SPECIAL NOTICES

University Council—As the regular time for the Council came during the holidays, it will meet next Monday, January 8, at the usual time and place.

The Faculty Reading Group will meet on Tuesday evening, January 9, at 8:00 p.m. at the President's House. The chief topic will be the discussion of Niebuhr's *Moral Man and Immoral Society*. The copy of Niebuhr in room 106 in Ninde Hall (on top of book-case in S-E angle of room) is always available to those who can spend some time in that room. If there is time, a new book and a student magazine will also be introduced.

Trip to Tingsien. As we are allowed until Monday, January 8, to inform the railway office of the exact number of participants in the trip, we take the opportunity of this issue of the Bulletin to check up finally on the membership rôle which at the present stands as follows:

Messrs.	Messrs.	Messrs.
Chang Chuan	Ma Wen Cho	R. C. Sailer
Chang Kuan Lien	Pu Sze Tse	B. M. Wiant
Cheng Ching Ho	Tien Hsin Chih	S. D. Wilson
Hsieh Ching Sheng	Wu Hu Fu	L. E. Wolferz
Hsü Pao Chien	H. S. Galt	R. E. Worley
Lin Chia Tung	E. de Montmollin	
Lu Chi Hsin	H. B. Price	
Dr. A. B. Brown	Miss M. Wood	
Dr. C. A. Nutting	Miss Wang Hsin Lin	

All additions and withdrawals must be reported to Mr. Y. P. Mei before noon, Monday, January 8. After that time every person on the list will be held responsible for the cost of one ticket.

A meeting of the group is highly desirable before taking the trip. Since the group will leave Peiping early Wednesday morning, the preceding evening, which is the regular time for meeting on rural reconstruction, will not be adequate. Therefore a short meeting is being called for Friday, January 12, at 4:00 p.m. in Sage Hall Auditorium. If any one happens to be unable to attend, he is asked to send a representative who will report fully to him the results of the discussion. Everybody is asked to bring about \$8.00 to the meeting. Some of the items involved will be as follows:

- (1) Report on railway transportation
- (2) Report on Tingsien accommodation
- (3) Transportation from Yenching to Peiping railway station and back
- (4) Baggage
- (5) Expenses and Treasurer
- (6) Food and other supplies
- (7) Program of study and visitation

Library—In further explanation of the appointment of the Committee regarding Library problems, the purpose of this Committee will be to assist the present Library Committee and the Librarian to study possibilities of improving the service in view of the enforced reductions in budget and inadequate space within the Library building itself.

The Reunion of the Yenching Alumni in Peiping. The Yenching Alumni in Peiping held their New Year's reunion on December 30, at 3:30 P. M. at the Alumni Club House, 71 Teng Shih K'ou. One hundred and thirty persons were present, among them the oldest alumnus, Mr. Chuan Yao Tung, now eighty-eight years of age, father of Mr. Chuan Shao Wen, chairman of the Alumni Association. His granddaughter, a graduate of 1932, was also present. The youngest present, who also in the years to come may be a Yenching graduate, was only five years old. Other alumni were Mr. Meng Shen Wu, a graduate of 1889, and Mr. Wang Kow Chai of 1892.

Chancellor Tsur and President Stuart addressed the group, speaking on the One Million Dollar Endowment Campaign, and all present promised their support in this undertaking.

Other items on the program included music, refreshments, games, and magic.

Lost and Found. During the Christmas rush there was left by mistake at the President's House a package of small toy camels. There was taken away by mistake a brown and green knitted stocking-cap belonging to Mrs. H. C. Chou's daughter. Any information regarding either of these items will be welcome.

PERSONAL NOTES

From Miss Lucy Burtt. After spending more than a month in Boston, New York, and Philadelphia, busy with what sounds like a strenuous series of speaking engagements, Miss Lucy Burtt sailed from Boston for England November 4, and writes on November 21 from her home, the following amazing statement:—"Did I tell you that America turned out to be a delightful holiday, when I gained steadily a pound a week, and every one here is commenting on my good health?"

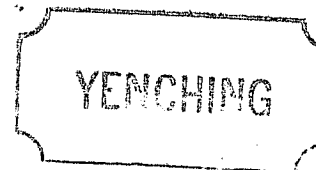

Radio From Mrs. L. M. Mead to Dr. Stuart—"New Year's greetings to you and our other friends from Chou Kuo Ping, Chen Tai Chu, and all the Meads who have spent Christmas together in Plainfield, N. J. We all of us miss Yenching and wish we could see you all."

Mr. and Mrs. Chanfu F. Wu send Christmas greetings and best wishes for the New Year to all their friends at Yenching.

From Miss Ruth Feng, Germany—"Will you give my best wishes to all my friends at Yenching on Christmas and New Year? Now I am working on Nitro-cellulose at the University here."

From Lin Kwan-te—The following extract from a letter to Dr. Stuart from Lin Kwan-te, a graduate, who is now a dean in the Anglo-Chinese College in Foochow, may well encourage us all in our service to Yenching: "Your open letter as well as your speech concerning the Endowment Fund to the student body have moved us greatly. We have deep sympathy with you and your difficult task and problems. Although we are not rich enough to give more to our Alma Mater, yet we are willing to do our part. We feel we are indebted to her."

Material for this Bulletin should be sent in writing to the Office of the President before Wednesday noon of each week.

The alligator is in dormant condition for winter and therefore very tame. All children are welcome to come look at him in the tank in our Biology Laboratory Room 205.

SPECIAL NOTICES

Dr. Stuart has been requested by Chancellor Tsur to return to Shanghai, and will therefore probably not arrive at Yenching until about the middle of this week.

Faculty Discussion on Rural Reconstruction. Because of Dr. Man niche's visit in Peiping during the early part of February, the original plan of holding a Forum on Tingsien as a sequel to the visitation trip will be postponed. The meeting on the coming Tuesday evening will be devoted to the rural reconstruction experiences of Denmark, and Dr. Manniche will be our leader. He will address the University Assembly in the morning on this significant movement in a general way and will follow it up at the discussion period. Those who have time and interest might do some reference reading in the Library by looking in the catalogue under "Grundwig" or "Folkschule Movement" of Denmark.

The Chorus begins its rehearsals on Thursday, February 8, at 6:45 P.M. in Sage Hall. This semester the great masterpiece of choral writing of the nineteenth century, "A German Requiem," by Johannes Brahms will be studied. As usual, the doors of the Chorus are thrown open to membership to all those who desire to sing. This is a community organization with both faculty and students freely participating in it. It offers a unique opportunity for student-faculty contacts on an equal basis. Faculty members are particularly welcome because of the support which students feel from faculty members. Come for this first meeting and thus help start it with enthusiasm.

Friday Fellowship Group. The first meeting of this group is to take place on Friday, February 9, at 8:00 p.m. at the President's House. There will be brief reports from the various Fellowship groups and from the team which went to Changli for winter service.

The tentative schedule of the Group for the rest of the year is as follows:

February 23	Mr. Ph. de Vargas
March 9	Miss Huang Hsiao-tung, Mr. J. L. Chen: <i>My Religious Experience</i>
23	Dr. J. F. Li: <i>Bible Study on Life of Jesus</i>
April 13	Mr. K. M. Lu: <i>S. C. M. and Rural Service</i>
27	Dr. J. L. Stuart: <i>Communion Service</i>
May 11	P. C. Hsü: <i>What has Jesus Meant to me?</i>
25	Mr. L. C. Wu: <i>Why am I a Christian?</i>

This schedule is subject to change. Suggestions should be sent to the Chairman of the Fellowship. The Group meetings are intended for *all* Fellowship members who desire to worship together and to share religious experiences with one another. At the end of each meeting there will be a few moments for more informal conversation.

Victrola Concerts at the Wiant Residence, No. 63 Yen Nan Yuan, will be resumed on this Friday evening, February 9, at 8:00 P.M. A new type of concert is being offered this semester—more like a concert given in the west in which a variety of music is offered. There will be selections from operas, lieder, chamber music and symphonic music on every program with an attempt to have some unity through it all. The first program will consist of the following:

Academic Festival Overture.....Brahms
 Quintette.....Schumann
 Selections from "Mignon".....Thomas
 Symphony in D minor.....Franck

Notice from the Students' Welfare Committee Office. Kao Chih En, K'ang Chun Yuan, Chang Ch'eng Chih, Kao Yi Ling, and Kao Chung Fu have withdrawn from the University on account of personal affairs.

Clergy Fare Certificates. Application blanks for Clergy Fare Certificates for the use of faculty and staff members, who are planning to go to the United States this year, may be obtained in the President's Office. It is important that those wishing to make use of these should send their applications as early as possible to the United States.

Yenching Ice Carnival and Winter Frolic will be held on Saturday afternoon and evening, Feb. 10. The program, starting at 4 o'clock, will have three main divisions, as follows: races, fancy skating and fancy costume competitions on the skating rink; an ice hockey game between the student teams of Tsinghua and Yenching Universities; a band concert and program of entertainment in the auditorium.

The U. S. Marine Band, under the direction of Sergeant August A. Olaguez, band master, will play upon the marble boat during the afternoon program. They will also give a special program in the first half of the evening's entertainment, assisted by a male quartet from the Marine Corps. These features of the annual event are made possible by the kind permission of Col. P.M. Rixey, commandant of the U.S.M.C. in Peiping.

A campfire will be lighted at dusk on the bank of the lake near the hockey rink. Those who attend the Carnival are invited to bring a winter-picnic supper with them to be eaten during the playing of the ice hockey game. The department of home economics will also serve meals in the Luce Pavilion on the island.

The afternoon program will include open speed races on the ice for 100, 200 and 1,500 meters, fancy skating, singly and in pairs; an exhibition of fancy skating by Mr. Chao Wu-shan, formerly skating exhibitor for the Empress Dowager; and a parade of fancy dress costumes. Awards and prizes for the first three places will be given in several of the events.

In the second half of the evening program in the auditorium, an exhibition of folk dancing and a Scottish reel will be given by faculty groups. Other numbers will include harmonica selections by a student quartet of artists upon the mouth organ, a procession of historic characters, Chinese songs, demonstration of Chinese boxing, and a Chinese play.

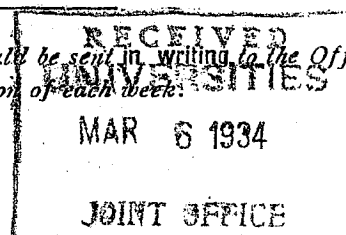

Arrangements for the day are under the direction of the Men's Faculty Athletic Council. Proceeds will be allocated to the various student athletic clubs which have charge of intercollegiate competitions under the new method of administering sports by the Department of Physical Education. All-day tickets will be sold by student athletic leaders at the following rates: \$1 for reserved seats in the auditorium, sixty cents for unreserved seats. Those who buy neither of these will be asked to purchase "cooperation tokens" if they desire to appear upon the ice after 4 o'clock. These tokens will be sold for twenty cents. The three kinds of tickets will all be in the form of tags which purchasers are requested to wear. A special souvenir program is being printed. Fuller details concerning the events will be published later.

January Academic Summary. Because of the examination week and the winter recess, the January Academic Summary will be combined with that for February and will be announced when the latter is due.

PERSONAL NOTES

Members of the community will learn with deep regret of the death of the three-year-old child of Mr. and Mrs. Feng Chia-sheng. Mr. Feng is a graduate student in history, living in Haitien.

Material for this Bulletin should be sent in writing to the Office of the President before Wednesday noon of each week.

Dr. Stuart is expected to arrive at Yenching on Saturday night.

Campus Supper. The next Campus Supper will be held on February 12 at 6:00 p.m. at the President's House. Any who have not signed up through the regular channels please notify Miss Wu Hsin Min, I Women's Dormitory, if they still wish to attend.

South Compound Supper. The hostesses for the South Compound Supper on February 12 will be Misses Cookingham, Cummings, Speer, Waddell, Wagner, and Wood. Please note the earlier time: 6:30. Please enter by House 57.

The Piano Recital by Mrs. Wilhelmine Creel, announced some time ago, will be given in Bashford Auditorium on Monday evening, February 12, at 8:15 p.m. Most music lovers are acquainted with Mrs. Creel's brilliant history and will consider it a rare privilege to hear her perform on our own campus. Yenching faculty members and students are especially fortunate to be able to enjoy this free of charge.

The Faculty Reading Group will meet on Tuesday, February 13. Several books will be presented, probably including:

Barry, *Relevance of Christianity*

H.A. Overstreet, *We Move in New Directions*

James Gordon Gilkey, *What Can We Believe?*

Basil Mathews, *John R. Mott, World Citizen (1934)*

Public Lecture. Mr. Hung has continued his careful researches regarding the history of the gardens that are included in the present Yenching campus. His previous lecture on the Shao Yuan of the famous Mi Wan-chung will be recalled by all the university group. Mr. Hung has now collected a large number of documents regarding the garden of Ho Shen and the story of the rise and fall of the great Ho Shen, Privy Councillor and minister of state of the emperor Ch'ien Lung. At the public lecture on Thursday, February 15, Mr. Hung will share with the university community what he has learned of this great statesman and adventurer and what he has discovered regarding the Shu Ch'un Yuan, the magnificent garden Ho Shen developed, a rival in grandeur to imperial gardens. The Shu Ch'un Yuan covered what is now the main part of our campus, including the lake, the stone boat and our beautiful "earth hills". We can

always count on entertainment and historical accuracy in all that Mr. Hung presents.

Women's College Faculty Meeting. The regular meeting of the Women's College Faculty will be held on Thursday, February 15, at five o'clock in the Deans's Residence. Tea will be served at 4:30.

Public Lecture of the School of Religion. The third lecture will be given on Friday, February 16, at 4:15 p.m. in Ninde Chapel. All members of our community are welcome. Dr. Ph. de Vargas will speak on the subject: "Early Jesuits in China". The lecture will be in English.

Prayer for the World's Christian Student Movement—On Sunday, February 18, there will be a service of prayer for the World's Christian Student Movement, at the time of the morning church service. A special offering will be taken for the Federation.

Report on Faculty Campaign Pledges. The Faculty Campaign Committee wishes to express its profound appreciation to the members of the faculty and staff for their generous response to the endowment Campaign. Pledges totaling \$92,000 have been received from 168 members with still a few to be heard from. This number does not include most of the Mission Board appointees who, due to uncertainty of their salaries, are not yet able to make definite pledges. But they have already begun to make contributions from month to month with varying amounts. It is, therefore, safe to say that when we have heard from the few who have not yet sent in their pledges, we will have reached our goal of \$100,000.00.

While we can rightly rejoice and congratulate ourselves on the success in reaching the goal in pledges, we must allow for a certain percentage of possible shrinkage due to genuine inability to pay in the future by some subscribers. Therefore, we welcome additional contributions from those who feel able to give further.

Notice from the Students' Welfare Committee Office. T'ang Tzu Ch'ing, T'an P'u Ch'eng, Chang Jung Kuang, Liu Jui Hsin, Liang Tzu Ts'ai, Li Chen Sheng, and Liu Shu Ts'un have withdrawn from the University on account of Personal affairs.

Notice from the Women's College Office. Tai Chen Yu, Yeh Hua Chuan, Tu Yen Ling, Huang Mei Hsin, Ch'eng Ching Jung, of Liang Hsiu Ch'iating, have withdrawn from the University during the Winter vacation on account of personal affairs.

