SPECIAL NOTES

FACULTY DISCUSSION GROUP ON RECENT DEVELOPMENTS AT TINGHSIEN. Tingsien as a center of rural reconstruction has undergone a number of changes during the last year. What exactly are the changes and what is taking place in Tingsien must be of great interest to the Yenching Community, especially as the University is a participant in the new program. Dr. Y. K. Chu has been visiting Tingsien constantly. The discussion next Tuesday evening will be under his able leadership. All interested are welcome to attend.

PIANO RECITAL. On Wednesday, February 3, a Piano Recital will be given by Mrs. Mabel Rhead in Bashford Auditorium at 8:15 p.m. Mrs. Rhead is from the Department of Music of the University of Michigan and has already given much-appreciated recitals in Shanghai, Nanking, and Peiping. Yenching is fortunate in having her for this occasion, when her program will consist of compositions by Bach. As Mrs. Rhead is generously giving this recital free, there will be no admission charge. All members of the University are cordially invited.

DR. STUART will make another brief trip to Shanghai, to attend educational meetings, and also, a meeting of the Shanghai alumni, leaving Monday evening, February 1, and returning on February 8.

CHORUS PLANS FOR THE SECOND SEMESTER. For the first part of the coming semester there will be two choral groups at work, one on *Messiah* concerts and one on an entirely new program. The *Messiah* chorus will meet regularly on Tuesdays from 7 to 8 p.m. in Sage Hall, whereas the other group will meet as usual on Thursdays at 6:45 p.m. in Sage Hall. Due to the fact that the music for the new program will not be ready until February 11, there will be no meeting of this group until then. The *Messiah* group will first rehearse on February 4 and then on February 9.

The Chorus is scheduled to sing in the 'Kung Hsueh' Auditorium in Tientsin at 5 p.m. on Saturday, February 20. It is also planning to sing in Nanking during the spring vacation (tentative date is April 12). Due to the fact that the Shanghai Choral Society is giving the *Messiah* next month, we feel it would be unwise to duplicate the same music in the same season and location.

The singers in the *Messiah* concerts are selected singers, while for the new program we invite "all those who like to sing" regardless of whether they have ever sung before or not. This semester's music consists of selections from every age beginning with the 10th century. A Chinese melody has been included arranged in 'organum' and 'faux bourdon' representing 11th and 12th century types of music. Representative numbers from every century for a thousand years have been carefully selected, edited, printed and will be ready for all those desiring to participate in such an interesting and educational program. The first rehearsal is on Thursday, February 11, at 6:45 p.m. in Sage Hall.

3. Mass singing

The purpose of the program is to arouse interest in and appreciation for China's music. This program was originally planned for January 4, but owing to the illness of the director, was postponed.

FACULTY DISCUSSION GROUP. Some findings of the Religious Survey of Yen-ching students. For instance, how do Yen-ching students value religion, socialism, and communism as forces for China's reconstruction. What change comes in the religious life of our students as a result of life in Yen-ching? Should Yen-ching community have a Community Church? And what does such data indicate are changes which should be made in our university religious program? The discussion will be led by Mr. Arthur Rugh.

RELIGIOUS SURVEY. A quiet survey is being made of the religious life of Yen-ching by a group of interested students and teachers. A hundred representative students have been interviewed to secure their ideas on religion in general and on religion in Yen-ching in particular. A plan is now under way to interview the members of the faculty for the same purpose.

Religion has had a large place in history and will doubtless continue to do so. Yen-ching University naturally desires to provide a religious life as wholesome, as up to date as is its curriculum or social program. The University is indebted to this group who voluntarily

sand with no propaganda or official purpose is conducting this survey. The members of the faculty are cooperating in the usual Yen-ching spirit.

CLERGY CERTIFICATES have been received for the use of those planning to travel in America this year. Will those wishing to have these kindly call at the President's Office.

MISS BORING is expected to arrive in Shanghai on Monday, February 8, and will proceed directly to Yen-ching.

SPECIAL NOTES

EAST COMPOUND SUPPER. The next Compound Supper will be held on Monday, March 1, at 7:00 p.m. The hostesses are Mrs. C. W. Luh, Mrs. Y. K. Chu and Mrs. Robert C. Y. Chao. The hostesses will entertain their guests at their own homes, and each person will be notified later of the definite place. After supper a short devotional service and the business meeting will take place at Mrs. Luh's, No. 37 of the compound.

FACULTY DISCUSSION GROUP. The faculty discussion meeting next Tuesday will be devoted to a consideration of the topic "Mobilizing Christian Opinion" under the leadership of Dr. J. S. Kennard. Dr. Kennard is the founder of the *Christian Graphic* in Japan which has recently been censored and closed. He is making plans to publish a periodical in Peiping along lines of Christian principles. All interested are invited to attend.

UNIVERSITY LECTURES COMMITTEE. Because of the resignation of Mr. Porter from this committee, a new committee has been appointed as follows: Mr. Shadick, chairman, Miss Wagner, and Mr. Hubert Liang. This committee will welcome suggestions from faculty members as to possible lecturers.

ANNUITY PLAN. Members of the faculty, who are not already members of our annuity plan and who wish to begin making contributions on July 1, are asked to report to the Bursar's Office before March 1, so that provision may be made in the budget for 1937-38.

