FROM MR. TS'AI. Letters have been received from Mr. Stephen Ts'ai, one en route to Hongkong where he boarded the *Empress of Asia*, leaving December 10. He had met with a group of over thirty Yenching students and alumni. Many of the students are eager to return to Yenching for the spring semester. The other letter was sent from Yokohama, dated December 18, on board the *Empress of Asia* where there were only 16 passenger in tourist class. Quoting, "This boat spent one whole day in rushing to the rescue of the *Hoover*. We were near Foochow when the SOS call from the *Hoover* was picked up. With full steam we reached the scene at 10 p.m. We couldn't see her very clearly but were told by another boat standing by that our help was not needed as the *McKinley* was coming from Hongkong. We lost about twelve hours, but had plenty of time according to schedule, as we did not call at Shanghai." Mr. Ts'ai expects to reach New York about January 4.

SPECIAL NOTES

ARRIVAL OF MR. LINDSAY. We are glad to welcome Mr. Michael Lindsay from Oxford, who arrived last Monday. Mr. Lindsay will be a tutor in Politics and Economics.

NEWS FROM THE PORTERS. Letters have been received from the Porters posted just before leaving Japan on the *President Jackson*, reporting a very pleasant and uneventful trip so far. They had the interesting experience of having to break their way through the ice as they left the shores of China, and also of travelling with the "spirits" of Imperial troops returning to their native land. Their boat arrived in Kobe on time at 8:00 a.m. January 19. The *Jackson* came in just behind them due to sail at 4:00 p.m. the same day, so there was no trouble with baggage as it did not have to leave the pier. "A nice lot of mail to greet us from children and relatives. All set for a good start. Farewell greetings to all and best wishes for restful holidays and a good term".

NCCRR. Word sent on February 5 says that "The Rural Institute North China Council for Rural Reconstruction" has recently adopted new arrangements: 1. Seventeen people are to be sent to Kweichow to help in the provincial program. This will probably follow three lines. The Institute will help in a provincial investigation, in planning, and in experiment. The staff of the Institute will assume the primary responsibility with the help of the provincial government and other educational institutions in Kweichow. 2. Seventeen are to work in Szechuan. Some will aid in the work at Shih Yen Hsiang experiment at Paisha. Another group will work in Yung chuan. This work in Szechuan is to help in the training program being worked out there, but is primarily to secure data to discover future possibilities for the Institute.

THE UNIVERSITY LECTURES COMMITTEE is happy to announce that Miss Boynton has consented to give here at Yenching, the lecture on English poetry which she recently gave in Peking. In her talk the lecturer will give some idea of the changes which have appeared in poetry since the beginning of the century, and of the reasons for these changes. As examples of two divergent attitudes toward contemporary life, Mr. T. S. Eliot, who has identified himself with traditional and religious views, and Mr. W. H. Auden, who undertakes the criticism of the contemporary scene from the leftist position, will be discussed. It is interesting to note that Mr. Auden has just been granted the King's Medal for poetry.

SUPPLEMENT TO STUDENT DIRECTORY. A Supplement to the Student Directory of 1937-38 has been distributed recently to the faculty and staff members. Those who have not yet received a copy may get one from the Registration Bureau.

SPECIAL NOTES

WORKMEN'S SERVICE. The time for Workmen's Service on every Sunday has been changed to 9:30 a.m. instead of at 3:00 p.m. which is found inconvenient for those who wish to attend.

H-Y INSTITUTE MUSEUM STUDY GROUP. The Museum Study Group will begin its meetings on Tuesday afternoon, March 22, at the usual time, 4:15 p.m. At the request of one of the members, the first subject under discussion will be "Chinese Bronzes". Mr. Jung Keng, the expert in this field, has kindly consented to lecture on March 29, and in preparation for his talk the group will meet on March 22, for preliminary discussion and examination of the bronzes in the museum collection. The books on bronzes from the library will also be on hand.

UNIVERSITY LECTURE SERIES. On Thursday afternoon, sponsored by the University Lectures Committee, in McBrier 103, 4:15 p.m., the community will have the opportunity of attending a debate staged in the English manner. It differs somewhat from the American form in that the audience are permitted to take part. It is a very favorite "sport" in the English universities, and it is hoped that this exhibition of how it is done may stimulate our Yenching students to practice this very useful form of oratory. The debate will be in the capable hands of Messrs. Taylor and Lindsay and the subject chosen for the debate should prove an interesting one at this particular moment.

