced later) on his recent extremely important archaeological finds in Anyang. The lecture will be illustrated with lantern slides.

FACULTY BOOK CLUB

Members are reminded that only one book is to be taken out at a time, and kept no longer than two weeks; remember others are waiting for books as soon as you have finished them. When books are taken out, it is important to sign the name of the book, the name of the borrower and the date the book is taken; when the book is returned, write date of return when checking off your name. It has been suggested that, perhaps members would be willing to share some of their Christmas books by loaning them to the club for a few months; if you have any, please send them to Mrs. Henry Chou.

The following new books have arrived from America:

Farewell to Arms:	Hemingway
Best Plays of 1928-29	Mantle
The Great Rich Man	Boas
Life of Pasteur	Ridot
My Childhood	Gorky
Science and the Unseen World	Eddington
Books as Windows	Becker
Henry VIII	Hackett

DRAMATICS

Je Nao. The long anticipated and long deferred performance of which we have heard rumors during the past month, will be given on Saturday evening, March 29 at House 57, Yen Man Yuan. Members are reminded that the program will start promptly at 8:30 p.m. It will consist of excerpts from "The Gondoliers" by Gilbert and Sullivan, sung by local artists in costume. A resume of the entire opera will be read first, so it is important that there be no laggards on this occasion. As the seating capacity is limited, the number of guests must necessarily be small. Those desiring to invite guests from outside the Je Nao Membership will please confer with Miss Hague or Miss Mills.

Mei Lan-fang's American Tour. There has been much interest evinced in many circles as to the impression that the great Chinese actor and his troupe would have upon the theatre-going world in America. Perhaps some of us in our desire not to be overly optimistic, have not been quite fair to the intelligence of New York in its ability to appreciate this ancient art of China. The last American post has brought the first letters and newspaper clippings, and thanks to the thoughtfulness of Mrs. Sharman, Miss Wagner and others, a very interesting collection of clippings from New York newspapers has just been placed in the Library, where all interested in drama may see what New York thinks of Mr. Mei Lan-fang.

Spring Performances. There will be friendly rivalry this spring in our small dramatic world. The newly organized Student English Dramatic Society is already working hard over a very interesting program which will be given in the Auditorium probably shortly after the holidays. This will be followed by a Je Nao performance by the faculty about the 10th of May.

LANDSCAPE COMMITTEE

The Committee is holding regular meetings during the spring semester on Friday mornings. A number of trees and shrubs and flowers have been ordered from Japan, Antung, and from local nurseries, and the committee has recently appointed an English speaking assistant to help Dr. Parr, the executive secretary. At a recent meeting of the Grounds and Buildings committee the Landscape Committee was allotted a tract of land east of Sage Hall for the establishment of permanent nurseries, also the unused tract of land west of the Women's College twin buildings for a tree nursery. The committee is planning to erect greenhouses on the former site. The committee is now ready to offer for sale to members of the faculty a number of trees and shrubs. Those wishing to buy may procure the list in the office of Mr. H. H. Chuan, but nothing may be taken from the nurseries without first consulting Dr. Parr. The gardeners have no authority to sell trees without Dr. Parr's consent.

COOPERATIVE STORE

Those who have taken advantage of the Cooperative Society's Wholesale Grocery service have found it very much worth while. It is open to all at any time. If you have no order blank just use a half size typewriter sheet of paper and send in your order by Saturday evening to the Store. If there should be any other commodities besides groceries which you would like to have from the city the Coop will be glad to be your agent in purchasing such things. The Coop is anxious to serve.

YENCHING MOVIE

We are assured that the movie on Wednesday night is one that should not be missed. It is announced as "Noah's Ark" (A Bible Story) the best picture of 1929, with Dolores Costello and George O'Brien starring.

PERSONNEL

Dr. T. C. Chao has been spending some days in the P.U.M.C., but is expected home shortly.

Mr. and Mrs. Martin of the Methodist Mission, Tokyo, have arrived and will occupy the Faucett's house in Peping during their stay with Yenching. Mr. Martin and Dr. Faucett have arranged an exchange professorship in English teaching between the two universities in China and Japan.

We were delighted to hear of the arrival of Miss Antoinette Eleanore de Tscharner at the German Hospital last week.