INFORMATION BULLETIN. As an interesting example of the special work of Dr. Shuhsi Hsü in connection with the Ministry of Foreign Affairs, a copy of the *Information Bulletin* has just been received entitled: *Japanese Concession in Tientsin and the Narcotic Trade*, by Marcus Mervine. These Bulletins, covering material about some of China's most vital problems, are edited by Dr. Hsü in an attractive form. This copy, Vol. III, No. 4 may be seen in this office.

YENCHING REPRESENTATIVE AT PARIS CONFERENCE. Mr. Shadick has been appointed Yenching representative at the International Conference on Higher Education to be held in Paris on July 26, 27, 28, in connection with the Paris Exposition. Mr. and Mrs. Shadick are planning to spend next winter in Paris.

FACTS ABOUT ALUMNI. Now that our Alumni and Alumnae are having opportunities to do more and more significant things in the various fields of their interest throughout China, it would be interesting to us all, if members of the faculty, upon learning of such activities of our graduates, through reading or otherwise, would kindly notify this office. In this connection, the following from the *China Weekly Review*, February 20, 1937, under "Who's Who in China" is worthy of note:

"Miss Anna An-li Huang, diplomatic official; native of Fukien; born in 1911; graduate of Yenching University, Peiping; joined the Ministry of Foreign Affairs, September 1934; appointed Attache to the Chinese Embassy in London with the brevet rank of Third Secretary, December 1936, which post she now holds; she is the first girl in the Chinese diplomatic service to have attained the rank of Secretary; well versed in English and Chinese, she also speaks German and French fluently; she is the younger sister of the well-known Chinese poet and calligrapher, Huang Chun, senior secretary of the Executive Yuan; address: Chinese Embassy, London, England."

CONTRIBUTIONS IN AMERICA. In view of the importance to us in American giving to philanthropic causes, the following may be of interest to this community:

Lowest Percentage. In spite of returning prosperity, the people of the United States last year registered the lowest percentage of giving to church, education, and philanthropy that has been recorded in any year since 1925, according to Charles V. Vickrey, president of The Golden Rule Foundation, presenting a report to the National Committee for Religion and Welfare Recovery.

Mr. Vickrey bases his findings in part upon the official preliminary report just issued by the U.S. Treasury Department. Income tax returns for 1935 indicate a total net taxable income of \$14,656,079,000, with \$305,279,000, or 2.083 per cent, deducted as contributions. In 1932, the net taxable income was \$11,055,757,000, with \$304,009,000, or 2.698 per cent, deducted as contributions.

A study of the Treasury Department's income tax reports for the past 20 years reveals that at no time have the deductible contributions reached as high as 3 per cent. They have hovered rather closely around 2 per cent—scarcely within speaking distance of the Biblical tithe or the 15 per cent which our government offers to exempt from taxation if contributed to religious, educational, scientific, character-building, or other forms of social service.

"Strange as it may seem, the depression year of 1932 produced the highest percentage of giving that has ever been recorded," said Mr. Vickrey. "Does it require suffering to produce sacrificial giving?" and "Can sterling character be developed without sacrifice?" are two questions suggested by this report.

Books of General Interest for the Library. The Committee responsible for purchasing books of general interest (in English) for the University Library is faced with the problem of attempting to buy some of the more important recent publications and also to fill some of the worst lacunae in earlier periods. If any member of the community owns some of the following books and would be willing to give them to the Library or sell them at a reduction, this would make it possible for other equally important books to be purchased. Please notify H. E. Shadick, Department of Western Languages, by Wednesday, March 3 if you can do this.

SPECIAL NOTES

FACULTY DISCUSSION GROUP. Tuesday, March 9, 8 p.m., at the President's House. The recommendations made by the staff of the Religious Survey are up for discussion. For instance, how can religion be more effectively taught in the curriculum? Do we want to employ a Director of Religious Activities? How can the Faculty cooperate more effectively with students in our religious program? What changes are needed in the plans and program of the Yenta Fellowship? The discussion will be led by Mr. Arthur Rugh.

COLLEGE OF ARTS AND LETTERS SOCIAL. Preparations are being made for a Social on Saturday, March 13, at 7:30 p.m. in the Boyd Gymnasium. All faculty members and students of the College of Arts and Letters are invited to attend. Detailed announcements will be found in the "Yenching News" as time approaches. Members of the faculty of the College are asked to reserve the date.

THE ALUMNI HOUSE at Teng Shih K'ou welcomes faculty members (men and women) to stay there when they have to spend a night in town. The House is now under new management with an experienced matron in charge and new equipment added. The atmosphere is changed too! Any suggestions or complaints should be sent to the "absentee manager", House 21, East compound, who surely will give his best attention to them.

OLD BOOKS ON CHINA WANTED. The Oriental Collection of the Library is lacking certain books, written a number of years ago, on various aspects of things Chinese, Philosophy, Religion, History, etc. Many of these are now out of print. It is possible that faculty members may have such books, which are now no longer useful to them, and would be glad to give or sell them to the library. If you have any books on China which you are willing to part with, please notify Mr. Tien or Miss Hague.

LECTURE ON JAPANESE FLOWER ARRANGEMENT. An unusual opportunity to hear a lecture on Japanese Flower Arrangement has been arranged by the Garden Group of the International Women's Club. Mr. Alfred Koehn will give an illustrated talk on the subject on Thursday, March 11, at 5:00 p.m. in the P.U.M.C. auditorium. Tickets are fifty cents and may be purchased from Miss Boynton.