FROM DR. STUART. Word has been received from Dr. Stuart to the effect that as his boat had been much delayed by fog, he did not expect to reach Shanghai before Saturday, March 5, several days later than scheduled.

FOLK DANCING. Now that the weather is so warm, Faculty Folk Dancing will adjourn in favor of tennis and other outdoor sports.

HARVARD-YENCHING INSTITUTE MUSEUM STUDY GROUP. Members are reminded of the meeting on Tuesday, April 5, when Mr. Jung Keng will speak on "Chinese Bronzes".

UNIVERSITY LECTURE. On April 7 the University community will have the unusual opportunity of hearing a lecture from one of the outstanding geologists in China today. Prof. A. W. Grabau, former Professor of Paleontology of Peita, and Chief Paleontologist of the Geological Survey of China, will lecture at the usual hour, 4:15 p.m. in McBrier 103 on "The Rhythm of the Ages". Professor Grabau is one of those rare scientists who has the happy faculty of making a technical subject extremely interesting to an ordinary audience, so no one need stay away for fear of not being able to understand. His lecture will be illustrated with charts and other aids.

MAILING LISTS. A request has come from the New York office concerning a more satisfactory coordination of personal mailing lists and those on file in that office. It will be much appreciated if each one who is in the habit of sending letters to lists of personal friends, would visit the President's Office during the next few days in order to consult over this matter.

CORRECTION. Books on local history, in connection with walks and excursions, are in the *English* Department Library, not in the History Department Library as previously announced.

FAREWELL DINNER FOR MR. EDWARDS. DR. STUART'S EXPECTED ARRIVAL. A telegram has been received to the effect that Dr. Stuart is arriving on the S. S. *Shengking* which was due at Tangku probably on Friday, May 6.

SOUTH COMPOUND SUPPER. The South Compound Supper will take place on May 9 in the garden of house 54 at 7:00 p.m. Hostesses are Mrs. Hu, Mrs. Ch'i and Mrs. Hung.

ART EXHIBIT MINER HALL. The third of the exhibits of Chinese painting sponsored by the Harvard-Yenching Institute will be held from May 12-20 in Miner Hall. The paintings are the work of the Fu-lu art group of Peking which was organized by Mr. Ch'en Han-ti (Miss Ch'en I's father) and a group of his friends. The exhibit was shown recently at the Peking Institute of Fine Arts, and we are greatly indebted to Mr. Ch'en for his willingness to allow the pictures to be shown here, and to one of the artists, Mr. Ch'iang Yun-men, who has consented to give a lecture on the paintings on Thursday afternoon in Miner Hall. The paintings include landscapes and studies of trees and flowers, various modes of painting being represented. Two of the artists are women.

DANCE PROGRAM ANNOUNCEMENT. The Dance Program by the Department of Physical Education will be held on the evening of Play Day, May 18. There are a limited number of admissions tickets to be sold, as a special seating plan has been made so that every seat will have a clear view of the stage. The balcony is by far the best place. Bookings can be made at the University Book Store beginning Monday, May 9.

Monday to Saturday 9:00-12:00 a.m.

Monday to Friday 4:00- 5:00 p.m.

Please make appointment with the clerk either by telephone or by note as to the date and hour that you can be expected for examination. Your cooperation will be highly appreciated.

LETTERS FROM DR. STUART. "This voyage has seemed interminably slow. It is, to begin with, an old and slow steamer. It has an immense capacity for cargo and we have been delayed at Chefoo and Tsingtao by endless shipments of peanuts, beans, and other Shantung products. At the latter port we spent 49 hours, delayed in part by the quarantine officer. Of course regulations against working cargo from 6 p.m. to 6 a.m. aggravate the delays. We are due in Shanghai early tomorrow morning and unless we have fog I should make the connection for Hongkong with just enough time. This uncertainty has of course added to my anxious impatience. I have sent a radio message asking what hour the *Potsdam* sails tomorrow and am waiting for the reply which we may never get because even the wireless equipment is defective. As against all this, we have had continuously good weather, very friendly officers and fellow passengers, comfortable indolence for enforced rest and the reading I only have apparently on steamers. So if we arrive without mishap tomorrow morning and I get aboard the *Potsdam* I shall not complain overmuch. We have had almost no news which adds to my restlessness, only tantalizing scraps. Greetings to everyone."