Arrival of Mr. and Mrs. Morton. The School of Religion is glad to announce the coming of Mr. Thomas Ralph Morton who has joined the Faculty of the School for the spring semester through the influence of Mr. T. M. Barker and the kindness of The Mission Council of the Irish Presbyterian Church, Manchuria. He will give courses in the New Testament and also a new course in Rural Evangelism. Mr. Morton is an M. A. of Glasgow University and did his theological work in Trinity College of the same University. He came to China over eight years ago. During these years, he spent six months in the College of Chinese Studies (usually known as the Language School), three years in Y.M.C.A. work, and the remainder in evangelistic work at Hsin Ming Tung, Liao Ning. On his furlough he wrote a book called *Life in the Chinese Church* which was published by the British Student Christian Movement. Mr. and Mrs. Morton and their three children are living in No. 38 Yen Tung Yuan. Their presence is not only a great joy to the School of Religion, but also an enrichment to the University community at large. To them a hearty welcome is extended.

New Members of the Department of Journalism. The Department of Journalism as well as the Yenching Community extends a cordial welcome to these new members:

Mr. Hubert S. Liang of Shanghai has joined the faculty of the Department of Journalism. He will serve concurrently this year and probably during a part of next year as executive secretary of the Million Dollar Endowment Campaign Committee. Mr. and Mrs. Liang and their two small children are now living at No. 14 Lang Jun Yuan.

Mr. Liang has been a member of the staff of the National Committee of the Y M C A since 1928. At the same time he has served as a part-time lecturer in Journalism in the University of Shanghai and has been a special China correspondent of the *Detroit News*, the *Christian Science Monitor*, and *Time*. He was graduated from DePauw University in 1924 with a B A in Journalism and a year later took his M A degree at the University of Chicago. Thereafter for almost two years he was an editorial worker on the staff of the *Detroit News*.

Dr. Rudolf Lowenthal, a German Journalist, will spend this year in North China, studying the Chinese language and things Chinese. He plans to live in the Nan Su She, at Yenching, and has agreed to have charge of the course in Comparative Journalism during the coming semester, serving in an honorary capacity.

Dr. Lowenthal received his doctorate degree from Berlin University last July in Economics and Journalism. His dissertation dealt with the world supply and demand of newsprint paper. Previous to his studies in Berlin, Dr. Lowenthal has been enrolled in secondary schools and colleges in his native city of Schwerin, Mecklenburg, and had served on the staffs of publication in both Germany and France. He speaks English, French, Swedish, and Russian in addition to his native language.

Mr. Edgar Snow, correspondent in China of the New York Sun and the Consolidated Press, will teach the course in special feature articles, and advanced news writing. Mr. Snow is the author of a recently published book, *Far Eastern Front* which has been very favorably received by reviewers and the general public both in the Orient and in Western countries. Articles by him have also been published by leading American magazines and newspapers. Mr. and Mrs. Snow are living in the summer home of Mr. and Mrs. James Ch'uan, 8 Chun Chi Ch'u, Haitien. Mr. Snow is serving in an honorary capacity.

Mr. H. J. Timperley, China correspondent of the Manchester Guardian and a part-time worker in the Peiping bureau of Reuters, will teach the course in Correspondence, dealing with news agencies and the work of special correspondents. Mr. Timperley has recently returned to Peiping from a trip around the world. He has lived in China for many years. His early newspaper experience was in Australia. He is now living in the Peking Hotel, and will come out one day a week for consultation and research. Mr. Timperley is also serving in an honorary capacity.

Obituary—The Yangtze alligator died on Monday noon in the Biology Tank. Diagnosis of cause of death: probably too much excitement from tickling by visitors. He is being skinned and will appear later in the Museum case in the corridor of the Biology Department.

For Sale. A "Columbia" Phonograph with electric motor in excellent condition. The motor is the 'universal' type which is good for any voltage from 34 to 220 either A.C. or D.C. Can be seen at 63 Yen Nan Yuan, Wiant Residence. Price only \$200. A real bargain.

The University Greenhouse has at present a limited supply of cucumbers for sale. They are grown on the place.

SPECIAL NOTICES

Tennis Club Meeting. The official curtain-raising for the 1934 tennis season will take place at the President's House on Monday, February 26, at 4:30 p.m. There will be election of club officers for the year and open discussion of several matters such as court upkeep, dues, balls, and outside matches; tea will be served "on the club." All interested in playing tennis this season are most cordially invited to be present.

English Country Dancing—In connection with the Faculty Recreation on Monday evenings, there will be a group in English Country Dancing to which all who are interested are invited. No previous knowledge is required. This will be at 7:00 o'clock in the Boyd Gymnasium.

The Faculty Conference on Higher Education at the meeting on Tuesday evening, will consider the subject, "Laboratory Method in Science Teaching". The requirements of laboratory work in the sciences enter deeply into academic and curriculum problems in the University and a discussion of the subject should be of general interest. Invitations to be present and give opening addresses on the topics have been accepted by Professors W.H. Adolph, William Band, and J. C. Li, representing the three sciences which make most use of laboratory methods.

All members of the Faculty are invited to attend the Conference and participate in the discussion.

University Lecture. Note change of time for the University Lecture from Thursday to Wednesday, February 28, 4:15 P.M. in McBrier 103. The Lecture this week will be by Mr. H. J. Timperly, correspondent for *The Manchester Guardian*, and honorary lecturer in the Department of Journalism. Mr. Timperly's subject will be "East to West and Back in 1933," in which he will speak of his recent journey around the world.

The Department of Philosophy is anxious to secure copies of *Introduction to Reflective Thinking* by Columbia Associates (Houghton Mifflin), for reference reading by students in Reflective Thinking. Any one possessing a copy of this book will confer a favor by loaning the same to the Chairman of the Department.

Faculty Reading Group. As announced in last week's Bulletin, the next meeting on March 13, will discuss the general topic: *God in the Modern World*. In preparation, each member of the group should have read at least one of the following four books, all having already been introduced to the group:

Lyman, *The Meaning and Truth of Religion*
Horton, *Theism and the Scientific Spirit*
Van Dusen, *The Plain Man Seeks for God*
Gilkey, *What Can We Believe?*

Have your name placed on Mr. de Vargas' list for these books, or for Basil Mathews' *John R. Mott* which is also circulating.

The request for Van Dusen bore successful results, which encourages us to notify the group that Niebuhr's *Moral Man and Immoral Society* has been lost from the School of Religion shelves. It would be much appreciated if this also could be returned as promptly.

Exhibition. In honor of Washington's Birthday, an exhibition of pictures of Washington and scenes from his life is being held at the History Department, M 200. All are welcome.

Honors for the Biology Department. Last September the Sun Yat Sen Institute for the Promotion of Culture and Education in Nanking announced a series of competitive prizes for students in Biology, and asked the Biology Departments of 16 universities to send in the names of their best three students during the academic year 1932-33, together with evidence of their attainments, such as examination papers, theses, laboratory books, etc., and an official transcript of grades.

The results have just been announced: all three Yen-ching students stood high; Shen Shih-chang (1933) and Chang Tsung-ping (1934) stood *third* and *fourth* among the six in a *special class* to receive \$100.00 each, and Miss Hu Meng-yu (1933) stood *first* among eight in the *first class* to receive \$60.00 each.

International House Reunion March Third. The former members of International Houses including the wives and husbands of members are invited to a get-together on Saturday afternoon, March 3, at 3:30 P.M. in the P. U. M. C. Auditorium social rooms. An enthusiastic welcome awaits those who can arrange to attend. *Note the Change of date and time.*

News of Interest to the Yenching Members of the Phi Tau Phi Scholastic Honour Society of China. A recent letter from the National Secretary-Treasurer gives the following interesting news about the activities of the Society:

"The election of officers of the National Executive Council for the academic year of 1933-1934 has been completed, and the result is as follows:

President, Dr. Po-Ling Chang (Nankai)
Vice-President, Dr. J. L. Stuart (Yenching)
Vice-President, Dr. Y. G. Chen (Nanking)
Asst. Secretary-Treasurer, Prof. F. I. Li (Tangshan)
Asst. Secretary-Treasurer, Prof. T. D. Tsien (Nanking)

"The local chapters having voted unanimously in favour of establishing a Phi Tau Phi chapter at Nankai University; the National Executive Council has authorized the representatives of the aforesaid institution to proceed to organize the chapter.

"Dr. W.A. Riley, Past President of the American Society of Parasitologists, proposed by Lingnan Chapter for honorary membership, has been elected by the local chapters; and the election has been ratified by the National Executive Council."

A Proposal. Following the interesting study of our Campus gardens made by Professor Hung, I am moved to suggest that the committees concerned with names, (if there are such committees) consider ways of retaining some names indicative of the past history of our site. Toward this end I suggest that our main lake be named for the Garden of Ho Shen, namely the Shu Ch'un Hu, or Lake of Modest Gaiety; that our Shih Chou, or Stone Boat, be known as the Ho Shen Shih Chou; or Stone Boat of Ho Shen; and that some name connected with the Shao Yuan of Mi Wan Chung be selected for the south-western part of our campus.

Respectively submitted for public discussion,
L. C. Porter

Request to late Motorists. Motorists entering a compound gate late at night are again requested to use the door-bell and not the horn to wake the gate man. This kind consideration is especially appreciated by families near the gates with sick children.

Material for this Bulletin should be sent in writing to the Office of the President before Wednesday noon of each week.

Report of Ice Carnival. The emphasis in Yenching's annual ice carnival and winter frolic on February 10, was, willy-nilly, upon the frolic. Continued unseasonable warm weather had "rotted" the surface of the ice until skating events of any skill or consequence were impossible.

The committee had anticipated such a misfortune, and were prepared to turn the carnival into a gymkhana to a considerable extent. Events of various kinds were run off anyway, most of the time and interest were concentrated upon footraces, run in shoes on the ice, chair-races in which a boy pushed a girl sitting in a chair upon the ice, and similar laughable entries.

Mr. Chao Wu-shan, 70-year-old skater, once a skating exhibitor to the empress dowager, made a sporting effort to give the crowd some examples of the "stunts" which Tzu Hsi used to admire. The Yenching and Tsinghua hockey teams agreed that a real game was not possible but agreed to add to the entertainment by playing a period in the slush with mixed line-ups, the forwards being exchanged. Each squad managed to push in two goals.

During all this time, a festive atmosphere was being created from a *peng* built upon the marble boat by the Marine Band. Although the number of participants on the ice was less than in other years, the entire P'ing Hsi community and many guests from the city lined the banks to watch the fun throughout the afternoon, and jammed the auditorium for the evening events which were run off as per schedule.

If records could not be set up in other ways, carnival and frolic surely made history in the surprising number of persons contributing their services in a variety of ways to provide a program. Proceeds from the admission tags sold will be allocated by the men's faculty athletic council to the sports clubs which now carry the responsibility for intercollegiate competitions in Yenching. General University funds in the department of physical education in Yenching are now used almost exclusively for the promotion of the intramural athletic program.

The council, composed of Messrs. R. A. Wee, Harry B. Price, Stephen Ts'ai, R. C. Sailer and Vernon Nash, wish to extend their most hearty thanks to all who helped in any way during the day. Special acknowledgement is due Col. P. M. Rixey, Sergeant August A. Olaguez, Band Master, and the members of the Marine Male Quartet; to Hirschbrunner's for announcements during their time over XOMO; to the San Yu and Yenching Presses for contributions of printed materials; to the Chronicle for advanced publicity; to Mr. Chin Yu-shan, national shuttlecock champion for his special exhibition; to the staff of the Department of Physical Education for Women in Yenching, Miss E. Stone and Miss Y. M. Ch'en for the coopted service; to those two numerous to mention who served as judges and officials during the day, and who performed on the stage or behind the scenes in the evening. Unusual time and effort were given by Miss Doris Cummings in the direction of the English Country Dance by a faculty group, by Mrs. H. E. Shadick in the preparation of the pageant of historical characters, and by Miss Eleanor Lee Waddell in the designing of the souvenir program.

Results of competitions are as follows: Fancy dress costumes: first prize, Cheng Li-hua; second, Tai Ken-fan; third, Miss Helen Wilson; honorable mention, Chang Tsung-min. Wu Pei-heng, Ann and Hugh Nash (joint stunt).

Children's race: Chin Chen-pin, Chow Feng-ming, Hugh Nash

Interclass chair-race: Sophomores, Freshmen, Juniors

Marine race: Bassua, Hulnich, Wee

200-meter race: Hibbard, Yuan Sung-ling, Liao Fu

Women's 200-meter race: Misses Penshy, Lo, Hibbard

A faculty team, composed of Wee, Shadick, White, and Price, won the 800-meter relay race for men, with the Freshmen and Seniors taking second and third places.

The Sophomore team, composed of Misses Hanson, Penshy, Yen and Wu, won the 800-meter relay race for women, with the Freshmen and Junior teams taking second and third places.

The day's events started with a faculty-student tug of war on the ice, the participants wearing shoes instead of skates. The faculty members were more successful (or lucky) in finding cracks into which they could dig in, and pulling the rope hand over hand (which was permitted by the rules) twice dragged the student team entirely over the line. The afternoon program was ended by the singing of alma mater and the setting off of a giant Cantonese string of firecrackers.

Final financial returns have not yet been audited, but team funds will be increased by approximately four hundred dollars.

SPECIAL NOTICES

English Country Dancing Group will meet this week at 6:45 p.m. so that those who wish to attend the song recital at 8:15 may easily do so.

Song Recital. Mr. L. Molojatoff, an operatic baritone singer, will give a song recital on Monday evening, March 5, at 8:15 o'clock in Bashford Auditorium. He is a very promising young singer who is now attached to the Harbin Opera Company. He has appeared with great success in concerts in Tientsin, Shanghai, and Japan and has made ten records for the Columbia Phonograph Company. His program will consist of Russian music entirely made up from selections from the most famous operas, also from the beautiful art songs of his country and from the unusually rich store of folk-songs out of which present day Russian music has come. It will be an education as well as a pleasure to hear him. Reserved seats at \$1, and general admission tickets at 40 cents are on sale at the Bookstore.

Note on Rural Reconstruction Discussion. An effort is being made by the Committee to secure Mr. Liang Chung Hua, the co-founder and leader with Mr. Liang Su Min of the Tsouping Institute of Local Government, to address the group next Tuesday evening on the Tsouping Experiment. If this effort should fail, home talents are ready either to present the same topic or to give a report of a recent visit of some of the projects within the general movement of rural reconstruction located along the Nanking Shanghai Railroad. Welcome as usual is extended to everybody interested.

The group has still an outstanding bill of \$4 90 for mimeograph work to pay. Please bring 20 cents along to the meeting and help defray this expense.

An Abbreviated Story of Chinese Philosophy. In response to a number of inquiries regarding the course of ten lectures in Chinese Philosophy to be given in Peiping, Mr. Porter has consented to repeat the lectures at Yenching if there are enough people interested. Any members of the community, students or faculty families or visitors, will be welcome. There will be neither fees nor credits connected with the course. All who are interested are invited to meet in McBrier 126 on Wednesday, March 7, at 5:15 p.m. to discover whether the course will be given and what time is most convenient for those who desire to take it.

Beginner's German Class. The number of students expressing interest in the proposed beginning German course was far beyond expectation. It would be impossible to make much progress with so large a group meeting but once a week. Lower division students seriously interested in learning German should avail themselves of regular University credit courses.

The present study will of necessity be limited to upper division and graduate students, and to faculty or staff members, willing to take an active part in a weekly two-hour class involving considerable outside work. It is planned to take up the rudiments of grammar and conversation, following which particular attention will be devoted to scientific German.

A meeting of those interested on this basis will be held in room 115 B (Physics Department) on Wednesday evening, March 7, at 7:30 o'clock, at which time Mr. Loehr will explain the details. Anyone unable to be present should get in touch with Mr. Worley office 116 B) before the meeting.

(The translation is being printed in the University Weekly)

University Lecture. Mr. Timerley will continue his interesting informal account of his journey westward from Peiping back to Peiping in 1933.

Notice from the Students' Welfare Committee Office—Cheng Ta Tung and Chen Chia Chi have withdrawn from the University on account of personal affairs.