LETTER FROM CONTRIBUTOR. The following are extracts of a letter recently received from a friend of Yenching University, who in recent years has been our most generous contributor. "Dear Friends of the University: I want this little note to carry Mr. Pfeiffer's and my sincere thanks for your Christmas greetings and the tea in the unique container. We appreciate your kind thoughts of us more than I can express. We serve the tea only on special occasions and never fail to tell that it is real Chinese tea The world is very small now. You will read of our catastrophes, floods, strikes, etc., as we do of your troubles. Peace on Earth and Good will toward mankind seem to have flown to the four winds. But our Christian faith and hope help us to be courageous and carry on. With the best of wishes to the Faculty and Students of Yenching University for a successful 1937, Most sincerely,"—signed, Mrs. Henry Pfeiffer.

CHINESE THESES IN AMERICA. A pamphlet has been received from the China Institute in America entitled THESES AND DISSERTATIONS BY CHINESE STUDENTS IN AMERICA 1931-36. This is a very interesting list, which may be seen by calling at this office.

BACK SEATS AND FRONT SEATS. It has been again suggested that it would be a great help in preventing confusion, if, at all meetings held in the University, early-comers would be public-spirited enough to take front seats or those farthest from entrances, so that the back seats and those nearer the entrance may be occupied by those who, for one reason or another, may find it necessary to come slightly later. Many a meeting has been interrupted by efforts of the chairman and the confusion of others to find places for late-comers, when by a little forethought this could have been avoided. Early arrivals need not feel shy at coming forward. This will be much appreciated by the chairman or leader, and also by late arrivals, unavoidably delayed, who are thus allowed to slip quietly and inconspicuously into a rear seat.

LANG JUN YUAN GARDEN MEETING. The next meeting of the Lang Jun Yuan residents will be held at House 20 at 8:00 p.m. on *Monday, March 15*, primarily to welcome the new resident member and the member returning from furlough. Plans for the Garden Beautiful will also be discussed. It is hoped that every one in the Garden can be present. Please save the date.

COOK-BOY AVAILABLE. A cook-boy who can do Chinese cooking, foreign breakfasts, laundry and coolie work, is recommended by Mrs. T. T. Lew, and is now available.

SPECIAL NOTES

COLLEGE OF ARTS AND LETTERS SOCIAL TO-NIGHT. The College social will be held *to-night*, March 13, at 7:30 p.m. in the Boyd Gymnasium. All faculty members and their wives and the students of the College are invited to attend. Please be sure to wear soft-soled shoes. Program sheets are being distributed.

CLASSES SUSPENDED. Because of the annual election of officers of the Student Self-Government Association, permission has been given to the students to hold a general mass meeting on Monday morning, March 15, from 9:00-12:00, and all classes scheduled during that period will be suspended.

FACULTY RECEPTION. All members of the Faculty and their wives are cordially invited to a reception in honor of Dr. Eric North, on Tuesday, March 16, from 4:00—5:30 p.m. at the President's House.

Dr. North is the son of the late Rev. Dr. Frank M. North, for many years senior secretary of the Methodist Board of Missions, and a distinguished author. He himself was for many years secretary of the Board of Trustees of Yenching University and of the other Union Universities in China. More recently, he has been secretary of the American Bible Society. He is a member of the Board of Trustees of Yenching University and is one of the three Yenching representatives on the Board of Trustees of the Harvard-Yenching Institute.

TUESDAY EVENING FACULTY DISCUSSION GROUP. The group considering Yenching economic life from the Christian stand-point will discuss the system of faculty salaries, allowances, etc., as set forth in the Faculty Information Bulletin. All are welcome.

UNIVERSITY LECTURE. On Thursday, March 18, at 4.15 in McBrier 103 Miss A. G. Bowden-Smith, will lecture on: "Some Aspects of the Russian Dispersion." Miss Bowden-Smith is well known as a leading educationalist and lecturer. Since giving up her position as Headmistress of the P'ei Hua School in Peiping, she has devoted herself to a study of the growing number of 'people without a country', especially Russians, and to practical measures for ameliorating their condition. Miss Bowden-Smith is an official representative of the League of Nations in this field.

LANG JUN YUAN MEETING POSTPONED. The meeting of the residents of Lang Jun Yuan, scheduled for Monday, March 15, has been postponed until the following Monday, March 22, 8:00 p.m., at the home of Mr. and Mrs. Ts'ai.

FROM DR. SHUHSI HSU. Dr. Shuhsi Hsü would like to correct an impression which a passage in the last issue of this bulletin referring to his work may have created in the mind of the readers. He wishes to state that the Council of International Affairs which issues the Information Bulletin referred to in the passage is an independent organization; and that his being adviser to the Ministry of Foreign Affairs and at the same time director of the said Council is purely accidental.

DR. LEONARD HSU is engaged in several interesting undertakings. He is planning to go to Java this summer as a delegate of the Chinese Government to attend a conference on rural hygiene under the auspices of the League of Nations, and is to present a paper on Rural Reconstruction in China. Also, at the January meeting of the Council of the League of Nations he was elected for three years a Corresponding Member of the Economic Committee of the League of Nations.