A second letter, received several days later, indicates that he expected to be able to make the connection easily with the *Potsdam*.

SPECIAL NOTES

VICTROLA CONCERT. Although the Friday evening concerts of recorded music will stop for the time being, the Tuesday evening concerts at 63 Yen Nan Yuan will continue through to an indefinite date. On Tuesday evening May 24 at 8:30, the works of *Ravel*, a modern French composer, will be heard.

ANNOUNCEMENTS FOR HONORS DAY. As previously announced, Honors Day will be observed at University Assembly, Tuesday, May 31. Will anyone who is concerned with any honors that should be announced that day, please communicate with Mr. Hsia Yün or President's office by *Friday, May 27*.

'A GERMAN REQUIEM' by Johannes Brahms will be sung by the Chorus on Saturday, May 28, at 7 P.M. in Bashford Auditorium. This is an inspired work for chorus, and takes its place among the greatest achievements of civilization in the field of music. Because of its difficulty few choral groups are willing or able to produce this music. On the other hand, its transcendent beauty, the eternal message of comfort, hope, and faith as expressed through some of the choicest bits of Biblical literature (arranged by the composer himself) have removed all difficulties and have released the power for the overcoming of obstacles.

It was first produced seventy years ago as a memorial to the mother of the composer who had died three years previously. The title 'A German Requiem' is in contrast to the Latin Requiems sung at memorial services in Roman Catholic Churches. In the Latin liturgy the very first words in this service are "Requiem aeternam pacem" (Rest in eternal peace) from which the whole service receives its name. In the Requiem by Brahms he has chosen the words "Blessed are they that mourn" for the opening words. Because these words are non-traditional and because this work is not a liturgical one, he has chosen to call it a *German Requiem*.

LETTERS FROM STUDENTS. It would be much appreciated if members of the faculty who receive letters from students either indicating their attitude to the University in the present situation, or describing their experiences during recent months, would send these to this office for excerpts to be made. This will be of great help in a number of ways.

MR. LIN CH'I-WU has returned to the Department of Physical Education after a year's study at Columbia University where he received M.A. degree.

MRS. LIEN SHIH-SHENG SUCCUMBS. News has been received here of the regrettable death of Mrs. Lien Shih-sheng (the former Miss Cheng K'an-ts'u), class of 1931, M. A. 1933, on the eleventh of August of the present year at Hongkong. After leaving Yenching, Mrs. Lien had been teaching in various middle schools in Kwangtung, her native province, and Peiping, with great success. She was the author of several novels and a great number of children's books, all of which were very well received by the reading public. Her unexpected death at such an early age is an irreparable loss to her country.

DR. WU CHI-WEN, M.D. has joined the staff as assistant medical officer to Dr. T. C. Li. He is a Yenching graduate of 1932, and received his M.D. from the P.U.M.C. in 1934. Since graduation he has been connected with public health stations, and has been a school health director. At present he will reside in the Men's Infirmary.

Also Chinese dinner parties can be arranged. All reservations for meetings or parties should be made through the Business Office.

We regretfully note from Reuter's report the death of Mr. Hou Shu-t'ung, a graduate of Yenching of 1928. He received his M.A. here in 1930. Mr. Hou had been on leave of absence since the summer of 1937.

We regret to announce the death of Mr. Chao Chih-hua of the Registrar's Office. Mr. Chao had served this institution for twelve years with an unreserved effort that was admired by all who knew him. Mr. Chao passed away on September 20, and left behind him an aged mother, a widow, and two children. His untimely death is certainly a great loss to his family as well as to the institution with which he was affiliated.

SPECIAL NOTES

SOUTH COMPOUND MEETING. The first South Compound Meeting will take the form of a camp-fire supper on Monday, October 3, at 6:45 p.m. on the compound playground. The hosts are Mr. and Mrs. S. D. Wilson, Mr. and Mrs. H. S. Galt, and Mr. and Mrs. William Band.

FACULTY DISCUSSION GROUP. This week we continue with Yunnan. As Mr. Subilia was ill last time, he first will tell of his experiences, and discussion led by Miss Hague and by him will follow.