Last Call For Changes In University Fees. The Admissions Bureau of the Office of the Director of Studies is publishing the Entrance Information Bulletin for the coming year. In this Bulletin is usually included a list of the University fees payable during the year. The manuscripts have already been sent to the printers. Any changes of fees could still be effected in the Bulletin, if the Office is notified within the next week. It is to be understood that the Office of the Director of Studies is only handling the announcement in this connection of such changes, and is not authorized to approve the same. If the changes should require University approval, they should be directed to the proper authorities first.

Faculty Book Club. *Little Man What Now* by Hans Fallada has just been purchased and put on the club shelf.

PERSONAL NOTES

Died. Little Katherine Sailer died on February 26 of pneumonia at the P U M C. Services were held at the Sailer Residence and burial took place at the University cemetery.

Mr. and Mrs. Hildabrand. Send their best regards to all their friends at Yenching. They are planing to go to America on April first for six months, and hope to see other friends there.

REPORTS AND ANNOUNCEMENTS

A Song Contest has been organized in order to provide suitable material for the weekly Assembly of the University. Students are asking for more group singing and we have not sufficient songs. All songs submitted will be used in the compilation of a Yenta Songbook, so winning the prize is not the only incentive towards writing a song. Every one who will, is urged to help the University in this new venture. The regulations for the contest are as follows:

Regulations for the Yenching University Song Contest

1. A prize of \$20.00 will be awarded for the best song with words.
2. A prize of \$10.00 will be awarded for the second best song with words.
3. The words can be written either in Chinese or English.
4. The music should consist of an original melody. If it can be arranged for group singing, it should be so prepared—otherwise the written melody will be sufficient.
5. Words must have sentiment expressing the ideals and purposes of Yenching University.
6. Any student or faculty member either formerly connected with Yenching or at present on the campus is eligible.

7. Manuscripts should be handed in to the President's Office by April 1, 1934.
8. Manuscripts should not bear the name of the writer but it should appear only on the outside envelope in which the manuscript is sealed.

**JANUARY AND FEBRUARY ACADEMIC SUMMARY FROM THE OFFICE
OF THE DIRECTOR OF STUDIES**

Punctuality in Handing In Grade Reports For the Last Semester

The faculty has reason to be proud of its fine record in the matter of turning in grade reports to the Office for the last semester. Altogether only three members have been delinquent and they are all part-time lecturers. It is safe to say that the hearty cooperation and sense of responsibility on the part of the faculty as demonstrated by this record is difficult to find elsewhere in China or abroad.

Spring Enrollment Of Students

As reported in the Registration Table published in the preceding issue of the Faculty Bulletin, a total of 769 students are registered in the University for the spring semester. This marks a record for spring registration in the history of Yenching. The figure for the last spring was 692, which was, however, specially small due to special reasons.

Faculty Interest In Rural Reconstruction

The fear that the faculty interest in the general problem of national rural reconstruction for China might be a fad of the time should be definitely dispelled by now. Throughout the autumn semester a biweekly faculty discussion on the various phases of this general topic was held and well attended. During the cold winter recess a group of 23 people, mostly faculty members, took a visitation trip from Yenching to Tingsien, and a symposium on this visit occupied one of the discussion meetings this semester. Yenching is further fortunate in having had Mr. Chen Chu Shan and Dr. James Y.C. Yen of the Mass Education Movement as guests on the campus at different times during the last few weeks. Individual interviews as well as group conferences have been held by members of the Yenching faculty with these leaders of the rural reconstruction movement. One should also recall at this point that Dr. Chū Shih Ying of the same organization has also addressed the faculty discussion group, and Dr. Monroe T'ang conducted a seminar course in our Department of Sociology last semester. These contacts will not only bring the two institutions into closer mutual understanding, but will also lay the foundations for any cooperative scheme that might be developed to the benefit of both.

Dr. Manniche of Denmark gave a public address on the Danish experience in rural reconstruction in the University Assembly at the beginning of the semester, and followed it up with a faculty discussion that same evening. Other phases and problems of rural reconstruction will be studied by the faculty group during the coming months, and effort will be made to arouse interest among the student body as well.

Preparation For Admission of Students

The Admissions Committee had completed its deliberations before the end of the last semester in preparation for admission of students next spring. The scope, standards, and procedure for admission will be about the same as those of last year except that a new experiment will be tried in the admission of foreign students. The examination for qualified students from accredited schools will be given on Saturday, May 12, the ordinary entrance examination will be given on Monday, July 23, and Tuesday, July 24, while the examination for foreign students will be given on Friday, May 11, and Saturday, May 12. Entrance information material is being prepared for publication in the Admissions Bureau.

Plan For Military Training.

The University Faculty Executive Committee has taken action to enforce military training as required by the Government regulations beginning next fall with the Freshman Year.

Registration of Comprehensive Programme of Studies.

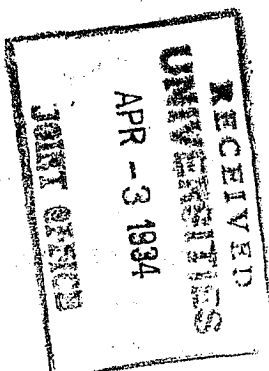

In accordance with the Plan for More Efficient Educational Guidance included in the Report of The Committee on Academic Policy and adopted by the University Council last spring, the Freshmen Doyens are making preparations to help the Freshmen students to map out a comprehensive programme of studies for the following three years, leading to their graduation from the University and preparing them for the fields of study or activity in which they are interested. In this endeavor, the department chairmen concerned will be asked to help.

Tennis Club. A meeting of the Tennis Club was held on Monday, February 26. The new committee for the year was elected: Mr. J.C. Li, President; Mrs. Ruth Chou, Secretary and Treasurer; Mrs. William Band, and Mr. Vernon Nash. It was decided that dues shall be \$15 for the year: \$8 for the Spring Semester, March through July 15; and \$7 for the fall semester, August 15, through November 15. If a sufficient number of members apply for a beginner's court, one will be reserved. This arrangement will be tried for one month.

Membership is open to all Yenching faculty and staff. A List of rules is posted on the board at the tennis courts.

Trip to Tsouping and Taishan. A faculty-student trip is being planned for the spring vacation to cover Tsinan, Tsouping, Taishan, and Chü-fu. As this trip entails much time and work in making the necessary arrangements, a special meeting is called for Tuesday, March 13, at 7:30 p.m. sharp in Sage 103. Everybody interested is asked to attend or send a representative, as arrangements must be made for the exact number of people involved.

Suspension of Radiograms Via AC2RT. Owing to pressure of other work we are sorry to announce suspension of all message handling between Yenching and U.S.A. until about April 20, 1934.

Notice from the Students' Welfare Committee Office. Wang Chueh has withdrawn from the University because of illness, and Chen Tzu Tun has transferred to the Wireless Station in Shanghai.

Miss Mata's Danoing Class. Eight women and four men have signed up to join Miss Mata's class, if the cost is not too great. The charges for joining the class will be: faculty \$1.20 per hour and students 70 cent per hour. If more people join the prices may be lowered.

Tungchow offers quiet, pleasant surroundings for July and August—airy rooms, screened porches, modern bathrooms, electricity, wholesome meals, pure drinking water, tennis, and convenient trains for Peiping commuters. Terms \$3 a day (American plan). Special rates to conference groups. More detailed information may be had by applying to North China American School, Tunghsien (near Peiping), North China.

The Foreign Women's Aid Association is always grateful for any old clothes and shoes for women and children which they receive. Those who have things they would like to give the Association, can send them to Mrs. Shadick, 55 South Compound.

Map of Greater New York. The National Geographic of November, 1933, carried a large aerial photograph of Greater New York, on the back of which was printed the corresponding line drawing, appropriately labeled. In order to mount the air-photo ("map-wise") and retain this sketch, a photographic plate of the latter was made. If others would be interested in securing prints of this sketch at sixty cents each, kindly notify R. E. Worley. A copy (8½" x 11") may be examined by enquiring at the President's office.

PERSONAL NOTES

From Miss Cheney. Miss Cheney writes that she manages to keep busy with church work, mission study classes, and now and then a missionary address. "I enjoy it all, and am happy to be able to do it, but 'the heart that's in China'—you know!.....Last week I had an especial treat. Dr. Fong Sec (Laura K'uang's father) was guest speaker at a Rotary banquet at Eau Claire sixty miles from here; and friends invited me to go. The Rotarians in charge gave me the seat at Dr. Fong's right—and it was a most enjoyable evening. He had the pictures of Laura's wedding, which I was glad to see. And I was very happy over his address on international friendship.....Please give my most cordial regards to all my Yenching friends. I miss them *much*, but I'm with you all in spirit very often."

From C. F. Wu. "Dear Friends: We have been here in Ithaca exactly five months and we are glad to inform you that we are coming home this fall.....I expect to complete my work around the middle of April. We will then leave Cornell and spend about eight weeks in visiting the museums in Philadelphia, Cambridge, New York, and Washington. We will sail for Europe some time in June and will sail for Shanghai in August, expecting to arrive in Shanghai before the middle of September.....We are very grateful to our friends for many interesting letters and news and we want to apologize for not having been able to keep up with our correspondence. We would like to request that from March 15 to June 20 all mail intended for us be addressed care of Dr. N. Gist Gee, 150 Fifth Avenue, New York.....Our stay in Cornell has been very pleasant, and I only wish that I could have more time to go further than merely cataloguing the Chinese species of insects.....In the mornings Mrs. Wu stays at home and attends to housekeeping responsibilities but in the afternoons she comes with me to Bailey

Hall and sometimes helps me in copying some drawings. She has joined the Campus Women's Club and has thus become acquainted with many of the faculty wives. . . . I have given two talks on *Higher Education in China*, and later Dr. Hunter of Tungchow and I are going to give another talk on this subject to the Faculty Club. People here are getting more and more interested in the activities of the *Cornell in China Club*. . . . We are well provided with news from home from different angles and hear regularly from our daughter in Soochow. We are now looking forward to the pleasure of seeing you again in the near future. Mrs. Wu joins me in sending you our kindest regards."

Letter From Mrs. Faucett: "Lawrence is working like a fiend, trying to get a set of books ready for Bengal which he has been asked to prepare. The series have been a great success so far. Turkey has adopted them for use in all government schools for three years with an option on five years. The first edition was sold out some time ago. He also is holding demonstration classes at the Stamboul Licée, and has to draw up a report for the Government next month. He had a strenuous time in London where the India Office put a desk at his disposal so that he could work on this Bengali Stuff. He saw Malbeth whom we have left in a splendid school at Bournemouth, who is getting wonderfully English!"

SPECIAL NOTICES

The University Service at 10:30 a.m. in Ninde Chapel on Sunday, March 18, will be in the form of a service of song and praise. The choir will sing two anthems: one from Mendelssohn's "Hymn of Praise" and the other, Franck's setting of "Psalm 150". Mrs. Bliss Wiant will sing two solos. Mrs. Wu Wen Tsao and Mr. Ts'ai Yung Ch'un will assist with special readings and prayers. There will be no sermon. Except for the special musical numbers, the entire service will be in Chinese.

Special Lecture. Mr. Bruce Hopper is an authority on conditions in Russia. He will speak of his impressions of Soviet conditions as he saw them recently. Mr. Hopper has just come from Russia to China and is looking into conditions here.

The Campus Supper will be held on March 19 at 7:00 p.m. in Luce Pavilion. Any who have not signed up through the regular channels please notify Miss Wu Hsin Min, I Women's Dormitory, if they still wish to attend.

Preparation for Easter. Under the auspices of the Yenching Faculty Women's Association two meetings in preparation for Easter will be held at the home of Mrs. Learmouth. The first one will be on Tuesday afternoon, March 20, at 3:30 led by Miss Myfanwy Wood. The second one will be on Tuesday afternoon, March 27, at 3:30 led by Mrs. Andrew Ch'eng.

Discussion on Rural Reconstruction. The discussion at the next meeting will be based on a report of a recent visit made by one of our own number to the Wuhsi College of Education, The Hsihsia Rural Normal School, The Adventist Vocational College, etc. All interested are welcome to attend. A collection of 20 cents per person will be made this time to pay off a mimeographing bill charged to the group.

All who were present at the last meeting and heard Mr. Liang Chung Hua were given a vision of the type of indigenous Chinese leadership that we all hope will come up in China during the next few decades in her national reconstruction. Unfortunately the attendance was not a large one. The Committee has in mind for the subsequent meetings such leaders and topics as the following:

Prof. Lü Fu: *The Hsien Government in China*

Mr. Y. S. Djang: *Cooperative Credit Societies in Rural China*

Dr. J. B. Grant—*Rural Health Work*

But the Committee will proceed with the necessary arrangements only on the assurance that there is sufficient interest in the general movement and in these specific topics.

The Faculty Women's Association group organized for the study of *Chinese Culture* will meet on March 22 at 8:15 p.m. at the home of Dr. and Mrs. J. F. Li. Dr. Li will speak on *Chinese Porcelain* and will display his own interesting collection. The hostess will appreciate very much hearing from each member of the group whether she will be present, accompanied by guests or not.

Several opportunities were given earlier in the year for any member of the Women's Association to join this study group. If there are those who have not already done so and still wish to attend they may send their names to Mrs. Wu Wen Tsao or Mrs. Wiant. Anyone not already a member of the Association may also join by paying \$1.00 to Mrs. Wu.

Health Week. As announced in last week's *Bulletin*, this week, March 19 to 24 is Health Week, arranged under the direction of the Women's College, Department of Physical Education. Below is the program, some items of which will be of interest to the whole University:

If there are any faculty, students, or others who wish to be baptised or to have their children baptised, or any who are considering making public confession of their faith by uniting with the Church, it would be appreciated if they will communicate with one of the chaplains immediately.

Clergy Fare Certificates. This is the second notice announcing that application blanks for Clergy Fare Certificates for the use of faculty and staff members who are planning to go to the United States this year, may be obtained in the President's Office. It is important that those wishing to make use of these should send their applications as early as possible to the United States.

Spring Vacation Trips. Spring Vacation is coming and the faculty and staff are reminded of the splendid opportunity afforded for outings to the Hills. Why not reserve this time to get better acquainted with your students or colleagues outside the class-room? Plan a trip with your students or, if you prefer, join one of the outings being planned by the Social Department of the Christian Fellowship. These include a trip to the Great Wall, to Chiu Lung Shan, and to T'an Chê Ssu and Chieh T'ai Ssu. Further announcements will be made later. If interested, please send your name to Miss T'an Su Ch'ing, III Dormitory.

Open Week in Ting Hsien. Friends of the Mass Education Movement who would like to visit Ting Hsien this spring are urged to do so during the first week of April, as special arrangements will be made at that time to enable them to become acquainted at first hand with the phases of the work.

In order to facilitate the making of schedules, it is earnestly requested that visitors plan to spend *April 2, 3, and 4, or April 5, 6, and 7* in Ting Hsien. A visit shorter than three days is not recommended.

Visitors are requested to communicate in advance with the *Business Department*, Tingsien, in order that provision can be made for their accommodation in the inns of Ting Hsien. Visitors should bring their own bedding, and camp cots if required.

Use of Tsing Hua Library—Members of the faculty and students who wish to have Library privileges in the Tsing Hua Library must present to the Librarian there an official introduction, which can be obtained only from Mr. Hsieh Ching-sheng in the Chinese Secretarial Bureau.

PERSONAL NOTES

Miss Burtt—The Yenching Community will be glad to hear that word has come from Miss Burtt saying that plans have been made for her to return to Yenching. We hope to hear soon the dates of her arrival. On her return to China she will first spend a few months at the College of Chinese Studies.