ALUMNI NOTE. Extract from a letter from Mr. Silcock: "I think you will like to know how well Fei Hsiao-Tung is getting on. He is a bright example of the way to make contacts and get the best out of his experience in this country. He came to see me a day or two ago and is evidently in very close touch with the two professors who are in charge of his work and sees a good deal of them in a friendly way as well as in the class room. He has been able, through the kindness of Professor Malinowski, to stay in the home of a cultured widow lady who has a good many friends constantly in and out of her house, so that he has a splendid introduction to English social life."

ORIENTAL INSTITUTE JOURNAL. A copy of the Oriental Institute Journal of the University of Hawaii has been received at the President's Office. This outlines officers, faculty, and courses, which include a variety of subjects concerning the more important countries of the Orient.

Material for this Bulletin should be sent IN WRITING to the Office of the President before Wednesday noon of each week

BARON ALEXANDER VON STAEL-HOLSTEIN, who passed away at the German Hospital on March 16, had been related to Yenching University through the Harvard-Yenching Institute for more than ten years. A subvention from the Hall Estate funds, made at the recommendation of President Stuart, made it possible for the baron to continue his studies in Peking from the summer of 1926. In 1928, he was invited to Harvard University, at the time when Professors William Hung and Lucius Porter also went there. With the organization of the Harvard-Yenching Institute, the baron was appointed as a professor of Harvard University in the field of Sino-Indian studies, but resident in Peiping, where he organized the Sino-Indian Institute with funds from the Harvard-Yenching Institute. Baron von Stael-Holstein was a distinguished scholar in Sanskrit and Tibetan literature dealing with Buddhism. He was occupied with translation of Buddhist texts and commentary upon them, using versions in the three sacred languages of Buddhism, Sanskrit, Tibetan and Chinese. His special contribution to scholarship came in the use made of Chinese and Tibetan works in elucidating the meaning of the Buddhist sutras in their Sanskrit form. The baron was always a warm friend of Yenching University.

SPECIAL NOTES

VESPER SERVICE. The election of Chaplain for next year will take place at the close of this Sunday's service. All members of the congregation are invited to the Mead Garden at 8:45 p.m., June 6, to wish goodbye to those who are leaving.

FACULTY DISCUSSION GROUP. With the coming of the busy season towards the end of the year, the Tuesday evening faculty discussion series is considered completed. It is hoped that all those who have attended the meetings during the year have found them not unprofitable. A note of thanks is due to those in charge of arrangements and those who have contributed to making the program interesting.

FORWARDING ADDRESSES. This is to remind all those who are leaving the campus on furlough, for the summer, or otherwise, to fill out the accompanying blank and send to the President's Office giving date of leaving, date of sailing, and forwarding addresses.

DEATH OF MRS. BARKER. Friends of Rev. and Mrs. T. M. Barker are grieved to learn of the death of Mrs. Barker recently in Florida. Mr. Barker was a member of the faculty of the School of Religion from 1921-1931, teaching New Testament, Greek, etc. In the summer of 1929 he married Miss Betty Barker, who was secretary to Mr. Gamble when compiling his book on *Social Conditions in Peiping*. Her's was a bright and happy nature which won countless friends. For two years the Barkers lived in the house now occupied by Dr. T. C. Li. In 1931 Mr. Barker returned to his old work under the Irish Presbyterian Mission in Manchuria.

Not long after her marriage Mrs. Barker developed heart disease and had to limit her physical activities. Indeed, after they left here and went to Manchuria she was practically an invalid. But her brave spirit never failed nor allowed her to cease from thinking first of others.

The cold of Manchuria was too severe for her, so last autumn after a summer at Peitaiho, they went to winter in Florida. The warm weather there was said to do her great good. Three months ago we heard that she had a stroke, but were soon relieved to know that she had quickly recovered. Suddenly within the last few days the news reached us of her death.

She will be mourned by many who knew her as a staunch friend, and who will grieve for the suffering of their old friend Tom Barker.

SPECIAL NOTES

The Sheng Kung Hui Communion Service will be held as usual this term, alternate Sundays in English and Chinese at 8:00 a.m. in Sage Hall Chapel. The Service on October 10 will be in Chinese, the music being *Merbeeke*.

University Service. On Sunday at 10:30 a.m. the Christian Fellowship will hold a special service in Ninde Chapel when the new members of the Fellowship will be received. It is hoped that all new members will be present, and that old members will make a special effort to come to this special service of dedication. Dr. Chao will preach, his subject being "The Rebirth of the Nation".

From the Registrar's Office. Will the Chairmen of Departments please return the guest-student information blanks to the Admissions Office as early as possible.

Faculty Time Schedules. All teaching members of the faculty who have not yet turned in their time schedules to the Registrar's Office are requested to do so as soon as possible.

Mail. There may be a chance to send mail to America the end of next week. Kindly send letters to the President's Office before noon on Friday, October 15.

From Han Ch'ing-lien. Mr. Han wrote from Japan that all was going well with him and the other Yenchinians also on the boat, Misses Li Kuan, Yu Hsi Hsuan, and Mr. Wang Shih Chun.

From Lin Ch'i-Wu. On the boat with Mr. Lin were misses Wong Au Hsiu, Wong Chao Jung, Kenneth Liu and Hsiao Cheng Ta. All were enjoying the trip.