RESERVED SEATS DISCONTINUED. As the arrangement for reserved bus seats has not met with popularity, it is, therefore, discontinued.

REGISTRATION. 942 students have completed registration to date (272 women, 670 men). Ten students have already left the University on account of sickness or other reasons.

HOLIDAY. October 10 will as usual be observed as a University Holiday.

SUMMER PALACE. Arrangements have been made whereby members of the faculty and students will be admitted to the Summer Palace for twenty cents beginning October 1. Tickets can be bought at the Business Office during office hours beginning October 1.

JOURNAL OF SOCIAL STUDIES. During the summer copies of the *Yenching Journal of Social Studies* were sent to almost all members of the faculty, regardless of their degree of interest. Those who are definitely interested in the material contained in this publication are asked to keep the copy sent them, but the Editorial Board would welcome the return of any copies which are not being used or not wanted. Please send such copies to the Journal office, McBrier 219. The stock of Vol. I, No. 1 has been exhausted.

HARP RECITAL. Madame J. Siguret, wife of the French consul, Tientsin, has very kindly consented to give a recital of harp music on Saturday evening, October 8. As opportunities to hear harp music are very rare, it is hoped that all will avail themselves of this privilege. Fuller announcements as to details will be made later.

We regret to report the death of Mr. Wang P'eng-chü, a graduate in the class of 1932, at T'ang Shui P'u, between Changsha and Ch'ang-te. Mr. Wang was riding a motorcycle, and had a fatal accident as he crossed a partially destroyed bridge, which gave no warning of such destruction. We extend sympathy to his uncle, Dr. T. C. Li, and other members of the family.

SPECIAL NOTES

UNIVERSITY LECTURE. The first of the regular University Lectures will be held next week on *Tuesday* afternoon at 4:15, instead of Thursday. The speaker, Dr. Munch, is an economic expert who has recently arrived in China from Copenhagen, Denmark, and who is therefore thoroughly conversant with the present situation in Europe. The lecture will be in English.

FACULTY DISCUSSION GROUP. The series on Western countries will be postponed a week, while we take advantage of Mr. Gerald T'ien's return to the campus to hear about Kiangsi. All faculty and staff are welcome.

ADVANCE NOTICE.. A retreat for *all* members of the Yenta Christian Fellowship will be held on Sunday, October 23, probably in a garden near Yenching. Full details will be sent out later, but meanwhile members are asked to reserve the whole day. The topic suggested will follow some such lines as how we can best enrich the life of the Fellowship and its members during this year.

JOURNAL OF SOCIAL STUDIES. The second issue of the Yenching Journal of Social Studies is scheduled to appear early in December. Subscriptions are now being received at the Journal office, McBrier 129. Reduction of twenty-five percent is given to faculty members.

MR. LI YIN-T'ANG has just received the sad news from his home in Chinchow, Manchuria, of the death of his father, Mr. Li Shou-cheng, on September 30, at the age of seventy-two. Mr. Li was for twenty years elder of the Presbyterian Church at Chinchow, and for many years director and treasurer of the Mission Middle School there. Mr. Li Yin-t'ang has the sincerest sympathy of the community in his loss.

DR. FONG SEC PASSES. This community will sympathize with the family of Dr. Fong F. Sec, whose death is reported as having taken place on October 3 in Shanghai. It will be remembered that Laura, Lucile, and Baldwin all graduated from here, Mary was to have been a junior last year, and Mae had been accepted as a freshman last autumn. The parents thought it safer for Mary and Mae to remain in Shanghai last session.

Dr. Fong Sec was one of the early Chinese students who went to America for study, and was one of the pioneers in the building up of the Commercial Press. He was also identified with a wide range of public-spirited and religious activities.

SPECIAL NOTES

FACULTY DISCUSSION GROUP. Mr. Lapwood will lead the discussion after giving a report of the remarkable Oxford Group Conference in Sweden he attended during the summer.

THE COMMUNITY CHEST COMMITTEE is making plans for the annual canvass of our community the last week in October. All projects which wish to share in its funds are reminded that an audited report of last year's accounts must be presented together with the request for further aid, before Thursday, October 20. A special committee, of which Mrs. Sailer is chairman, will receive and pass on these reports and requests before reporting to the general committee on that date. Last Saturday a printed report of the work of the Relief Committee for last year was put in your hands. It is well worth a careful reading. The same committee has been asked to carry on this coming year, for the need for relief all about us is no less than it was a year ago, perhaps even greater. Keep the Community Chest in mind as you plan your expenditures this month.