From Chao-ying Meng: "I am glad to say that the second term of study is well under way with me. I am carrying about the same courses as last term and I enjoy them tremendously both in the courses themselves and in the way they are arranged and conducted here. I recently started on a research problem, assisting Professor Potapenko in his work and then I can choose any one of the following two topics: First, Interstellar Communication; and second, Communication with Ultra-Short Radio Waves. In the meantime I am practicing making special vacuum tubes for the production of Ultra-Short waves—radio waves of wave length of the order of one centimeter or less. . . . It is a great pleasure to me to say that the work of Professor Hsieh with Professor Houston here has raised high praise in the scientific circle. I think that the quotation from 'Science Letters' will give a better picture of their work than I can depict. . . . 'The most highly developed parts of that highly developed field of the new physics, quantum mechanics, are not good enough to predict the results of clever experimenters. The Zeeman effect, which describes the behavior of an atom in a magnetic field, and the light given out by the hydrogen atom are the subjects under fire. So complacent is the physicist about these matters that the discrepancies would not be believed were they not put forward by the highest authority in the field. Prof. V. W. Houston, who has announced these results obtained at the California Institute of Technology with the collaboration of Prof. Y. M. Hsieh of Yenching University in China and L. E. Kinsler, a graduate student, is known to have done the best experimental work in both these fields. He is at the same time one of the country's foremost theoretical physicists so that his interpretations must be considered as quite reliable.

'In the other experiments with Prof. Hsieh on the fine structure of the hydrogen spectrum the results are startlingly different from the predictions of the equation of Prof. P. A. M. Dirac, British physicist. This equation represents the pinnacle of achievement in theoretical physics and was the main contribution of Prof. Dirac, who recently was awarded the Nobel Prize. But Prof. Houston and Hsieh show that even this equation is not good enough for exact work.'"

SPECIAL NOTICES

Easter Sunday, April 1

9:30 a.m. Easter Morning Joint Service

Leaders: Mr. L. C. Porter, Mr. J. F. Li

Preacher: Dr. J. L. Stuart

Subject: "Life Indissoluble"

This service will be held on Luce Island if the weather is fair, otherwise in Ninde Chapel. The sacrament of baptism will be administered, and new members received into the Christian Fellowship. There will be special music by the Vesper Choir and the Yenching Chorus. Both English and Chinese will be used in this service. The other regular Sunday services will be omitted.

Conference on Higher Education. The subject for consideration next Tuesday evening is, "Yenching's Function in the Synthesis of Chinese and Western Culture. The report of the League of Nations Mission of Educational Experts to China, published last year, asserts repeatedly that Education and culture from the West must be more completely integrated with China's own culture. Schools and universities, so it is stated, are much too foreign. If these criticisms are just, what changes should be made, and in particular, what should be the attitude and policy of Yenching?"

It will be noted at once that Harvard-Yenching Institute bears a special relation to the general problem. In view of this, and for other reasons, Professors William Hung and Lucius C. Porter have been invited to be present, to introduce the theme with short addresses, and to take part in the discussion. All members of the faculty are invited to be present and participate.

Another printed letter by Dr. Stuart is being mailed to the members of the Advisory Council in America and other University friends. If members of the faculty desire copies for a similar purpose they may be obtained from the President's Office.

Book Club for Children. Plans are being made for the formation of a Book Club for children of all ages, similar to the Faculty Book Club, but with much lower dues, especially for those who can lend books

for the Club's use. Books and magazines on child training will also be available. All parents who are interested, please get in touch with Mrs. Henry Chou, as soon as possible.

An Art Exhibit of rare interest is scheduled for our community beginning with Sunday, March 25. The artist is our own student, Mr. Chin Ch'ing Po (Ginpoh King), a graduate student in Biology, and an alumnus in the class of 1933. He has just given a very successful exhibit in Peiping and now gives us the opportunity to see his work on our own campus.

His pictures are mostly of birds and of subjects pertaining to nature and the natural sciences, thus reflecting his scientific interests in an artistic form.

This exhibition will be free to all these who wish to avail themselves of the opportunity of seeing it. The proceeds from any sale of pictures will be donated by the artist for the purpose of augmenting the Endowment Fund.

Time: Daily beginning with Sunday, March 25

Place: Warner Gymnasium, second floor room, south end

Exhibition. The Yenching University Library is planning an EXHIBITION of the following items, on April 28 (Home Coming Day) and April 29:

1. Publications of the University: Colleges, Departments, Offices, and other organizations in the University;
2. Works of individual faculty members, graduates and undergraduates;
3. A selection of rare books possessed by the University Library.

It is hoped that items under 1 and 2, if not already in the Library, may be sent to the Librarian before April 15 together with a brief description of each work. If some of the works are *for sale* during the EXHIBITION, the Librarian will be glad to receive copies and will arrange to place them on sale.

It is hoped that the list of all the items for EXHIBITION will be compiled on April 15 and 16, and printed before April 28. The

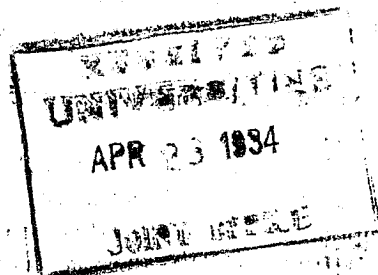

cooperation of all the faculty and student members of the University is cordially requested.

Summer Cottage for Rent. The cottage at Rocky Point, Peitaiho, belonging to Mr. and Mrs. Howard S. Galt is for rent for the coming summer. If desired, the cottage may be taken consecutively for the next two or three summers. Inquiries may be addressed to No. 59, South Compound.

E

A WORD ON THE STUDENT DIVISION OF THE MILLION DOLLAR CAMPAIGN

All of us probably have a vague idea that the students are also trying to do something for the Million Dollar Campaign, and that they have set their goal at \$400,000.00. Beyond this our idea is probably not any too clear, and most of us, no doubt, would want to know more. Hence this brief statement.

Since the mass meeting last fall at which some general principles were decided and a good deal of enthusiasm stirred up, a Student Campaign Committee has been organized. The first step taken by the Committee was the organization of *Shih-Jen-Tuan* or Groups of Ten. Some eighty such Groups have been organized, partly by choice and partly by assignment. Several meetings have been arranged of the leaders of the Groups with the Campaign Committee and certain officers of the University. It is hoped that every member of the Group will pledge a minimum annual personal contribution of \$25.00. The pledge cards are already distributed and the Group leaders and the Campaign Committee are making strenuous efforts at getting a 100% result. The Assembly talk by Mrs. C. F. Wang last Tuesday was arranged with this purpose in view. Naturally some students are better off and some worse financially. For the former the \$25.00 minimum is not much of a problem, and it is hoped that they will be able to contribute according to their ability. For the latter it works a good deal of hardship, and yet heroic efforts are being made. A number of them have decided to do their share by working for the money. Much planning is taking place as to how this annual amount might be earned. Faculty suggestions to individual students or to the Campaign Committee will be appreciated.

It is expected that before the beginning of the Spring Vacation all students will have signed their individual pledges, and soon after they will be able to proceed with public solicitation. This will be done, however, also in a thorough-going and systematic manner. The idea is to cover the field in the most effective way and without duplication.

On the whole, one feels confident in saying that there is serious concern on the part of the student body in the welfare of their Alma Mater in spite of the frequent criticisms and comments about it. While the faculty contribution must have meant some sacrifice on the part of individual faculty members and their families, it might be encouraging for us to feel that our students are also doing their best in this common task that is so worthwhile.

PERSONAL NOTES

From Dr. George Barbour, Shanghai: "I arrived yesterday. The plans arranged for my work have been modified since the time I wrote and we shall probably go to Hangchow on Friday thence to Nanking and Kuling, possibly proceeding to Hankow, and in any case landing in Peiping early in May. The serious accident to Dr. Wong Wen-hao coming with the death of Dr. Black put the Survey to a terrible strain and my prior duty seems to be to help as best I can. Please share this news of my movements with those of my friends whom I had rather counted on seeing sooner. Please also ask that any mail for me be rather carefully laid aside until I can send instructions for it to be redirected."

Miss Burt's Return—A letter of February 10 says "I think I really am coming back to you for the next six years anyway as a recognized Friends' Service Council worker." The recent cable of course has confirmed this good news. She is sailing May 11 on the Conte Rosso from Venice, which arrives in Shanghai June 4. She hopes to stop in Hangchow and Nanking and perhaps Taishan and reach Peiping in time for the summer term at the Language School.

PERSONAL NOTES

Mr. Wu Lei-oh'uan left on Tuesday for Hangchow because of the death of his aged brother. We deeply sympathize with him in this bereavement. Mr. Wu will return to Yenching in about a month.

Material for this Bulletin should be sent in writing to the Office of the President before Wednesday noon of each week.

**HOW IS THE MILLION-DOLLAR CAMPAIGN
COMING ALONG?**

It is in answer to the above question which must be uppermost in the minds of those who are deeply concerned with the future of Yenching University that this statement is given.

Generally speaking, it can be said that the Campaign is making satisfactory progress. One of the most important steps taken thus far is undoubtedly the lining up of the "sponsors" or Tsan Chu Jen who represent a selected group of outstanding leaders of various walks of life of this country. Some of these "sponsors" have already started working for the Campaign and are obtaining gratifying results.

A private letter has been received indicating that one of the friends of the University has himself contributed one-third and secured from two other sources equal amounts making a total of \$30,000 to be paid over a five-year period. While this is not a formal pledge, it is an encouraging bit of news.

Another "sponsor" sent in a check for \$4,050 toward the Endowment Fund about two weeks ago shortly before sailing for the United States. Still another "sponsor," contributed on behalf of the Sin Wan Pao \$1,000 toward the journalism work of Yenching.

The alumni groups in Peiping, Tientsin, Nanking, and Shanghai are organizing themselves for the drive. A letter has been received from the alumni group in Foochow pledging their best support to the Campaign. Alumni in the other centres are expected to respond likewise. The general strategy adopted by these groups as well as by the student body on the campus is first to solicit among themselves and then among a selected constituency composed mainly of their relatives and friends.

The Peiping alumni, who started the drive among themselves last week, hope to have it completed by April 17 in order that they can devote their whole attention and energy to the larger Campaign. The students are also quietly canvassing among themselves. When this process is completed, they shall then be in a position to play their part in securing contributions from outside. The faculty

pledges have almost reached the objective of \$100,000. According to a report from the Treasurer's office more than \$9,000 has already been paid in.

Thus the Campaign stands. What has been done or accomplished constitutes a very small beginning of a gigantic task. There is a long, long way to go yet before we reach the final goal of \$1,000,000. But we shall eventually get there if all of us, faculty members and students, alumni and friends, are unitedly determined to make the Campaign a full success.

**MARCH ACADEMIC SUMMARY FROM THE OFFICE OF THE
DIRECTOR OF STUDIES**

Visit of Inspectors from the Ministry of Education:

The six especially appointed Inspectors of Higher Education from the Ministry of Education were guests on our campus Saturday, March 31. In the course of a very thorough inspection, special attention was paid to classroom conduct, office efficiency, equipment of the science departments, library books, student life and athletics. The administrative officers of the University entertained them at lunch, and the faculty held a reception in their honor in the afternoon. Before leaving, they gave informal expression of satisfaction over several phases of the University.

Interdepartmental Cooperation in the Training of Major Students:

In pursuance of the recommendation in the Report of the Committee on Academic Policy, several departments are making plans to develop an interdepartmental program or programs for the training of students in their major studies. A concrete plan has been drawn up by the departments of Education and Music in this direction. Although such plans will raise certain problems under the present arrangement of academic administration, the Deans' Committee feels that the principle involved is very valuable and that the plan should be given a trial. It is hoped that experiences from this experiment will serve as a basis for a set of general regulations to be drafted at a later date.

Scheduling of Sophomore Courses:

The effort to schedule in a systematic way all of the Freshman courses last spring seems to have produced satisfactory

results. Plans are being made to extend this systematic scheduling to the Sophomore level this spring with a view to eliminating as much conflict and securing as much freedom of choice for students as possible. Faculty members concerned will be invited to participate in a conference on this matter soon after the spring vacation.

Current List of Thesis Topics :

Following the practice of last year, a list of the topics of theses that are being prepared by the candidates for the Master's and Bachelor's degrees at the coming Commencement has been compiled and printed by this office. Copies of this list have been distributed to members of the faculty concerned through departments. Extra copies may be had upon application at the Office by officers of the University either for personal interest or for other useful purposes.

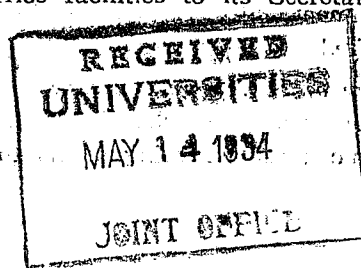

A comprehensive catalogue of all the graduation theses in Yenching has also been prepared by the Librarian. The Council at its next meeting will decide whether the catalogue should be printed and how widely it should be distributed.

Revision of List of University Fees :

Beginning with the next academic year, certain modifications to the list of student fees payable to the University will become effective. The notable modification is the increase of laboratory fees to bring them more in keeping with the actual cost of students' work in the laboratories.

Council of Secondary Education.

The Council of Secondary Education of the Christian Educational Association has called a conference for April 24-27 at Shanghai. The University has asked Professor Galt to attend the conference as its representative. Efforts are being made to reorganize the Regional Association of Secondary Education in North China. Yenching has promised to make its contribution to the Association by providing living accommodations and office facilities to its Secretary in the University.

His subject at the University Service on Sunday, April 15, will be "The Christian's Faith."

In preparation, our own drill masters are having special practice which will include the whole day Tuesday, April 17. For this reason there will be no University Assembly on that date.

Address by Dean Graham. Dean T. W. Graham of the Graduate School of Theology, Oberlin, Ohio, will give an address on Tuesday, April 17, at 4:15 p.m. in Ninde Chapel, entitled: "St. Paul, the Prisoner, Speaks", impersonating St. Paul. As Dean Graham is a very interesting and inspiring speaker, it is hoped that many of our faculty and students may be able to hear him. This address is given under the auspices of the School of Religion.

Tuesday Evening Faculty Discussion. The discussion on rural reconstruction will be postponed one week in favor of Dean Graham's address, and the conference on teaching for April will be omitted.

Dean and Mrs. Graham are visiting China and will spend the coming Tuesday in Yenching. It has been felt appropriate to have him meet with and address the faculty group on Tuesday evening, April 17.

Dr. John B. Grant of the P.U.M.C. has consented to lead the faculty rural reconstruction discussion group on Tuesday, April 24, on the subject of "Medical Service in Rural Reconstruction in China."

Campus Supper. The next campus supper will be held on Wednesday, April 18, at 6:30 p.m. in the President's House. Any who have not signed up through the regular channels, please notify Miss Wu Hsin Min, I Women's Dormitory, if they still wish to attend.

If you have signed up for this study group please notify the hostess if you expect to attend, with or without guests.

Special Meeting on the Oxford Group Movement. In compliance with the desire of the Faculty Reading Group, arrangements have been made to ask Mr. Gardiner Tewksbury to lead a special discussion meeting on the Oxford Group Movement on Thursday, April 19. At this meeting Mr. Scott Morton of the College of Chinese Studies will probably also be present.

Premedical Club Lecture. This lecture was given before the Peking Natural History Society in January and seemed to interest the audience greatly. Any one at Yenching interested is cordially invited to attend.

Library Exhibition. Books and reprints of articles written by members of the faculty or by students or alumni will be exhibited in the Library on April 28 and 29. To make this exhibit as complete as possible all are requested to send copies of their published works not now owned by the Library to the Librarian's Office this week so that a printed guide to the collection may be prepared at once. A receipt will be given for all material received.

Notice from the Women's College Office. Misses K'e Juei Yi, Chang Ch'ung Chiang, Wang K'e Jou, and Huang Hsiao T'ung have withdrawn from the University.