Dogs. An arrangement has been made with Dr. Benaradsky V. M. D. to take care of our campus dogs (in place of Mr. Tolstikoff who died last spring). Dr. Benaradsky is willing to come to us each spring and give the anti-rabies inoculation, and again in the autumn, when the mosquito season is past, to give a microscopic test for heart worms, this yearly treatment to cost \$5.50 per dog, large or small. On each visit he will in addition give each dog a careful inspection to see if it is in good condition.

Dr. Benaradsky is the first veterinary in Peiping to be able to give a scientific test for heart worms, an expensive and difficult disease to cure if it cannot be checked at the start. He is the veterinary for the Peiping Dog Show and for our own dairy.

I have the names of the following dog owners who have signified an interest in this service, Bent, S. D. Wilson, E. O. Wilson, Porter, Cochran, Cookingham, Brown, Mead, Cummings, Sailer, Boynton, Pollard-Urquhart, but if there are any others, will you please notify me (Hilda L. Hague) as soon as possible, as I am writing shortly to Dr. Benaradsky about the autumn treatment.

REPORT ON RELIEF PLANS FOR THE YENCHING COMMUNITY

The University Committee on Local relief work appointed by President Stuart about the middle of September undertook two tasks: 1. To raise money for relief work. This was done by becoming responsible for the *Community Chest* and by appealing to the faculty and staff for contributions from October salaries. The response to the appeal was generous and the Committee appreciates the ready cooperation from the members of the University. A report of the funds secured will be made later. 2. To secure the organization of a committee so constituted as best to undertake the actual administration of relief work. This was accomplished by securing a committee of seven with personnel and representation as follows:

Relief Administrative Committee

Mrs. Y. P. Mei.	representing the Faculty Women's Association
Mrs. C. P. Ts'ao	" " Yenching Craftwork (Kung ch'ang)
Miss Kao Chun Che	" " Department of Sociology
Miss Dora Bent	" " Mrs. Learmonth Fund Trustees
Rev. Ch'i Kuo Tung	" " Haitien Christian Church
Mr. Shih Sung-pei	" Yenching University
Mr. Howard S. Galt,	chairman

It is the expectation that the University Committee first appointed will be appropriate to this second more representative committee, the sums from the *Community Chest* for relief work. And it is the hope that some of the organizations represented on the Relief Administrative committee may also be able to provide some sums for the common task.

The Relief Administrative Committee, believing that conditions of destitution will be such as to require continuous efforts throughout the winter season, has opened an office in Ch'eng Fu, in the compound of the *No. 1 Kung Chang*, in rooms very generously loaned by that organization to the Committee. A full-time secretary, Mr. Hao, has been engaged for

both office and field work. All the members of the Committee are cooperating by contributing of their time on a voluntary basis. Miss Cookingham has generously consented to have the Bursar's Office serve as Treasurer's Office for the Committee.

The plan reported above has been adopted in order to centralize and make as efficient as possible the relief work in the University community this season. The Committee will appreciate it if all cases of need coming to the attention of members of the University are reported to the Committee; and the Committee also requests that if faculty members, for special or personal reasons, wish to give relief to individual cases directly, that they report such plans to the Committee, in order that there may be neither confusion nor duplication in the general task.

The first major task of the Committee will be to make a general survey of community needs. In this, and in the later administration of the relief, it is the hope that students from the Social Work Division of the Department of Sociology may participate.

The office hours of the Committee's secretary in the Ch'eng Fu office will be from 9:00 to 12:00 a. m. daily except Sunday.

SPECIAL NOTES

From the Controller's Office. In Pursuance of the instructions of the Administration, this office has made a careful study of the Power Plant operations with a view to reducing the charges for the public utilities and also the University Dairy.

Beginning with this semester the charges for telephone and milk have been reduced considerably. As to electricity and water the University charges are based on actual cost plus some overhead and on the city rates for similar services. Any reduction on them will affect the University income and will increase the deficit which the present salary cut hopes to alleviate.

After giving the matter its most careful consideration, the Administrative Committee decided to continue the present charges without change.

College of Arts and Letters Dinner: A College Dinner in honour of new students is being arranged for Friday evening, Oct. 22. Faculty members of the College are asked to reserve the date and to make their reservations for the dinner with Mr. Y. P. Mei or his secretary Mr. C. H. Huang. The charge is 50/c per person. Faculty wives are welcome.

Russian Instruction. Due to the decreased student enrollment of the current semester, it was found impossible to continue academic classes in Russian. The instructor, Mr. A. Speshneff, has expressed a willingness to come to the campus several times a week if a sufficient number of the community wish to study. Those interested are advised to get in touch with Mr. Rudolph Lowenthal or Mr. Edwin Beal.

Lectures on Dante. This year the English Department is fortunate in having a course of lectures on Dante, to be given on Thursdays, at 2:30 p.m. in Sage 106, by Mr. Pollard-Urquhart. This course is primarily for English majors but it is thought that there may be members of the Yenching community who would enjoy this opportunity. Mr. Pollard-Urquhart kindly agrees that any of us may attend his lectures.

Marjorie Tan wrote that she had a pleasant trip to Kobe and was able to get a good reservation on the SS "President Jackson."