ANTICIPATING the furlough of Mr. and Mrs. S. Withers Green, Mrs. Green is leaving shortly for Shanghai, where she will sail on the S.S. "Empress of Russia" for America en route to England. She expects to arrive there in time to celebrate Christmas with their three children who are now in school.

DR. FENG HUI-HSI who has been with us for more than two years in the Eye Clinic in the Men's Infirmary, has left for America for further study in New York city. This community expresses appreciation for the devoted and able service of Dr. Feng, a Yenching graduate, who has so ably conducted this clinic.

SPECIAL NOTES

FACULTY DISCUSSION GROUP. Discussion for the coming two sessions will be upon *Japan*, led by especially qualified authorities. Unless there is an announcement to the contrary, Mr. Gilbert Bowles, who has lived in Tokyo for many years, will lead the discussion. Mr. C. Walter Borton will also be present. Professor H. F. MacNair (*see note in University Lecture*) will lead the discussion the following week.

UNIVERSITY LECTURE. The University is fortunate in having as special lecturer this week—a distinguished visitor from Chicago University, Professor H. F. MacNair, Professor of Eastern Asia History in that institution and well-known author of various books dealing with this subject. Dr. MacNair will, in his University Lecture on Wednesday, trace the historical causes of the present conflict. The lecture is held on Wednesday instead of Thursday, because of a special athletic program which is being planned in connection with American Thanksgiving Day.

JOINT SERVICE ON THANKSGIVING DAY. While everyone is welcome, all Americans on the campus, children as well as grown-up members of the faculty, are especially invited to the Thanksgiving Service in Ninde Chapel.

AMERICAN FOOT BALL FOR THANKSGIVING DAY. This year a feature for Thanksgiving Day is an American foot ball game (in the form of touch foot ball) between Fu Jen University and Yen-ching. This game will not only have Americans on the teams, but also English and Chinese. Fu Jen is practicing Notre Dame plays. Come and see what Yen-ching will do to them. Be sure to see the "Kick Off" at 4:00 p.m. *SHARP* on Thanksgiving.

BADMINTON AND BODDLE BALL. On Thanksgiving evening badminton and boddle ball will be introduced at Warner Gymnasium. Shuttlecocks will be furnished free on that evening. Thereafter every Wednesday night will be devoted to badminton when faculty and students may come to play. There will be instructors on these evenings to help beginners. After Thanksgiving, players need only to furnish shuttlecocks.

SPECIAL NOTES

REGARDING THE NEXT UNIVERSITY ASSEMBLY. Mr. Stephen Ts'ai, the Controller, has kindly accepted the invitation of the Committee on Student Life to speak on "*The Public Utilities of Yenching University*" at the next University Assembly on December 8. In his speech, how the University water and light, and the University bus are equipped and managed, will be exhaustively dealt with. Due to the very fact that Mr. Ts'ai actually takes charge of the said utilities, he is the most qualified person to present the subject. Again the subject itself comprehends some of the major substantial needs of our daily life. So we have every reason to believe that Mr. Ts'ai's speech will naturally arouse the interest of all faculty and students. In order to secure the fullest benefit from this presentation, Mr. Ts'ai will be glad to have questions, criticisms, or suggestions sent in advance so that he may answer these at the time. In order to assist him in this, such questions should be sent to the office of the Committee on Student Life, Bashford 125, before November 30. It is hoped that many such questions will be sent in.

BADMINTON CLASSES will be held every Wednesday evening at 8:00 p.m. in the Warner Gymnasium, instruction being given for the first twenty minutes. All faculty members are welcome.

RUMMAGE SALE. A rummage sale, sponsored by the Yenching Faculty Women's Association, will take place on Tuesday, December 6, at Sage Hall. Money obtained from the sale is for relief work.

THE MEAD SERVANTS will be free after the end of January. Will anyone who knows of any possibilities, or who is interested in a cook (who could do cook-boy work), a table-boy, an amah, a part-time sewing amah or a part-time gardener, please get in touch with Mrs. Mead, 30 East Compound.