Chinese Music. Should there be any who desire to take lessons on the ku ch'in, the erh hu, or the p'i p'a from those who performed at the Assembly on Tuesday please consult with Mr. Bliss Wiant for schedule time. Mr. Tewksbury will stay in the Dean's Residence and take meals at the President's House. Any one who wishes to have an interview with him can make arrangements through Mr. P. C. Hsü.

Smallpox Vaccination. Will faculty members please inform the Men's Medical Office by Monday evening, April 16, of the numbers of their own families and of their servants who have not been vaccinated for three years. All such should be revaccinated. We require to know how much vaccine to order as we propose to begin vaccinating on April 18. (B. L. L. Learmonth)

Their native habitat is the high mountain streams of West and Southwest China. They were brought by hand to the P.U.M.C. Anatomy Department by one of the doctors who had been attending the Medical Conference in Nanking. Visitors welcome.

ALUMNI HOME COMING DAY HOLIDAY

SPECIAL NOTICES

Retreat for All Fellowship Members. On Sunday, April 22, from 2:00 p.m. to 5:00 p.m. at Ta Yuan there will be held a retreat for all the members of the Fellowship. The Retreat is in charge of Mr. Gardiner Tewksbury and will probably take the form of a meeting for making personal testimonies.

Immediately before the Retreat, at 2:00 o'clock a number of pictures will be taken (group pictures of Fellowship members, of officers of the various departments, etc.) These pictures will appear in the Annual report which is being prepared especially for the Annual meeting on May 11.

Faculty Rural Reconstruction Discussion. Dr. John B. Grant has kindly consented to lead the discussion next Tuesday evening. The topic will be something like "Medical Service in Rural Reconstruction in China". Those of us who were present at the Pre-Sessional Conference last fall and heard Dr. Grant's statement at the time are all no doubt eager to discuss with him more at length this line of rural reconstruction. Dr. Chen of Tingsien might possibly be with us also. The meeting will begin at 8:00 p.m. as usual and all interested are welcome to attend.

University Lecture. Professor George Birkhoff, the distinguished Mathematician of Harvard University, now lecturing at Peita, and who has lectured at several universities in Japan, has consented to speak at Yenching on some interesting new attitudes and movements in American Education. *Note the change to Friday.*

No Friday Fellowship Group. On account of the Home Coming Day activities, there will be no meeting of the Friday Fellowship Group on Friday, April 27.

Dr. Stuart left on Wednesday, April 18, for a short trip to Shanghai in connection with certain aspects of the Endowment Campaign. He will return in about a week.

Military Training Review. Because of financial and other reasons the University has not been able to continue the military training program during the present year. Therefore the Senior and Junior men students, who had undergone military training during the previous years were asked to participate in the military training inspection ordered by the Government inspector. An intensive review

schedule was worked out for part of last week and part of the present week. The cadets were given a preliminary inspection by the administrative officers of the University on Tuesday, April 17. The students appeared in good spirits, and the drill gave evidence of sound discipline. The official review took place on the Tsing Hua field on the following morning. Both Yenching and Tsing Hua cadets participated. The Government representative seemed well satisfied with the performance and made special mention of the spirit of the Yenching troop.

Because of the drill schedule, the class attendance of the students involved has had to be somewhat irregular during the last few days. This is not only necessary but also has proved to be worthwhile as evidenced by the results. The experience has demonstrated to the University and to the students themselves that military training can be properly conducted, and, when properly conducted, can be of great educational value in cultivating such virtues as discipline, punctuality, and organized social living. Therefore it is not only gratifying to see that we have been able to pass the Government examination with honors, so to speak, but also to think that military training can be undertaken by the University in a serious manner beginning with the next academic year.

Home Missionary Society Report. Printed reports are obtainable from Miss Bessie Wang or Mr. P. C. Hsü.

Notice from the Women's College Office. Miss Tso Hsiu Chen has withdrawn from the University.

Small pox Vaccination. School children will be vaccinated at school. Members of Faculty and staff and their wives and children, who wish protection against small pox, may be vaccinated in Sage Hall in the large Hall upstairs to the south on Monday, April 23, 10-11 A.M. Their servants, wives, and children may come to the same place on Tuesday, April 24, 10-11 A.M. University servants and workmen's wives and children may come to the same place on Wednesday, April 25, 10-11 A.M. Servants and workmen who cannot come at 10 A.M. may come to the Men's Infirmary in evenings from 6-6:30 p.m. (B. L. L. Learmonth)

The Attention of the South Compound Community is called to the new path which has been made for their convenience when going to the

front gate by ricksha or bicycle. From the South Compound turn left by the Boyd Gymnasium past the Women's Infirmary to the main road, where the short-cut path joining two sections of the main road has been widened, making quite a direct route to the main gate. Pedestrians on the walks in front of the dormitories will appreciate heartily the absence of rickshas and bicycles. Your cooperation is desired.

Yenching Craftwork sale. On Friday, May 4, in Sage Hall in accordance with its usual custom Yenching Craftwork is offering the local community a chance to buy its products at a ten per cent discount. This annual spring sale gives an opportunity for people leaving on furlough to supply their needs from the wide selection now available.

Percy Scholes' History of Music: It will perhaps help the borrower to return the book, as advertised by Mr. Bliss Wiant in the Bulletin of last week, by realizing that such return will help not only the Library but also Mr. Wiant to whom according to Library records the loan is charged.

(H. T. Tien, Librarian)

For Rent at Tai Shan—A cottage of four rooms and large sleeping porch, besides kitchen and servants quarters. Price \$250 for the season. Inquiries may be made of Mr. Perry O. Hanson, Taian, or of Miss Betty Hanson at Yenching.

PERSONAL NOTES

From Leonard Hsü: "Mrs. Hsü has been asked to teach in the Department of English at the University of Nanking. Her book, *Chinese Children's Rhymes*, with illustrations by Mr. Teng Kuei and a Foreword by Dr. John C. Ferguson, is being published by the Commercial Press.

"I saw Dr. Barbour at church. Also Mr. Tien at the railway station in Shanghai, and Andrew Ch'eng in Nanking, and shall have supper with Mr. and Mrs. Ts'ai today and the B. H. Li's. Please give our best regards to all our friends in Yenching."

David New to Northwest. Mr. David New of Ching Ho Experiment Station has been sent to the Northwest by the National Economic Council as an expert to organize rural industrial service there as a part of the Council's program in the Northwest. Mr. New received his B. A. and M. A. from Emporia College, Kansas. His M. A. was received in the Department of Sociology in 1932.

Material for this Bulletin should be sent in writing to the Office of the President before Wednesday noon of each week.

ENDOWMENT CAMPAIGN

First Report from the Front

The Peiping Alumni who had been devoting the last two weeks to a quiet canvassing among themselves made their first public report on April 17 at a meeting at the Alumni Association. The result as reported was \$18,424. This figure represents the fruit of the efforts of only 27 out of the 43 teams. The other 16 teams which did not report are expected to make their reports during the next few days and when their returns come in it is probable that the sum will swell to \$25,000. This is only the first step to be immediately followed by a wider solicitation among a well selected constituency composed mainly of the friends of the alumni.

The spirit of sacrifice behind some of these contributions is decidedly encouraging and inspiring. One alumnus who is well over sixty was approached for a contribution toward the Million-Dollar Endowment. In a most cheerful manner he subscribed \$50; his salary is only \$14 per month. "I want to do my part for the Alma Mater," he said.

In this connection, an American gentleman writes: "I am in receipt of your letter relative to the Endowment Campaign of Yenching University. I am enclosing my check for \$100. with my best wishes for a 100% successful campaign"

Concert by the Yü Ying Glee Club, directed by Mr. Li Pao-chen. The Glee Club of the Yü Ying Academy, Kung Li Hui, Peking, has just completed a concert tour to Tientsin, Tsinan, Nanking, Shanghai and Hanchow during the spring vacation. It is the first time any middle school glee club in China has attempted such a tour and it proved to be successful. The leading newspapers of the various cities where concerts were given gave excellent reports of the performances. The same program as was given on the tour will be presented to the Yenching community on Thursday, May 10, at 8:15 P.M. in Bashford Auditorium. The director of the program is our own graduate, of the class of 1930, Mr. Li Pao-chen, and the accompanist, his wife, Tsui Kuei-chen is a junior at Yenching. It is hoped that a large audience will attend this concert to enjoy the music, as well as to observe what one of our alumni is accomplishing in his chosen profession.

Lecture on Chinese Drama. Je Nao members are cordially invited to attend a lecture on the Chinese drama by Mr. George Kin Leung, of Peiping, at the Wiant residence, 63 Yen Nan Yuan, at 8:30 p.m., this Saturday evening, April 28. Please notify Mrs. Wiant whether you will be able to come.

Of the 10 candidates, 2 are from Tientsin and 4 from Peiping. Those in charge have thought it appropriate to ask these 6 candidates to come to Yenching and take the examination here on the campus. Among the 6, there are 4 boys and 2 girls. The Committee would welcome offers from faculty families to entertain one or two of these candidates. Those interested are requested to see Mr. Mei about details on Monday or Tuesday.

It is expected that soon no medicines will be given out without cash payment.

The Case of Mei Fu Bus Company. The Peiping District Court has at last delivered a judgment on the case between the University and the Mei Fu Garage. It upholds the contention of the University that the agreement with the Garage should be terminated because the latter has not lived up to the terms of the agreement.

On Friday, May 4, in Sage Hall in accordance with its usual custom Yenching Craftwork is offering the local community a chance to buy its products at a ten per cent discount. Peter Rabbit Joan Price. The family prize was awarded to the Henry Chou's, who challenged the alumni with everything from boxing gloves to bathing beauties. PERSONAL NOTES

From Dean Chou. "Here I am on the Baltic Sea on my way to Russia for an education tour. The party consists of about twenty people who are either directly or indirectly connected with education.... I left England two weeks earlier than the party in order to see Denmark. Hung Chün was very good to arrange everything for me, so we utilized our time to the best advantage. We even took advantage of Sundays and Easter holidays. Hung Chün is full of energy and spirit and I am very glad he came out. I am sure he will bring back to Yenching many new ideas. I have been in Denmark for two weeks during which we visited the Ministries of Education and Agriculture, technical colleges and schools, agricultural colleges and schools, folk high schools, experimental stations, domestic training schools of various kinds, and farmers' homes, etc. We found that things were extremely interesting and there is a great deal we can learn from them. Hung Chün is going to stay there for another week or ten days before he proceeds to Berlin. The party will visit Leningrad, Moscow, and Kharkov in Russia and then go back to England through Poland, Germany, and Holland. I shall arrange to stay in Germany for a week or so to visit schools. I think I shall meet Hung Chün again in Berlin. The third term will be over about June 10 and I shall try to do a little visiting before I return in July. Please give my kindest regards to folks in Yenching."

News from Miss Hague—"I spent most of the winter months in Toronto and now my plans are shaping. I expect to be in New York for a few days at the time of the Trustees' meeting, April 25, which I am graciously invited to attend! I am sailing for England almost immediately after the meeting in order to have a glimpse there of my Indian family. My little niece and nephew are at school there."

**APRIL ACADEMIC SUMMARY FROM THE OFFICE OF
THE DIRECTOR OF STUDIES**

Military Training

The outcome of the Military Training review by the Government official has already been reported in a previous issue of the Bulletin. Because of the arrival of the Drill Master for Yenching appointed by the Government, the Freshmen men students have started on the Military Training program for the balance of this year. Beginning with next year Sophomore and Freshmen men students will be required to take Military Training.

Graduation Examination Committee

In accordance with the Government regulations, a Graduation Examination Committee is being organized. The Chancellor will serve as the ex-officio Chairman of the Committee and the other members will include the Deans of the three Undergraduate Colleges, the Director of Studies, faculty members of professorial rank and qualified scholars from outside of the University. Practically every department has suggested one outside scholar, and a letter of invitation is being sent to them by the University inviting them to serve on the Graduation Examination Committee upon the approval of the Ministry of Education. A full list of the Committee with a list of the candidates for graduation will be submitted to the Ministry of Education for approval.

Request From Seniors Concerning Graduation Theses

A request from a group of Senior students asking for exemption from handing in the second copy of the graduation thesis has been received. The only additional reason to what has already been forwarded by students in other years is the financial need of the students on account of the Million Dollar Campaign. The matter has been given careful consideration by the Deans' Committee. The Committee has not felt it possible to waive this requirement, especially in view of the probable examination of the graduation theses by the Ministry of Education at Nanking.

Mrs. Mei will lead, and reports will be made by Mrs. Morton and Mrs. Sailer. Those wishing to do a little preparatory reading will find interesting material in Faegre and Anderson's "Child Care and Training", pages 87 to 104. This book is on Mrs. Ritter's reserve shelf in the Library, under "Home Economics No. 32. All mothers will be most welcome.

Faculty Discussion On Rural Reconstruction. Mr. Shen Shou-Tsuen, Professor and Director of experiment projects of the Crop Improvement Station, has kindly consented to lead our discussion next Tuesday evening. The close relationship between agricultural improvement and general rural reconstruction need not be elaborated. Unfortunately this feature is too little heard about on our campus in Yenching. It is therefore especially fortunate that we are able to spend one evening in our series on this topic under such competent leadership as Mr. Shen.

Several people have remarked that there should be closer contact between the Crop Improvement Station and the University in general than we now have. The occasion next Tuesday evening may also be regarded as an opportunity to get better acquainted with Mr. Shen and his work.

The presentation and discussion will be bilingual. Another opportunity will be given to those who like to share in paying off the mimeographing bill charged against the group. The share is 20 cents apiece.

The Song Contest, a unique feature at Yenching, will take place on Wednesday evening at 8:00 o'clock in Sage Hall. About thirty original songs, words and music, written by Yenching students and faculty, will compete for first place. Anyone interested is invited to attend and help in the judging of the songs.

PTP Election Meeting. The election will not take more than one hour if every member arrives promptly at 4:15 p.m. It is hoped that every member will make a special effort to attend this important annual meeting.

"The Circle of Chalk" is a Chinese play of the Yuan (13th Century) Dynasty which was first translated into French and then into German and from German to English. It is a play which has been very successfully produced in Europe and only this past year was given as an opera in Berlin. Dr. Lowenthal saw it as a play in Berlin and declares that the Peking performance of it a couple of months ago, under the direction of Gladys Li Hee was better than the German production. Everyone who saw it in Peking has given a very enthusiastic report of its excellence. Yenching is to be favored by having it brought to Bashford Auditorium on Saturday, May 19, at 8:00 P.M. Many people from the city are coming out to see it—even some of those who saw it before.

The front half of the Auditorium is being reserved at \$1 per seat. Other seats are 50 cents. Booking at the University Bookstore.

Be sure to see it and invite your friends!

F. O. R. Postponed. The discussion and picnic supper scheduled for Saturday, May 12, has been postponed until the fall.

Notice to Members of the University Council. As you have noticed, we were able to take up only two of the several items on the agenda at the last meeting. You are requested to keep the agenda sheet and the

appendices to save the expense of duplicating them again. It is likely that a special meeting will have to be called, especially as the report of the Teaching Efficiency Committee is also taking shape.

Changes Regarding Use of Bashford Auditorium.

1. Any outside organization or individual desiring to use the auditorium must be sponsored by a recognized faculty or student organization, under whose auspices the meeting or performance shall be held.
2. When tickets are sold for the meeting or performance, ten per cent of the gross receipts shall be paid to the University as rental for the hall. But the minimum rental shall be \$10.00.
3. All meetings or performances must close not later than 10:50 P.M.