Further Notes on Relief Work. In addition to the information on Relief work published in the Bulletin last week, the Relief Administrative Committee desires to make the following announcements:

1. *Old Clothes.* All persons or families who have warm or cast-off articles of clothing or bedding which are still usable and which they are willing to contribute for relief work, are requested either to send them to the Committee's office (Compound of the No. 1 Kung Ch'ang, Ch'engfu) between the hours of 9:00 and 12:00 a.m.; or to report to the Committee so that arrangements can be made for some one to call for the articles.
2. *Employment.* The investigations under way are revealing much unemployment and the desire for work. If members of the University community can offer work of any suitable kind to indigent men or women, or to larger boys or girls, they are requested to report such opportunities to the Committee. Communications may be sent to the Office or to members of the Committee. (A list of members may be found in last week's Bulletin).

SPECIAL NOTES

Workmen's Service. Beginning with this Sunday, November 7, the place for the Workmen's Service is changed to the Workmen's Social Centre instead of Niude Hall.

Harvard-Yenching Institute Museum Study Group. The cold weather is already driving us indoors and the university heat is now on, so it seems the appropriate time for those interested in pursuing the study of Chinese culture with the help of the H-Y I museum, to have an initial meeting to discuss plans. Will all those who signified their interest in joining this group please come to the Harvard-Yenching Institute (upstairs in Bashford) on Tuesday afternoon, November 9, at 4:15. The class will be in English.

Faculty Folk Dancing. The faculty Folk Dance group will have its first meeting on Tuesday, November 9, from 6-7 p. m. in the Boyd Gymnasium. All faculty members and wives are welcome. No previous experience is necessary, but please wear light, comfortable clothing and rubber-soled shoes. This wholesome form of activity has been found to be refreshing to both body and spirit. Come and join the group.

Non-Exchange of Christmas Cards. Suggestions have been made from this office in previous years that within the members of our own community there be no exchange of gifts or cards at the Christmas season. In view of the wide-spread distress this year it would seem especially fitting to devote to relief of those in need what we would enjoy spending in mutual remembrance. If this suggestion is accepted, we can all be sure that failure to give such expression to Christmas good wishes will be thoroughly understood by all concerned.

Mail for Abroad. We have learned that Mrs. Jameson of the P.U.M.C., who is kindly taking letters for us to be mailed in Hongkong, is not leaving until November 9. If there is further mail to be sent, kindly send to this office *before noon on November 8*. Mrs. Jameson will stop at Tsingtao, Cheefoo, Shanghai, and then proceed to Hongkong. Foreign mail to be sent from Hongkong should have British stamps, or else the equivalent should be paid in local currency at this office.

There is also a chance to send mail direct to America via the SS President Coolidge. This should be sent to this office *before noon on Saturday, November 6*.

Mail for abroad brought to us last week will be sent by this direct route rather than by Mrs. Jameson.

Relief Work. The Relief Administrative Committee reports that the registrations in its Ch'eng Fu office of persons (or families) applying for help now exceed two hundred. Of this number of cases nearly one hundred have been investigated and to many of these different forms of relief are being applied. In the form of "labor relief" about ten men are engaged in grading or leveling work the campus. A number of girls and women are recommended to the *Kung-changs* already organized, but the number who can be received is very limited. Other forms of relief, direct or indirect, are in operation, or under consideration.

The Committee wishes again to report the need of serviceable cast-off clothing, and of places to work for the many types of unemployed.

SPECIAL NOTES

University Lecture. The University Lecture on Thursday will be given by Mr. George Taylor, who originally came to Peking as a fellow of the Harvard-Yenching Institute and taught for several years in the Central Political Institute, Nanking, is with us for the present academic year as a Visiting Tutor in the introduction of the Tutorial Method and Honors Courses as conducted at Oxford and other British universities. His subject will be "Great Britain and Europe Today."

Promotional Plans. A cable has been received from the Board of Trustees requesting that Messrs. Arthur Rugh and Stephen Ts'ai go to the United States to assist in financial efforts for the University. This was approved at a special meeting of the Faculty Executive Committee held on November 10. Mr. Ts'ai will leave for Shanghai on S.S. *Taiyuanfu* sailing from Tangku November 16, and sail from there by the first steamer on which passage can be secured. During his absence routine matters will be cared for by those in charge of the various divisions in the Controller's Office, and Dr. Galt has agreed to serve as Acting Controller in so far as issues may arise requiring special attention. For this purpose he will keep office hours to be announced later.

Faculty members and their wives who would like to wish Mr. Ts'ai / *Lu P'ing An* (一路平安) are invited to the President's house on Sunday afternoon, November 14, from 4-5 p.m.

Mr. and Mrs. Rugh are planning to leave the campus after the middle of December.

Mail for Abroad. It was not possible, after all, to send mail direct to America, so the letters finally went *via* Hongkong, which made the postage higher than the amount collected in most cases. It would be much appreciated if those who had sent letters to this office before Monday noon would kindly make up the difference in postage. (Direct, ten cents; *v.a.* Hongkong, thirty cents). We have also been advised that letters sent by travellers should not be sealed or stamped, and plain envelopes should be used.

Dr. Hubbard. Word has been received that Dr. George D. Hubbard, who was to have come to Yenching this year as visiting professor has decided not to come. He has sent a copy of his latest book *Geography of Europe* for our library.

Correction for Directory. On page 15 under Department of Political Science, Mr. Wu Ch'au's rank should be *Instructor* instead of *Research Assistant*.