*Material for this Bulletin should be sent IN WRITING
to the Office of the President before Wednesday noon of each week*

STATEMENT REGARDING INITIAL RELIEF PLANS

The Committee on Community Welfare, corresponding to the Relief Committee of last year, was appointed by President Stuart at the time when the Community Chest campaign was undertaken.

The personnel of the Committee and the organizations or interests represented are as follows:

Miss Dora Bent
Mrs. Cheng Lin-chuang
Rev. Ch'i Kuo-tung
Mr. Shih Sung-p'ei
Mrs. Stephen Ts'ai
Mr. Ts'ai Te-ch'un

Mrs. Ts'ao Ching-p'an
Mr. Wei Yung-ch'ing
Mr. Howard S. Galt

Mrs. Learmonth Memorial Fund
Department of Sociology
Haitien Christian Church
University Staff
Faculty Women's Association
Department of Education, Rural Extension
Division
Women's Kung Ch'angs
Yenta Christian Fellowship
Chairman

Immediately upon the close of the Community Chest campaign the Committee met to organize and discuss the plans for its work. Mrs. J. C. Li, Chairman of the Community Chest Committee, had reported that about \$2500 would be available from the Community Chest. This sum, with nearly \$400 remaining from the Relief Committee's funds of last year, provided about \$2900 with which the present Committee is undertaking the year's work. This sum is much smaller than the total sum used by last year's Committee and it is hoped that other contributions from various sources may be received later.

The Controller's Office has generously made available for the Committee's office and centre of work, the University residence in Ch'eng Fu, No. 13 Hsi Yang Hutung—the same place which the Committee used last spring.

Mr. Hao Hwa-feng, the office secretary of last year, now enrolled in the Short Course in the School of Religion, is available for two days each week (Friday and Saturday) and the Committee is glad to retain his service on a part time basis. In addition, a new Secretary, Mr. Fan En-chu, has been engaged for full time. Mr. Fan, whose home is in Haitien and whose mother has a position in the Women's College, is a graduate of the Lu Ho Middle School, and seems well qualified for the Committee's work.

In general, relief work will be undertaken according to the plans of last year. Applicants for relief should go (during the forenoons) to the Committee's office for registration. Subsequently each case will be investigated and measures of relief, within the general policies and resources of the Committee, will be adopted.

The Committee is grateful to the community for the generous contributions which enable the Committee to begin its work, and will appreciate sympathy, criticism, and co-operation as the work develops. In particular, the Committee would like to be informed of any vacancies which may be filled by men or women laborers.

Later.—After the above report was written the Committee held its third regular meeting and further plans were adopted.

Statements made by members of the Committee having close contacts with community life indicate that needs are more serious than last year. General conditions of poverty, unemployment and dislocation of business, compared with last year are as bad or worse, and needs are rendered more acute by the higher prices of food, clothing, and fuel. The office has been open only ten days and there have already been 78 applications for help.

The Committee has allocated funds for certain forms of relief—clothing, food, fuel, labor relief, etc.—and considers it necessary to plan at this early date for at least a small-scale porridge kitchen.

The Committee will be greatly in need of more funds before the winter is over and will welcome further contributions or reports of sources from which funds may be expected.

Included among the numbers which will be sung are: "Kyrie Eleison" (one of the oldest chants of the Christian Church); "O Bone Jesu" by *Palestrina*; "Hear My Prayer" by *Mendelssohn* with Miss T'ang Wen-hsin as soloist.

FACULTY DISCUSSION GROUP. Unless announcement to the contrary is made on Monday, the session this week will be on *France*. Dr. DeVargas will preside, and Mr. and Mrs. Shadick and Mr. Shen Nai Chang will lead in discussion.

RUMMAGE SALE is to be held at the Sage Hall, on Tuesday, December 6, from 3-6 p.m. If you have things to donate, please do it by all means; if not, come and buy. There will be various things for sale. Articles, both for sale and for donation, must be marked with prices, and then sent to the person who is in charge in your community, not later than Monday December 5. The following are collecting centres:

East Compound—*Mrs. Gideon Ch'en*
 South Compound—*Mrs. K. H. Chou*

RECITAL. On Friday evening, December 9, at 8:30, Mr. A.N. Speshneff, baritone singer, will present a recital in Bashford Auditorium. Among other things he will sing: *Handel's* "Largo" in its original operatic form; "Caro Mio Ben"; one lied each from the works of *Schubert*, *Schumann*, *Crieg*; selections from Russian composers both 19th and 20th centuries, such as *Tchaikowsky*, *Borodin*, *Moussorgsky*, *Tcherepnine*, *Prokofieff*, and *Stravinsky*. The program is a very interesting and varied one. Mr. Speshneff will be accompanied at the piano by Mr. S.N. Vargassoff, famed for artistic photographs, but also a well-trained pianist. He will play *Liszt's* 12th *Hungarian Rhapsody* and a second number by a Russian composer: *Aliabieff*. A libretto will be used with the program so that the meaning of each song will be discernible.