Anti-Typhoid Inoculation. For protection against typhoid one should be inoculated once every two years. Three injections are given at intervals of one week. Faculty and staff may be inoculated between the hours of 6-7 p.m. daily, at the Men's Infirmary. The total cost including medicine is fifty cents per person. As before announced, Dr. Nutting will attend to the ladies and small children on Tuesdays and Fridays from 8:30 a.m. till noon at the Women's Gymnasium.

Anti-Rabies Inoculation. Will all those who have dogs and wish to have them protected against rabies (dog madness) please send their names to Dr. Learmonth at once, so that arrangement may be made for inoculation. The most suitable time is probably on Saturday afternoon, May 19, at 2:00 o'clock. The cost per dog is \$2.00 for the medicine and \$1.00 for the veterinary surgeon. The place will be as before, in the Biology Building.

Peer Gynt. Miss Norda Mata is presenting dances embodying Ibsen's drama, on Wednesday evening, May 16, at 9:15 p.m. in the P.U.M.C. Auditorium. The Wagon-Lits Trio is accompanying her. She is being supported by choruses made up from her dancing classes in Yenching and in the city. The performance is for the benefit of the Peking German School. The tickets are \$3 and \$2. To Yenching friends Miss Mata is offering \$1.00 reductions on all tickets, which may be ordered through Miss Eleanor Lee Waddell.

COLLEGE OF PUBLIC AFFAIRS

Mr. Lu Fu. As a means of practical cooperation between the Mass Education Association and Yenching University, Professor Lu Fu has been appointed magistrate of Tinghsien. He left Tinghsien a few days ago to be sworn into office, but will come back to resume his teaching and leave again in the summer to spend his furlough in helping to work out the problems of local government with the Mass Education people.

Publications

Lin Tse-hsu, Pioneer Promoter of the Adoption of Western Means of Maritime Defense in China, being Part I of *Modern Industrial Technique in China*, by Gideon Ch'en, is now ready. A charge of fifty cents a copy will be made to cover the printing cost.

A few copies of *Chinese Government Economic Planning and Reconstruction since 1927*, written by Gideon Ch'en for the Banff Conference of the Institute of Pacific Relations, are still available at forty cents a copy.

Copies of the two above pamphlets can be obtained from the Department of Economics.

Planned Economy in Soviet Russia (Chinese), Vols. 1 and 2, by Mr. Huang Cho, are now on sale at the World Book Company at \$1.25 each.

Servants. Mr. de Vargas can highly recommend his cook and house-boy, who are available from the end of June, or earlier if required.

"The House of Exile". Will anyone who has the Learmonth's copy of this book kindly return it to them as one of the owners has not yet read it.

Material for this Bulletin should be sent in writing to the Office of the President before Wednesday noon of each week.

Died. A cable from La Mesa, California, reports the death of Mr. James Wolcott Porter at the age of ninety-six years and two months. Mr. Porter was a devoted friend of Yenching, contributing \$100,000.00 to its Endowment funds and giving a separate sum to make possible the Pagoda which bears his name Po Ya T'a. Mr. Porter was deeply interested in the missionary work of his sister and brother, contributing generously himself to the work of the North China Kung Li Hui, and securing large gifts to its work, from Mrs. Otto Tank of whose estate he was executor. Mrs. Tank gave the first large gift, \$30,000.00 to North China Union College, now represented in the original buildings of Lu Ho Middle School at T'ung-hsien; she also gave money for building Teng Shih K'ou Congregational Church and parish house; other gifts were made to Bridgman Academy and the Union Women's Bible School. Mr. Porter made possible the transfer of Kung Li Hui work from P'ang Chuang to Te Chou, in Shantung where the large plant including the Porter Hospital for women and Porter Academy are memorials to his mother and brother. His mother's name is also perpetuated in the Eliza Chappel Porter Kindergarten in Peking, and a building bearing her name in the Union Kindergarten and Training School in Foo Chow. Mr. James Porter regarded himself as a "silent Porter" in Christian work in China. He visited China in 1906, 1912 and 1917. In America he contributed funds for Endowment and for Mary Porter Hall and Hadley Cottage at Pilgrim Place, Claremont, a haven for retired Christian and Educational workers at Claremont.

Mr. Porter's home, Rose Hedge, La Mesa, California, was a place of charm and beauty always open to guests and visitors from China, and a center of love and light for the community to the interest of which he also gave generously.

Mr. Porter's strength of character and his vital interest in all constructive movements in the modern world made him an inspiring personality to the very end of his life. He was a true Modern Saint.

All radicals and conservatives (and those of intermediate shades) are cordially invited to attend, and participate in the discussion.

Story of Chinese Philosophy. As there is no other public lecture this week, the last lecture on the Story of Chinese Philosophy will be given at 4:15 p.m. on Thursday, May 24, in McBrier 103. The subject "Chinese Philosophy and the Modern World" may prove interesting to some who have not taken the whole course. The composer of the words and music are both unknown at present since no names appeared on the envelope when it was turned in. The second prize goes to Mr. George Loehr and Mr. J.D. PERSONAL NOTES

From a Former Faculty Member. "Could you please pretend that I still belong to the faculty group and let my small contribution count toward the Endowment rather than the deficit? I am staggered that the faculty could give \$92,000 This carries lasting warm affection for Yenching and deepest gratitude for the privilege of having worked with you, and prayers for more freedom through more truth for more service, through all the years of Yenching."

From Hsiao Chih-chien, Yenching M.S. in Chemistry 1932, now studying at the University of Michigan: "I believe I told you about the courses I took last semester. I got along very well. After the final examination I attempted the first set of preliminary examinations toward the doctorate, and have passed them all. This set covers six subjects: Engineering materials, unit operations, metallurgy, inorganic technology, organic technology, and fuel combustion, and is considered as a prerequisite for a Ph. D. applicant. This semester, I registered for some advanced courses in fluid flow, heat transfer, evaporations, distillations, etc. and some courses connected with furnace design and control, at the same time spending some time in my research. I got the Chinese coal samples from the Geological Survey in February, and shall start working on them as soon as my apparatus is in good shape. I can't say now that I'll be able to finish everything here within two years. The school requires me to take many courses, which, though quite beneficial to me in the training along engineering lines, take too much time. I have to leave things to the future to see how they turn out eventually. I am proud to tell you that I've been initiated to both the Sigma Xi and the Iota Alpha Engineering Research Society. It will certainly add a little honor to our dear old Yenching."

(Note from his former teacher at Yenching: "Michigan has high standards in this department and his record seems to me to be extraordinary").

Material for this Bulletin should be sent in writing to the Office of the President before Wednesday noon of each week.

UNIT OF LABORING

The first section of the report deals with the general situation of the laboring class in the country. SPECIAL NOTICES

A special meeting of the University Council is called for Monday, May 28, at 4:10 p.m. at the President's House. The purpose of this meeting is to deal with at least a major portion of the agenda already distributed at the last meeting. It is hoped thus to reserve the regular Council meeting in June for a consideration of the report from the Teaching Efficiency Committee.

As there are no extra copies of the agenda and the appendices distributed at the last meeting, members are asked to bring their own copies to the meeting.

Garden Party. The Faculty Women's Association is having a Garden Party at the home of Mrs. E. K. Smith on Tuesday afternoon, May 29, at 4 o'clock. The Faculty Women's Association of Tsing Hua University has been invited to come. It is hoped there will be a good attendance to greet our neighbors.

Rural Reconstruction Discussion. The final meeting of the Discussion Group will be held on the coming Tuesday evening. The program will be a general survey to wind up the studies carried on through the semester. For this purpose several copies of Dr. Coons' lectures on "Economic Reconstruction in China" have been secured as reference reading. Members of the faculty interested may apply for a copy at Mr. Y. P. Mei's office. A list of questions will be distributed at the meeting to guide the discussion. Even if you are unable to read these lectures, you are welcome to attend the meeting and join the discussion.

Children's Party. On Thursday afternoon, May 31, from five to seven there will be a Children's Party for the residents of Lang Jun Yuan, on the lakeside by Miss Boring's house.

Brahms' "Requiem"—A chorus of ninety voices will sing Brahms' *Requiem* in Bashford Auditorium at 8:00 P.M. on Thursday, May 31. This oratorio is one of the great religious utterances in music of all time. Saddened by the death of Robert Schumann and then by that of his mother, Brahms was moved to memorialize them in this unique masterpiece. He made his own selections from the Bible, taking them from many sources, and fitted them into a beautifully unified and meaningful whole. Musically speaking, it is difficult to learn, but amply repays intense study and application. The chorus is to be

congratulated upon having learned their parts, and the sustained interest maintained throughout the semester is a testimony to the significant worth of such music.

In addition to the singing by the chorus, Mrs. Wiant will sing a few of Brahms' best known songs; Misses Chang Wei Ch'i and Jung Mu Yun will play selections from his most famous piano works. There is no admission charge; special programs have been prepared. In order to meet the expense of the concert, any who so desire may make a contribution at the exit.

Public Lecture of the School of Religion. The last of the School of Religion lectures for this Academic year will be by Dr. J. F. Li who will lecture on "Where is Simin" on Friday, June 1, at 4:15 p.m. in Ninde Chapel. The lecture will be in Chinese. All are invited.

Viola Concert. Symphonic works of the great Finnish composer, Sibelius:

Symphony No. 1 in e minor

Symphony No. 4 in a minor

Those who feel that modern music has no quieting message for the age should listen to the message of this man from the north of Europe who speaks a unique language. He is one of the greatest composers today.

The Last University Assembly on June 5, will consist of giving athletic awards, the singing of the new college songs, and announcements regarding matters of general interest. It is hoped that faculty members will make a special effort to attend this closing meeting.

Exhibition—Four rubbings of the T'ang Dynasty Nestorian stones from the Monastery of the Cross (Shih Tsu Ssu), near Peiping, are now on exhibit in the History Department office. All interested are invited.

Executive Committee of the Fellowship. At the first meeting of the newly elected Executive Committee of the Fellowship, three persons were coopted, and the following assignment of offices were made:

Mr. P.C. Hsü—Chairman, and Chairman of the Religious Life Department

Miss Liu P'u-sheng—Vice-chairman, and Chairman of the Student Division

Mr. Ch'iu Jün-hsi—Secretary, and Chairman of the Business Division

Mr. L. E. Wolferz—Treasurer, and Chairman of the Finance Department

Miss Lucy Burt—Chairman of the Faculty Division

Mr. Chang Hsüeh-hai—Chairman of the Workmen's Division

Mr. Yü Pai-yen—Co-chairman of the Student Division

Miss Li Yueh-lien—Chairman of the Social Department

Mr. Hou Jen-chih—Chairman of the Social Service Department

Mr. Ma Wen-cho—Chairman of the Workmen's Center Department

Election of Chaplain. Immediately after the morning service on June 3, the members of the Fellowship will be asked to remain in Ninde Hall to elect the Chaplain of the University Service for 1934-35. The election will be done by ballot. Please bring pencils.

Printed reports. Reports in Chinese and English of the Fellowship for the current year are obtainable at the Fellowship office in Ninde Hall.

Inauguration Service. The date for the Inauguration Service of the new Fellowship Executive Committee is June 10. Detailed announcements for this important service will be made later.

South Compound Children's Swimming Pool, Summer 1934.

1. The swimming season for the year will begin on June 1.
2. Each member must be examined by one of the University physicians and certified that he or she is freed from contagious disease of any kind, before he or she may use the pool.
3. Each member is expected to make a deposit fee of two dollars, to pay for the water and service. Accounts will be rendered and cleared at the end of the season. (Members who have not yet paid their fees for the last season are asked to do so together with the two dollar deposit for the year. Mrs. Y. P. Mei is the treasurer.)

4. Guests may be entertained in the pool only upon invitation from a parent of a member (*not a member himself*) and proper certification from a University physician. Guest rates are ten cents a time and one dollar a month.

SPECIAL NOTICES

English Vespers. The English Vespers this Sunday will be the last one of the season. A special invitation is given to children.

Piano Recital. Alexandre Tcherepnine will give a piano recital of his own works on Tuesday evening, June 19, at 8 o'clock, in Bashford Auditorium. It is the first time that a really great composer-pianist has come to our campus and everyone should avail themselves of the opportunity to hear him. Due to the fact that he is giving his services free, the admission charges are only a nominal forty cents. An annotated program explaining his life and his works will be provided, for a fuller understanding of his message as a composer.

The School of Religion Graduation Exercises will take place on Saturday, June 23, at 10 a.m. in Ninde Hall. The degree of Bachelor of Divinity will be conferred on Mr. Wang Chun Hsien and Mr. David Fang. One student will receive the diploma for the one-year Religious Education course for college graduates, and fifteen students will receive certificates for the Short Course for Social and Religious Workers. The Acting Chancellor will give the address. The University community is cordially invited to attend.

Commencement Speakers. We are very happy to announce that Dr. H. H. Kung, Chairman of our Board of Managers, has kindly consented to deliver the address at Commencement this year. This is indeed an honor for Yenching from one who has so many and varied responsibilities for the welfare of China.

Mr. and Mrs. James D. White. It is a pleasure to announce that Mrs. James D. White will be secretary to Dr. Stuart during the coming year in the absence of Miss Cummings who will be on furlough. Mr. and Mrs. White will live at No. 13 Lang Jun Yuan.

Admission of Foreign Students. Five foreign men students out of a group of six, and three women students out of a group of four have been admitted for the next session.

Faculty Bulletin. The last issue of the *Faculty Bulletin* this term will be published next Saturday, June 23.

Notice from the Librarian's Office. During the summer some construction work will be done in the University Library. As the books will have to be moved around to make room for this, the stack service will be temporarily suspended. The Librarian will be willing to consider requests for stack books from faculty members and students duly registered for the summer. Please make the requests known to the Librarian before June 26. Throughout the summer the general reference books and *current* periodicals will be available as usual.

Library Vacation Hours. From June 25 to August 31 the University Library will be open as follows:

Monday—Saturday

8:00 a.m.—12:00 m.

1:30 p.m.—5:00 p.m.

7:00 p.m.—10:00 p.m.

The University Librarian cordially invites the attention of faculty members and students to the fact that at the end of each academic year the University Library usually receives as gifts pamphlets, periodicals, postals and books discarded from private libraries. Even though the University Library has some of the titles already, we will nevertheless welcome these gifts, for we can usually use our duplicates for exchange with other libraries. For instance, during the past year we have been able to use duplicate periodicals thus received for exchange with items which we lack, totalling about three hundred dollars in value. If you will kindly inform the Librarian your intention of making such gifts, he will be glad to send a messenger for them.

Yenching Students at P.U.M.C. Each year at P.U.M.C. Commencement the most important honors announced are the Trustee scholarships, granted to the two best students in each of the first 3 classes; the Wenham prize, given to the medical student who has done the best work for all 5 years; and the prize given to the Graduating Nurse who has done the best work throughout her course; eight in all.

Of these this year, 6 were taken by students prepared at Yenching:

Wenham prize—Wang Kai-hsi

Nursing School Prize—Miss Lu Chi-ying (Carrie Lu)

3rd-Year Class—Miss Li Pi-hsia
Fan Yueh-cheng

2nd-Year Class—Lu Kuan-chuan
Wen Chung-chieh

Amah. A very good sewing amah is hunting for work. Anyone who wants a dependable woman servant may apply to Miss Bessie Wang, at the Women's College Office, or the First Women's Dormitory.

For sale. Mr. Breece has a bicycle for sale. Anyone interested can apply to him for further details.

Material for this Bulletin should be sent in writing to the Office of the President before Wednesday noon of each week.

Dr. J. H. Ingram. Friends of Dr. and Mrs. Ingram will sympathize profoundly with her in the tragic death of Dr. Ingram at his home in the Western Hills from bandit attack. Dr. Ingram had not only lived for many years in China, but had enjoyed as few other missionaries are able to, life in the interior and close association with the people as he found them everywhere. He had visited most of the places of interest in North China and had guided many a party of young people on such trips. Our Yenching community share keenly the sense of loss, and remember in sympathy his widow and sons and daughters.