Notes from Controller's Office. Several members of the faculty have expressed the desire to share with owners the expenses of hiring cars for trips to town to avoid the annoyances at the city gate. To meet this demand the following arrangements have been made with the Journalism and Mr. Ts'ai's cars. Mr. Liu at the Power Plant who is in charge of bookings of these cars, will ask each time whether or not the hirer cares to have riders, if so how many. People may inquire at Mr. Liu's office for opportunities to ride in or out, or to place with Mr. Liu in advance requests for such privilege. To simplify accounting, the rates for these two cars shall hereafter be \$6.60 per round trip within five hours within city limits. The reason of this odd amount is that it is highly divisible.

Guest House for Alumni. A guest house at No. 12 Ta Ch'eng Fang, Ch'eng Fu (outside east gate, former by Mr. D. K. Yang's house) has been specially prepared by the University to entertain our alumni who return and wish to stay for one or two nights. Application should be made through Mr. Li Yin T'ang, Alumni Bureau.

Report on Relief Work—At the regular meeting of the Relief Administrative Committee last Tuesday afternoon it was reported that the total number of registrations in the Relief Office has now reached the number of 350. The Secretary, assisted by members of the Committee and students has investigated about one-half of the total number registered. Relief in some form or other has been or is being given to more than 70 individuals or families. Others are under consideration and, as the weather gets colder, relief measures will probably be accelerated. There is still need for cast-off clothing and for places for work for different types of people in need. The Committee appreciates the cooperation so far received from members of the community and will be glad to receive further suggestions.

SPECIAL NOTES

HARVARD-YENCHING INSTITUTE MUSEUM STUDY GROUP. This group has been meeting on Tuesday afternoons at 4:15, and the enthusiasm shown by some of those who have attended has greatly encouraged the sponsors of this new and somewhat experimental activity. Now that skating has started and the Christmas season begins to loom large, it has been decided to hold only one more meeting before Christmas, with the intention of beginning again after the New Year.

We are very fortunate in having secured Miss Burt for this last meeting on Tuesday, December 7. Our interest having been aroused in the very ancient history of China brought to light through recent archaeological discoveries, Miss Burt has been asked to give a survey of early human culture the world over, indicating the relation of the earliest inhabitants of China to the human family as a whole, as far as we know it today.

UNIVERSITY LECTURE—Professor William McGovern, who lectured here recently, will do so again on next Thursday afternoon on *Nationality and Nationalism*. This subject of the causes of the rise of Nationalism in our modern world and its consequences for international relations is one to which Dr. McGovern has given much thought in recent years. It is an exceptionally timely topic for us at present.

FAREWELL FOR MRS. WILLIAMS AND MR. AND MRS. BISSON—For those who wish to bid farewell to Mrs. J. E. Williams and Mr. and Mrs. Arthur Bisson, there will be an opportunity next Sunday afternoon, December 5, at the President's House between four and five o'clock.

BRITISH EMBASSY—The following invitation from the British Embassy has been received: The President and Faculty, Yenching University: The Commandant and Officers, His Britannic Majesty's Embassy Guard at Home, Monday, December 13. *Cocktails 6-8 p.m.*

CHINESE BOXING. All interested in learning Chinese Boxing may make arrangements for lessons through Miss Fang in the Boyd Gymnasium. Mr. Li Chien Hua is the instructor. Price for a class lesson is \$1.00 per hour and for a private lesson is \$.50 per half hour.

RIDING—Those interested in riding will be glad to know that a pony can now be had, any time by arrangement with Miss Cherry, or directly with the mafoo. The stable is in the Tien Pei Yuan, and the Mafoo has a book in which those who use the pony are to enter their names. It is not possible to say how much the rides will cost, until it is known how many want to ride, and how often. The more the cheaper! Everybody welcome!

FROM MR. CHANG HUNG-CHUN—“In view of the political developments, we have decided to move gradually out of Tsining to Hankow, stopping at Sui P'ing, Honan, temporarily. I will leave in a few days probably for Sui P'ing. Arrangements have been made with two possible places where the Institute may have its station, but of course the final decision will be made by the Council. My address will be care of Mr. Wei Lang-chai, Sui P'ing, Honan.”

Dear Dr. Stuart :

If you approve of the idea set forth in the enclosed letter, would you be willing to circulate it among the Yenching faculty? The letter is only to inform people of the plan and there is no desire to ask anyone to pledge himself to carry it out.

The idea happened to be broached in a Mothers' Club Executive Committee meeting, and so after talking with a few people who approved we set the ball rolling, since the time was short. But the Mothers' Club makes no claim to it as a project of its own. It is for everybody to whom it appeals.

Sincerely yours,
(Signed) Thelma H. Ballou

An Open Letter to the Organizations of Peking :—

The suggestion has been made in the Executive Committee of the Peking Mothers' Club that many people this winter would be interested in a *Christmas Greetings Club* similar to that which has been carried on for several years by members of the PUMC. Such a club means that money ordinarily spent for Christmas cards would instead be contributed through a central treasurer to the charitable organizations of our city. The Christmas greetings would then be conveyed to one's friends through a published list of names under a suitable heading in the Peking Chronicle. Each person would be urged to designate the organization to which his contribution should be given, but if unlabeled it would be divided equally among organized charities. The list would be published first on Dec. 15 and additions would be made daily through Christmas Day. Mrs. R. L. Creighton, 14 Erh Tiao Hutung, An Ting Men Nei, has consented to act as treasurer. If the plan finds favor with you, she will receive your check, together with your indication as to the use of the gift, and she will issue you a receipt. All accounts will be carefully audited.