TRIPS FOR TRANS-SIBERIAN TRAVELLERS

Very interesting details concerning the trans-Siberian trip have just been received in a letter from England, which should be very helpful to those members of staff who are contemplating the trip this summer. Copies of this letter may be procured from Miss Hague.

ATHLETICS

A very successful inter-class track and field sports meet took place on our new athletic ground in the north east corner of the campus on Saturday, 22nd April. Judging from the number of entries in the various competitions, a keen inter-class rivalry is seen in this class of sports as in others. The heats for elimination were held on Thursday and Friday. The weather was ideal for the field day and a large crowd turned out to watch and cheer their class-mates. The class championship went to the Juniors, who ran away with 74 points. The Sophomores were second with 50, while the Freshmen in the third place had only half that amount, 24 points. The Graduates got 9 points, and the Seniors brought up the rear with 3 points. The individual championship was won by Eugene Verevkin (Freshman) with 19 points. Gordon Meiklejohn (Junior) was a close second with 17. Ma Wan-shen had 16 1/3 and John Davies 15 1/3 points. Both of them are Juniors. Verevkin, already known as a good all-round sportsman, really did splendidly. This is his first year on the track and he won every event he entered. In the 200 Metres flat, Verevkin set a new record, 22 4/5 secs. Meiklejohn with a throw of 106 ft 7 in. by far outdistanced every one in the Discus Throw.

SPRING HOLIDAYS

The university is rejoicing this year (that is, all but overly conscientious professors) in a delightful spring holiday of over a week, which this year comes at a time when the weather is perfect for out of door trips. Many are the plans that are being formed in anticipation, and groups of Yenching faculty and students will visit, the temples in the Western Hills, Miao Fen Shan, Tan Chieh Sse and Chieh Tai Sse, the Great Wall, Huailai and even so far afield as Jehol. Because of insufficient interest in the project, the plans for a large encampment at Ta Chieh Ssu during the spring recess have been given up. It is probable that a small group may spend some time there.

UNIVERSITY LECTURE

Yenching may count itself specially favoured in the fact that Dr. Li Chi has consented to be the University Lecturer tomorrow, Thursday 27th March. Not only that, but he has offered to bring lantern-slides illustrating the story of his latest remarkable discoveries at Anyang. Already known all over the world for his researches in early Chinese History, connected with Tsinghua University, Harvard, the Smithsonian Institution of Washington and the Historical and Archaeological Division of the National Research Institute, Fr. Li recently added to his reputation by the significant new finds in Honan which have been the subject of such interest in the press. The lecture will be in 103 McBrier at 4:30 p.m. on Thursday.

(Not a little criticism has been expressed regarding the arrangements for the University Lectures, especially by those who failed to gain an entry to the lectures by Mr. Pei and Dr. Ch'uan, and enquiries have been received as to why these meetings were not transferred to the auditorium. It is evidently not realized that besides the fact that lantern slides can only be used there after dusk, the hall itself is not an easy one either for speaker or audience, those in the rear seats missing much of what is said, especially if late-comers are slow in finding seats. Even so, the transfer can be made for any non-illustrated lecture provided the room announced does not accommodate the number actually present at the moment when the speaker is introduced. Special electrical connections have to be made in advance in order to use a lantern in McBrier 103; it was not found possible to plan for these last week, but for tomorrow they will be made.

For Dr. Li's lecture there is likely again to be a large attendance. (One excellent way to avoid disappointment is to arrive in good time.)

In view of the approach of the Spring Recess there will be no University Lecture next week.

Among these who have consented to speak in the near future is Mr. Julean Arnold, Commercial Attache to the American Legation.

DEPARTMENT OF GEOLOGY AND GEOGRAPHY

Attention is drawn to the Annual Meeting of the Geological Society, China this coming week-end at the Library of the Geological Survey, 9 Ping Ma Ssu, West City. From the tentative program drawn up it seems that the papers of most popular interest, including further reports on the finds in the Sinanthropus cave at Chou-kou-tien, will be given on Saturday afternoon, 29th March. Features of special interest in this connection are promised for the Annual dinner of the Society to be held the same evening. The reading of scientific papers will be continued on Monday, extending over to Tuesday if necessary.