PERSONAL NOTES

Miss Lucy Burt. Miss Burt will arrive in Peiping on Saturday morning and will come directly to Yenching, staying with Miss Boring until Sunday afternoon, when she will return to Peiping to begin her work at the College for Chinese Studies on Monday.

From a Student: "Dear Dr. Stuart: These last two years at Yenching have been, in every way, a wonderful experience for me. Nothing can be of more value to me than the friendship and understanding of the Chinese students. Through association with them, I have been taught a greater respect for their country and a deeper longing to come back and work with them and for them. It has been a privilege to know so many fine people—faculty as well as students—but it has also been a privilege just to have lived on such a beautiful campus. I am proud of Yenching in many ways and especially because of its attractive setting. It is a constant pleasure and inspiration just to walk over the grounds and look out at the Hills. How I shall miss it all next year!

I want to thank you for helping to make it possible for foreign students to enter Yenching. Now that I have been there, I shudder to think of all the splendid things I might have missed if no foreigners had been allowed here and I appreciate all the more my two years here.

Very sincerely,
Betty Hanson"

SPECIAL NOTICES

Campus Sunday School. Teachers have been secured and plans made to begin both divisions (Chinese-speaking and English-speaking) of this Sunday School on September 23rd. All classes will meet in Sage from 9:30 to 10:20 a.m. The cooperation of Faculty members is desired in order to spread this information among the children of our Yenching Community.

Lecture in Nindo Hall. Dr. Louis Hodus, Professor in the Kennedy School of Missions of the Hartford Seminary Foundation, who has been a student of oriental philosophy and religion, will be the guest of the School of Religion on Wednesday, September 26, and has kindly consented to deliver the lecture mentioned in the calendar. Professor Hodus is well acquainted with China and is a very interesting and instructive speaker. The School of Religion invites all to hear him.

Yenta Chorus. Faculty cooperation in the Yenta Chorus is always highly appreciated by the students and the conductor. This community organization offers a unique opportunity to meet with students on an equal plane of fellowship and recreation.

The MESSIAH is, as usual "on the slate" for this term. Rehearsal every Thursday at 6:45 in Sage.

Yenching News. A new laboratory publication of the Department of Journalism, *The Yenching News*, is delivering its first issue to all members of the community today. Chinese and English editions will be published three times a week on Tuesdays, Thursdays and Saturdays.

To avoid unnecessary duplication and as a measure of cooperation with Department of Journalism, the University will confine the content in this *Bulletin* and in the *Hsiao K'an* each week to those matters which require announcement in strictly official form, together with a weekly calendar of official and semi-official community events.

The *Yenching News* will be sent gratis during the rest of this month to all members of the faculty and staff. After October 1, it will be delivered only to paid subscribers. We bespeak for it the

hearty cooperation and support of all members of the community. The Department can only perform its significant task of providing training for the profession of journalism in China adequately by the maintenance of a genuine publication, which means among other things that those who receive it shall manifest a desire for it by paying its subscription rate.

News items of general interest may be sent to the President's office as before, or directly to the office of the Department of Journalism in the Administration Building. A call to Phone 14 with the information that you have an item of news will bring a student reporter to you for an interview, if desired.

Change in Bus Schedule. The 8 o'clock bus from the city to Yenching and the 12:15 bus from Yenching to the city are suspended temporarily.

How To Use The Library. The first of a short series of lectures on "How to use the library" will be given in the new second floor reading room of the library building by Mr. Tien at four o'clock on Monday, September 24th. This lecture is open to all students and to members of the faculty. New students are specially urged to come.

Following this, several lectures will be given by Mr. Teng Ssu Yu on Chinese reference books and one by Miss Waller on foreign reference books. Dates for these will be announced later.

A special lecture in English for students who do not understand Chinese will be given in the Western catalog room (second floor of the library building) at five o'clock on Tuesday, September 25.

Faculty Book Club. The following books have been given to the club by the President:

S. S. Van Dine	<i>The Dragon Murder Case</i>
Phillpotts	<i>Found Drowned</i>
J. C. Mastennan	<i>An Oxford Tragedy</i>
J. S. Strange	<i>Black Hawthorn</i>
Ellery Queen	<i>The Siamese Twin Mystery</i>
Rinehart	<i>The Album</i>

The following book has been added to the Club library:
Aldous Huxley *Beyond Mexique Bay*

Yenta Christian Fellowship. Faculty Division. Notice of the detailed arrangements for the conference and retreat at Wo Fo Ssu on September 29 and 30 will accompany or immediately follow this bulletin.

Dr. Sherwood Eddy's Visit. Dr. Eddy is visiting China again. He will speak to student audiences in and around Peiping during the first week of October. The Fellowship has invited him to speak to the Yen-ching Community on October 4 (Thursday). Please reserve this date and watch the next Bulletin for further announcement.

Fellowship (Chinese) Hymnbooks. Our free supply of these hymn books is found to be insufficient, and it has been suggested that those who are in the habit of attending the Sunday morning service might be willing to help by purchasing copies of their own. These may be obtained from Mr. Wiant at \$1.00 each.

Chinese Philosophy. The course, "*A Survey of Chinese Philosophy*" (Philosophy 9) given in English by Mr. Porter meets on Monday, Wednesday and Friday at 3:10 in McBrier 122. Members of Faculty families desiring to audit this course are welcome to attend.

SPECIAL NOTICES

THE FACULTY BULLETIN. After an experiment in utilizing the *YENCHING NEWS* for notices and other information in English to the Faculty, it has seemed preferable to resume the *WEEKLY BULLETIN*. This in no way reflects upon the journalistic publication, but is because of inherent differences between the two. We take this occasion to endorse the organ of the Department of Journalism and hereby promise to make our own as prosily official as we hope the other will be full of fresh and sprightly campus interest.—J.L.S.

THE CHORUS began its rehearsals on the first day of school with 135 in attendance. Faculty members were conspicuous more by their absence than by their presence, but we hope that more will attend from now on. A fine spirit and an unusually fine first rehearsal presage the 'best ever' season.

YENTA CHRISTIAN FELLOWSHIP RETREAT. The autumn retreat arranged by the Yenta Christian Fellowship will be held on Sunday, September 20, at the Jade Fountain. Further details will be given later.

Please call for tickets during office hours from September 21-26.

THE CHRISTIAN FELLOWSHIP RETREAT to be held at the Jade Foundation on Sunday, September 20, is primarily for members of committees, but is open to any Fellowship member who wishes to join. The opening meeting will be at nine o'clock. It is hoped that the regular Faculty Retreat will be held as originally planned on October 3 and 4, after the return of Dr. Y. P. Mei, Chairman of the Faculty Division of the Fellowship.

LATEST ENROLLMENT FIGURES. To date 569 men students and 243 women students have completed registration, making a total of 812. A few more students are still expected.

CHANGE OF ADDRESS FOR THE DIRECTORY. The Faculty Directory is nearing completion. If you have changed your address or have any other corrections, omissions, additions, kindly notify the President's Office. We wish this Directory to be complete and accurate in order to be of the greatest possible service.

MISS ALICE BORING'S ADDRESS is 410 Riverside Drive, New York, N.Y., U.S.A.

MISS MYFANWY WOOD. It sometimes happens that there are two people here whose names are so much alike as to cause confusion. *Miss Myfanwy Wood* of the School of Religion and

Chaplain of the English Vesper Service needs no introduction. Her Chinese name is Wu Ying-chen (伍英真), address III Women's Dormitory, telephone 73, and office is in Ninde Hall.

Miss Mabel Wood we welcome as a new-comer from the University of Oregon to the Department of Home Economics. Her Chinese name is Lin Mei-po (林美柏), address 53 Yen Nan Yuan, telephone number 53, and office is in Miner Hall.

WORKMEN'S DISPENSARY. Mrs. Learmonth's old dispensary will be used as a clinic for the University workmen after Monday, September 21. Entrance will be by the door recently opened just east of the Workmen's Social Center. The hours for the clinic will be 2-4 every afternoon except Sundays and holidays. No workmen or domestic servants will be treated after September 21 at the McKilvey Infirmary except emergency cases.

EXTENSION OF ELECTRIC LIGHT SERVICE. Last year as an experiment the electric current in the residences was extended to midnight. The Power Station meter showed that the consumption after eleven o'clock was not heavy. If, however, there is a real demand for the extra light this year, the Power House management is willing to extend it again. The Controller will appreciate knowing the wishes of the community on the matter.

SMALLEST RADIO TUBE EVERY FASHIONED. Dr. Meng Chao-ying, a lecturer in the Department of Physics, has just returned to Yenching after a three years' study at the California Institute of Technology, U.S.A. With his wonderful dexterity, he has constructed several "baby" radio tubes which have received world-wide attention. The inside diameter of the plate is only one-half millimeter and the grid diameter is even much smaller, two-tenths of a millimeter, which is smaller than the eye of an ordinary housefly. The shortest wave-length that can be generated by such a little tiny tube is but one centimeter long. The construction of the tube has undoubtedly both theoretical significance and practical possibilities.

Having secured his Ph. D. degree early last June, Dr. Meng immediately proceeded to the East, learning the technique of making commercial radio tubes at the Electrical Engineering Laboratory of the Massachusetts Institute of Technology. Dr. Meng will continue his research in the Physics Laboratory at Yenching.

MUNICIPAL BUS SCHEDULES. The following indicate the Municipal Bus Schedules which show the stations, prices and times. The odd numbers show buses coming out from the city and even numbers show buses going to the city. Buses will stop at Yenching. These schedules seem to be subject to change without notice, but the latest information may always be obtained at the Tung Hua Men Bus station or the Y. M. C. A.

SPECIAL NOTES

VESPER SERVICES. Opinions are overwhelmingly in favour of 6:30 p.m. as the time for Sunday Vespers, and we trust that those who prefer another hour will not find the adjustment too difficult.

It has been suggested that some members of the congregation will welcome opportunities to become better acquainted with our hymnbook, Songs of Praise. The choir therefore gives a cordial invitation to everyone who enjoys singing, to join them after supper on the first Sunday of every month. The first of these gatherings will be in the Mead home, Sunday, October 4, and will last from 8:45 (or a little earlier) to 9:45 p.m.

CAMPUS SUNDAY SCHOOL. All mothers who are interested in the campus Sunday School are invited to Mrs. Adolph's home on Monday, September 28, at 3:30 p.m. for a short conference.

YENCHING FACULTY WOMEN'S ASSOCIATION "AT HOME" The first meeting of Yenching Faculty Women's Association is to be held at the President's House on Tuesday, September 29, from 4:00 to 6:00 p.m. This meeting is entirely of a social nature, and its purpose is to welcome the new members and those coming back on leave. All wives of the faculty and staff members and all women faculty and staff members are cordially invited. We are expecting a large attendance this year.

FACULTY AUTUMN FESTIVAL. On Wednesday, September 30, at 8:00 p.m. the tenth anniversary of the University's occupation of this campus will be celebrated on the Island. This will also mark the occasion of the Chinese Full Moon Festival. Reminiscent talks will be given by Dr. Galt and Dr. Porter. All members of the faculty and their families are cordially invited.

FACULTY RETREAT. The Retreat for the Faculty division of the Christian Fellowship is to be held at Wo Fo Ssu on Saturday and Sunday, October 3 and 4. Detailed notices are being sent to all faculty members of the Fellowship and to all new comers. If by any chance you do not receive a notice and wish to come, please get in touch with Miss L. M. Burt. All members of faculty will be cordially welcomed whether they are already members of the Fellowship or not.

FAREWELL RECEPTION FOR AMBASSADOR AND MRS. JOHNSON.

A Farewell Reception for Ambassador and Mrs. Nelson T. Johnson will be held at the President's House on Monday, October 4, from 5-6:30 p.m. to which all faculty members and their wives are cordially invited.

DR. STUART'S TRIP. Dr. Stuart is expecting to leave on Monday, September 28, for Nanking and Shanghai on University business, taking advantage also of there being a meeting of the Shanghai Yenching Alumni Annual Meeting on October 4, and returning shortly after that.

WINTER COAL. Housekeepers may be interested to know the prices of coal for this winter. T'ien Feng's quotation is as follows:

Mentoukou Cha Tsu: Old Weight \$8.00 per ton (2240 lbs or 1680 catties)

New Weight \$7.00 per ton

Hung Mei (Shansi Anthracite): Old Weight \$13.40

New Weight \$12.00

Ta T'ung lump: Old Weight \$11.00

New Weight \$10.00

There should be no change of prices throughout the winter unless railway communications are interrupted by major causes. So it is unnecessary to contract in advance the whole winter supply.

For Arcolas, it has been found most economical to mix Hung Mei and Cha Tsu half and half. During very cold days, some find that burning Hung Mei alone gives a great value in money.

EXTENSION OF ELECTRIC CURRENT. In compliance with the wishes of a large number of the faculty, the electric current to the faculty residences will be extended to midnight beginning Saturday, September 26.

Material for this Bulletin should be sent IN WRITING to the Office of the President before Wednesday noon of each week.

SPECIAL NOTES

RECEPTION FOR AMBASSADOR AND MRS. JOHNSON POSTPONED.

Because of an unexpected trip of the American Ambassador to Nanking, the reception which was to have been held on Monday, October 12, will be postponed until further notice.

FACULTY DISCUSSION GROUPS. Over fifty people attended the Faculty Division of the Yenta Christian fellowship annual retreat held at Wofossu over the last weekend. It was strongly felt that the tradition of devoting Tuesday evenings to faculty gatherings of a religious and intellectual nature was a good one and ought to be upheld. The following subjects, persons in charge, and schedule for this year was agreed upon:

Date	Subject	In Charge
1st Tuesday	China's Northwest	J.B. Tayler and Y. P. Mei
2nd Tuesday	Christian Fundamentals	Arthur Rugh
3rd Tuesday	Phases of University Life (<i>Examined in the light of our religious ideals. Prominent place will be given to the economic administration of the University</i>)	H. S. Galt and R. C. Sailer
4th Tuesday	Review of Christian Literature	T. C. Chao
5th Tuesday	Devotional	

All meetings will be held at President's House from 8:00 to 9:30 p.m. Further and more detailed announcements on each series will be made by leaders in charge at the proper time.

On Tuesday evening, October 13, will be held the first meeting of the second group, *Christian Fundamentals*, led by Mr. Rugh. This will be a study of what it means in modern terms to be a Christian; what does the New Testament record mean on questions which perplex

us now; and also what are the situations in modern life here in China where it is most difficult to know just how a Christian would live and act. Please bring with you *in writing* a list of such situations.

SPECIAL NOTES

Faculty Discussion Group. On Tuesday evening, at 8:00 o'clock in the President's House will be held the first meeting of the Faculty Discussion Group on "Phases of University Life". Consideration will be given to certain general and economic aspects of personnel administration. The University Controller, Mr. Stephen Ts'ai, will present a report on the workings of University Schemes in the fields of salaries, wages, annuities, pensions, insurance, etc. All members of the Faculty and staff are invited to be present and to participate in the discussion.

Reception for Ambassador and Mrs. Johnson. The Reception originally planned for October 12, will be held on *Thursday, October 22*, from 5 to 6:30 p.m. at the President's House. All members of the faculty and their wives are cordially invited.

Joint Service. In this service we want to explore together the possibilities of creative Prayer, and of finding out God's plan for us in meeting the needs of China.