Two remarks are in order. Like many good ideas, this one started late, so it seemed necessary to formulate the plans at once without waiting to obtain valuable suggestions from each organization. If the scheme works this year, it can doubtless be improved upon next. Moreover since organizations in Peking overlap in membership, many people will hear of this plan in more than one connection. This seems unavoidable since, due to the shortness of the time before you would normally be buying your local Christmas cards, we can think of no other satisfactory way of sending out a general notification.

The Executive Committee
Peking Mothers' Club

The above letters explain themselves. Those who care to take advantage of greeting their friends in the city through the *Christmas Greetings Club* may either send their names and contributions direct to Mrs. Creighton, or to the President's Office to be forwarded to Mrs. Creighton. Contributions may be designated for Yenching relief if so desired.

The Committee hopes to present some account of its work in the next issue of the Yenching News.

The meetings of the Committee are open to the public, if interested persons desire to attend them. However, most of the time is devoted to general business rather to individual cases—the latter being handled for the most part by a small committee or by individuals.

The next meeting of the Committee is scheduled for Tuesday, December 21, at 10:30 a.m.

SPECIAL NOTES

SUNDAY SERVICE. Our Christmas Week program will begin at 10:30 on Sunday morning, December 19, with a Joint Service for all divisions of the Yenta Christian Fellowship. The service will include Infant and Adult Baptisms and Holy Communion.

On Sunday, December 26, the children of the Campus Sunday School will attend morning service and bring their own gifts of toys, as their Christmas offering to other girls and boys.

THE MESSIAH. The rendering of The Messiah in Bashford Auditorium on Sunday evening, December 19, will be as a service of worship in place of the usual English Vespers. A special offering will be taken up for our Yenching Relief Work.

VICTROLA CONCERTS. On Friday, December 17, the victrola concert will be omitted due to conflicting meetings. Also, on December 24 and 25 there will be no victrola concert nor community singing. The Tuesday evening concerts at 63 Yen Nan Yuan will be held as usual every week without interruption.

FACULTY FOLK DANCING. Will be omitted on Tuesday, December 21 and Friday, December 24.

BRIDGE CLUB. There will be no meeting of the Club on December 25 on account of other Christmas activities on the campus. On Saturday, January 1, the Bridge Club will have a special New Year Party at the President's House at 7:30 P. M. All members are requested to notify Mr. Li, Second Dormitory 111, whether or not they will be able to come. A fee of ten cents will be charged to cover the cost of the refreshment.

THE PRESIDENT'S CHRISTMAS PARTY FOR FACULTY CHILDREN. Following his usual custom President is inviting all the faculty children to a party at his house on Christmas afternoon. It was found last year that the children have increased so in number that the house is scarcely large enough to hold them all at one time, so this year it has been decided to divide the younger from the older children. The *nursery school, kindergarten, first and second grades* are asked to come at 3:30 promptly, at which time their entertainment will begin. They will be expected to be taken home at 4:30, when the older children (from the third grade) on will be assembling for their party. Parents are *not* specially invited this

year on account of the lack of space, but of course any parents who would like to bring their own small children will be most welcome. It is hoped that if amahs are sent with the younger children, they will simply bring them to the house and call for them again at 4:30. Miss Clara Tai and Miss Kuan Jui-wu and others experienced in the handling of small children will be there and will take good care of them.

The parents are asked to cooperate in this new arrangement, and explain to their children the nature of the party this year. And the older children are urgently requested not to arrive before 4:30, since it will cause confusion if they come too early.

Only the children who receive personal invitations from President Stuart are expected to attend the party.

If any faculty children fail to receive a personal invitation before next Wednesday please notify the President's office and one will be sent.

CHRISTMAS ENTERTAINING. This is to remind faculty members who expect to invite any students to their houses for any meal during the Christmas season (Dec. 24, 25, 26) to drop in at the President's Office and consult the list of students who expect to be on the campus during the holidays. If the host or hostess signs a name after the name of the guest on this list, unnecessary duplication may be avoided, and faculty hospitality may be spread a little wider.

SKATING RINK FEE. Faculty members would greatly help the Department of Physical Education if they intend using the rink to send the fee to K. A. Wee at Warner Gymnasium. The rate is \$2 each for faculty members and \$1 each for their children. Assistants and their children are requested to send for each \$1 and fifty cents respectively.

NEW BOOK BY DR. BARTLETT. A letter has been received by Dr. Stuart from Rev. Robert M. Bartlett, who was on our faculty some years ago. He also sent a copy of his latest book *They Dared to Live* which may be seen in President's Office. Quoting from the preface: "In an epoch of disillusionment and despair it is heartening to consider the men and women of our modern world who have dared to live with heroism and have made life triumphant. . . . This book introduces thirty-five of these representative personalities from thirteen nations. They come from various fields: politics, science, exploration, business, literature, art, medicine, law, education, philosophy, religion, and social reform. They are all pioneers in their realm of effort, trail-blazers and torch-bearers. They have probed to the root of reality, matched their strength against entrenched evils and made individual existence and humanity's struggle a happier and freer adventure."