Its effectiveness will depend on the full co-operation of the Faculty and students of the whole University. Will you let us have your ideas on the best use of this time?—*Lionel Ford*

Ping Min Hospital, Haitien. Members of the Yen-ching community will probably be interested in the People's Hospital opened some six months ago in Haitien. This hospital is run under the auspices of the Peiping Municipal Government, and is one of five, four in the suburbs of Peiping, and one outside Hatamen. The Haitien hospital is in a splendid building, is beautifully clean, up-to-date, and well equipped. They have at present eight beds only, most of their work being with out-patients. They have had as many as 350 out-patients in a day, though their average is around 200. It is interesting to note that during July and August the women patients outnumbered the men. The charge for out-patients is two big coppers a visit; for in-patients forty cents a day first class, and twenty cents a day second class. This charge covers food only, attendance and operations being free. The superintendent in charge is Dr. Tsao, and he is assisted by five other doctors, who in addition to seeing patients at the hospital, will also visit

homes, making a charge of \$1.00 for the first visit. About nineteen nurses (men and women) serve the hospital, and there is also a nurses' training school. A patient recommended by a member of the Yen-ching community was operated on by Dr. Tsao some three weeks ago, and is making a good recovery, and speaks with feeling of the good treatment she has received there. The hospital can be reached by telephone. Dr. T. C. Li or Miss Dora Bent will be glad to assist any members of the community who may wish to get in touch with the hospital, or who would like further information about it.

SPECIAL NOTES

FACULTY DISCUSSION GROUP. The Faculty Discussion Group on Tuesday, November 10, will be led by Mr. Arthur Rugh, the subject being, "What does Religion do to Patriotism?" These questions are also pertinent: Does internationalism decrease loyal nationalism? Does the Christian teaching, to love your enemy, prevent a Chinese citizen from fighting for China's rights? Are Christian students more or less patriotic because they are Christians?

SPECIAL CHAPEL SERVICES—On Armistice Day, November 11, special services will be held in both Chapels. Mr. Wu Lei-ch'uan will speak in Chinese in Sage Chapel and Mr. Lapwood will speak in English in Ninde Chapel. Everyone is cordially invited.

LECTURES BY DR. WHITE. In connection with the class in Sociology entitled *Contemporary Sociological Theories*, a series of lectures will be given by Dr. Leslie A. White, of the University of Michigan, now visiting Yenching, on the *Nature of Reality and Ways of Dealing with it*, on Friday evenings from 7:30—9:10 in McBrier 126. These will put emphasis on the epistemological aspect of research work in social science. Faculty members and students not enrolled in this course are welcome.

Dr. White is also giving another series of lectures in connection with the class in Sociology entitled *Social Anthropology on The Origin and Evolution of Culture*, on Mondays, Wednesdays, (McBrier 122) and Fridays, (McBrier 125) from 2:10—3:00 p.m. These lectures will give an evolutionary perspective of our culture. Faculty members and students not enrolled in this course are welcome.

HARVARD-YENCHING INSTITUTE MUSEUM. The committee in charge of the little museum of the Institute, which was recently opened to the public, has been surprised and greatly pleased by the interest that has been shown in the exhibits. A number of distinguished visitors from Peiping took advantage of the opening day last week to visit the museum, and since then visitors have continued to stream through the rooms. The museum was especially busy over the weekend. A group of nurses from the P.U.M.C. was brought out on Saturday afternoon, and on Sunday a second group arrived, together with the entire Ming

Ming School, in charge of the principal, Dr. Sui Wang. The exhibits are arranged so as to show a continuing story of early Chinese history, beginning with bones from the cave where the skull of the Peking Man was found, pottery of five thousand years ago, oracle bones and bronzes of the Shang period, and so on down to more modern days of Tang and Sung. Much interest was shown by the visitors in Mr. Schuster's folk embroideries which he most kindly allowed to be exhibited during this opening week.

If parents or teachers from the Foreign or Chinese schools on our campus would like to bring groups of children, the curators will be delighted to show them around and explain the exhibits, provided the time is arranged in advance. The museum does not plan to be open on Saturday afternoons or Sunday, unless by special arrangement.

MANIFESTO BY LEADING CHINESE EDUCATORS OF PEIPING. Copies of the authorized translation of the full text of the manifesto issued and signed by more than one hundred leading Chinese educators of Peiping have been distributed to all Western members of the Yenching Community, with the request that this be forwarded to our friends abroad, by including them in envelopes together with letters or Christmas cards. More copies can be obtained from Mr. C. S. Hsieh in Bashford Hall, if you care to ask for them either by telephone or by writing him a note.

Material for this Bulletin should be sent IN WRITING to the Office of the President before Wednesday noon of each week

SPECIAL NOTES

ENGLISH VESPERS. We have the privilege this Sunday of having Dr. J. Ross Stevenson, President of Princeton Theological Seminary, as the preacher at our English Vesper Service.

FACULTY FOLK DANCE CLUB. The first meeting of the Faculty Folk Dance Club will meet on Monday, November 16, at 6:00 p.m. in the Boyd Gymnasium. Regular meetings will be held twice a week on Mondays and Thursdays at the same time and place. Miss Brandt and Miss Cummings will direct the dances. All members of the faculty and staff, including those who have not had any dancing experience, are welcome to join. Please wear rubber-soled shoes.

YENCHING FACULTY WOMEN'S ASSOCIATION. At this November meeting, every member is invited to bring a plateful of her favorite food—either bread, meat, vegetable salad, or sweet—and to furnish the committee, of which Mrs. J. B. Tayler is the chairman, with the recipe. The members will then be invited to sample some of the dishes.

FACULTY DISCUSSION GROUP. The Faculty Discussion Group on Tuesday evening, November 17, will continue the consideration of "Aspects of University Life" from the Christian point of view, with special reference to economic needs—wages, security, etc. A committee, of which Miss Wagner is chairman, is expected to report on the standards of a "Living Wage"; and a committee, of which Mr. Ts'ai is chairman, is expected to report on possibilities of sickness and accident insurance for Yenching employees. All members of the faculty are invited to attend and participate in the discussion.

THE UNIVERSITY LECTURE on November 19 will be an illustrated lecture on "Sung Dynasty Painting", by Dr. John C. Ferguson. Dr. Ferguson's expert knowledge of Chinese painting is well known. His lectures and books have helped to give westerners a better understanding and appreciation of Chinese art. Dr. Ferguson's remarkable collection of Chinese art objects, which includes many unusually fine paintings, has been on exhibition for more than a year in the Wen Hua Tien in the Forbidden City. This collection has been presented by Dr. Ferguson to the University of Nanking, but cannot be sent there until a proper building has been provided for it. Until that time the

For cases under paragraphs II and III there is now available some \$3000, the balance of Mrs. Learmonth's Charity Fund Account. It is hoped that this amount will be increased by further gifts from abroad.

It was not thought advisable only to use income derived from these funds, but when necessary to use capital as well.

Board of Trustees :

Dr. B. L. L. Learmonth, Chairman
Dr. T. C. Li
Mr. Stephen I. Tsai
Mrs. W. H. Adolph
Mrs. L. C. Porter,

AGNES LEARMONTH MEMORIAL

A Committee consisting of Mrs. Porter, Mrs. Shadick, Miss Bent, Dr. Learmonth, Dr. T. C. Li, Mr. Ts'ai, and Mr. Bevan (convener), met on October 8 to discuss the administration of the fund in memory of Mrs. Learmonth.

It was decided that the funds available be administered by a self-perpetuating Board of Seven Trustees acting through a small executive committee composed of the manager, treasurer, and secretary.

It was decided that the funds should be used at the discretion of the committee, the Board of Trustees exercising supervision. The Board will meet as occasion demands, but at least once a year when the committee will make a report of its activities.

It was decided that the funds shall be used in principle in the following ways, though the committee shall have the liberty to use its discretion, and is not bound to any strictly determined programme:

I. The locally collected funds to be used for financing the work in connection with Mrs. Learmonth's so-called "lame ducks", who generally are not "economic" producers, and for the relief, medical and otherwise, of this group.

II. Other funds may be used more particularly for:

- (a) General relief in needy cases—warm clothing, coffins, subsidies for those temporarily out of work, special food (milk, cod liver oil, etc.)
- (b) Medical expenditures such as payment of hospital bills, medical treatment, transportation to and from hospitals, etc.

III. Special cases as they may arise. (Already part payment for the schooling of a deaf and dumb girl is being supplied).

The proposals of this committee for the guidance of future action have been made with the purpose of ensuring as far as possible the continuance of the kinds of charitable work which were particularly near to Mrs. Learmonth's heart.

There are funds immediately available for cases under paragraph I of about \$600 locally contributed, and from stock in hand a few hundreds of dollars.

collection will be on exhibition in Peiping and should be studied by all those deeply interested in Chinese art.

Dr. Ferguson does not often speak in public nowadays, and the Yenching community is singularly fortunate and honored in being able to hear him. His lecture will be in English, in McBrier 103, at 4:15 p.m. on Thursday. Dr. Ferguson will bring lantern slides illustrating many of his most beautiful and interesting paintings of the Sung dynasty.

S. S. President Lincoln—November 21

S. S. President McKinley—November 24

Both from Shanghai. Mail sent on these boats should reach America in time for Christmas. Four days should be allowed for mail to reach Shanghai.

The subject of Professor Temperley's lecture at Yenching will be "Eastern Europe Today".

FACULTY DISCUSSION GROUP. The Faculty Discussion Group on current Christian Literature will hold its second meeting on Tuesday, November 24, at 8 p.m. in the President's House. Miss Myfanwy Wood will report on "What we Believe", a group of papers recently published in *The Modern Churchman*, and Dr. T. C. CHRISTIAN FELLOWSHIP RECEPTION. The Christian Fellowship annual party to welcome new members will be held on Friday, November 27, at eight o'clock. The party will be held this year in Sage auditorium, and will follow somewhat different lines from the past. The Evangelistic Division Drama Group will present one of the plays which they have been giving to country groups, entitled 良好的鄰居. This play is written by Dr. J. F. Li, and is an up-to-date version of the story of the Good Samaritan. It is believed that other members of the Christian Fellowship will be glad to have this opportunity of seeing something of the work being done by the Evangelistic Division. As the play takes just over one hour to perform, you are asked to arrive promptly.

UNIVERSITY ASSEMBLY. Wednesday, December 2, is the anniversary of the death of Dr. Luella Miner, the first dean of the Women's College of Yenching University. The Assembly hour on Tuesday, December 1, 11:20 o'clock, has been secured for the Yenching service of reminiscence. Dr. J. C. Ferguson, Dr. Fei Ch'i-hao, Dr. Marion Yang, Principal Kuan Yü-chen, and Mrs. Alice Frame, will speak on various aspects of Dr. Miner's work, personality, influence and achievements. This service is an occasion for the Yenching community to honor Miss Miner's memory by recalling her forceful character and the significance of her service to the womanhood of China. As the first dean of the Women's College of Yenching, she brought ideals and standards for the education of Chinese women which remain fundamental elements of Yenching's spirit.

EXCHANGE OF CHRISTMAS GIFTS AND CARDS. According to the Yenching tradition, it is customary for faculty members not to exchange Christmas cards and presents among themselves. It is suggested that money thus saved might be contributed for aiding those less fortunate than ourselves.

Material for this Bulletin should be sent IN WRITING to the Office of the President before Wednesday noon of each week

A meeting will be held on Tuesday afternoon, 4:00 o'clock, in the Presid- ent's house, of the committee and collectors to report the week's results.

FACULTY DISCUSSION GROUP. Propaganda, advertising, evangelism, exploitation—are they the same? Are they legitimate or objectionable? For instance, should Communists, Christians, and Socialists try to win followers to join their group? Does loyalty to my party include con- vincing others that my party is best and that all others should join it?

UNIVERSITY LECTURE. There will be no University Lecture next Thursday, December 10.

FRESHMAN MID-SEMESTER GRADES. All mid-semester examination grades are ready and have been distributed to the four college doyens. Freshman students who want to know their examination results may consult the college doyens concerned.

DICK TEST FOR FACULTY CHILDREN. It is advised by the Univer- sity physicians that all faculty children be given the Dick test in order to discover which children should then have preventive toxoid inocula- tions for Scarlet Fever. Such inoculations will be effective two weeks after the first injection and will last from six months to a year or more.

UNIVERSITY PLANS FOR FOUNDER'S DAY, CHRISTMAS, DECEMBER 25.

Plans are being made on Christmas Day for an athletic program of various games, and sports on the ice, between the hours of 2-6 p.m. and from 7-9 p.m., during which time simple tea will be served on the Marble Boat. From 9-10 p.m. it has been suggested that faculty members may wish to be at home to students, in order that faculty and students alike may end the day with a feeling of comradeship and sociability. Details are being considered, and further announcements will be made later. It is hoped that the whole University will cooperate in these plans and that a feeling of good fellowship will pre- vail, not inconsistent with, but rather serving to fit us all for our proper part in serving the national need.

YENTA RELIEF FEDERATION

The Annual Meeting of the Yenta Relief Federation was held on November 25. The following were elected for the coming year: President: Miss K. K. Lei; Secretary: Miss Chia Yuan-ti; Treasurer: Mrs. L. E. Wolferz; Head of Investigation Department: Miss K. K. Lei; Head of Family Case Work Department: Miss Dora Bent.

The Yenta Relief Federation was first organized in 1930 with the purpose of co-ordinating all the relief work done by the various agencies in the Yenching community, and trying to prevent poverty by the application of scientific principles of relief. Its funds have been derived mainly from the Community Chest, and its aim is to investigate thoroughly any case referred to it either by individuals or by organizations, and where possible to try to set poverty-stricken families or individuals on their feet. The Federation is at any time willing to investigate any cases referred to it, and to help where possible. Its chief need is for jobs for its cases—plain sewing for the women, and unskilled coolie work for the men.

During the last sixteen months forty-two new cases have been investigated by the Family Case Work Division, and many old ones have been revisited and help given. The case worker has paid upwards of 300 visits during the year in order to find out at first hand what is the situation, and to try to meet the needs of the family or individual in the most effective way.

Members of the Yenching community who contribute so generously to our work through the Community Chest may like to hear briefly of some of the types of cases which have been referred to us during the year: One of the lower paid Yenching workmen was introduced to the proper department in order to get a cheap glass eye for his sister; a deaf and dumb girl of twelve years, undisciplined and untaught, has been put in the local government school for the deaf and dumb in Peiping where she will learn a trade in addition to ordinary elementary school subjects; A Yenching student whose relative wished to adopt a baby was put in touch with the Home Finding Society in Peiping, and a baby adopted; through the help of the P.U.M.C. Social Service Department an ex-soldier discharged from the army was helped back to his home in Shantung; when the father of a family died, a loan was made to his widow so that she and her eldest son could continue to make *man-t'ou* and keep themselves and four younger children from starvation; an ex-Yenching employee with T. B. has been found light work so that he may earn enough at home to support his family; the motherless five-year old of a West Gate ricksha coolie was given a "scholarship" into the Chengfu Nursery School so that she could be taken care of for part of the day while her father and brother are out at work.

NOTES FROM CONTROLLER'S OFFICE

PRICES OF DOMESTIC COAL. There seems to be some confusion about the prices of domestic coal. Last fall this office had an understanding with the T'ien Feng Coal Yard to have uniform prices of coal supplied to our Yenching households. The price list was published in this Bulletin on September 26. It was also stated, barring major courses, that the prices would hold good for the whole winter, and that there was no need of contracting forward. Unfortunately, the war in Suiyuan broke out and it has been difficult to get rolling stock to transport coal. This, coupled with the formation of a cooperative selling organization in the Mentoukou mines has caused a rise of \$1.50 per ton for all kinds of coal. The present quotation from T'ien Feng is given hereunder. The management has assured this office that these prices will be good for the rest of the winter.

Lump coal and cha-tzu.....\$ 9.50 old weight
\$ 8.50 new weight

Hung mei.....\$15.00 old weight
\$13.50 new weight