OLD OR WORN OUT FOREIGN CLOTHES. Miss Augusta Wagner has consented to act as collector for foreign clothing to be sent to the Foreign Women's Aid. Will those having clothing of any sort—especially warm things—which they have no further use for, send them to 57 South Compound; instead of to Mrs. Mead.

UNIVERSITY LECTURE. We are very fortunate in having as our lecturer on Thursday, December 15, the distinguished authoress, Florence Ayscough, now the wife of Prof. McNair of Chicago University. Mrs. Ayscough who is well known in China for her translations of Chinese poetry, was joint authoress with the American poetess, Amy Lowell, of *Fir Flower Tablets* (1921). Since then has appeared her *Tu Fu 712-770* (2 vols. 1929-34). Her most recent book, which appeared this year, is entitled *Chinese Women Yesterday and To-day*. Mrs. Ayscough is at present spending some months in China and is continuing her work of translation. She has chosen for the title of her lecture next Thursday, "The Shrine of a Chinese Poet", and will include in her lecture an account of her visit to the site of the "straw hut" in Szechwan where Tu Fu spent the last years of his life. The lecture will be held as usual in McBrier 103, at 4:15 p.m.

FACULTY AT HOME TO STUDENTS. All those members of the faculty who wish to be at Home to students on Christmas night, Sunday, December 25, kindly send their names to this office by Wednesday noon of next week for printing in this *Bulletin* next Saturday. It has been suggested that some may prefer the hours 7:30-9:30, and others 8:00-10:00. Kindly indicate your preference.

B. Water	(1) Gas fermentation	nil
	(2) B. Coli	none
	(3) Bacteria (quite safe)	21 per c.c.

It is hoped that a monthly report can be published in this *Bulletin* hereafter.

WINTER COLD PREVENTION INNOCULATION. The following has been received. Those who are interested in getting these preventions done, please apply at the Medical Office, Men's Infirmary.

'Cold' Vaccine

1. This vaccine consisting of heat killed rough Pneumococci type I is produced with an intention to study its value in preventing the secondary infection of cold. Those persons taking this vaccine are not promised that a cold will be prevented, but it is hoped that it might be milder, due to the production of heterophile antibodies in their system following these injections.
2. Persons receiving this vaccine are requested to furnish the following data:
 - a. Age, sex, occupation
 - b. Approximate number of colds in previous winters
 - c. Severity of the cold, the presence of fever, or bronchitis
 - d. Number of the colds after vaccination
 - e. Severity of the cold
3. The vaccine at present is put up so that the dose is 0.1 cc. to be given subcutaneously at three weekly doses. If desired, the injections might be continued once a week throughout the winter.

INFANT BAPTISM. Dr. J. F. Li will be pleased to hear from any parents who wish to present their children for Baptism on Christmas Day.

A SPECIAL OBJECT FOR YOUR CHRISTMAS OFFERING. The Committee on Community Welfare, as stated in last week's *Bulletin*, has made tentative plans for the opening of a *chou ch'ang* in the future.

In the spirit of the Christmas season, the Committee suggests that persons who feel inclined to help feed our more destitute neighbors may send to the Committee special Christmas contributions for the *chou ch'ang*.

The proposed site is the site of the former *chou ch'ang*, the old Temple at the southeast corner of Haitien. In this Temple there is an Industrial Orphanage partially supported by and partially under the control of, the Committee. A suitable place and equipment are available here and it is thought that the older boys in the orphanage can do much of the work. Thus the cost of operation would scarcely exceed the cost of grain and fuel. The ticket system, as adopted last year, would be used and the number of persons to be fed would be determined by careful investigation of need, and by the extent of the funds available.

Contributions, marked for this purpose, may be sent to the Chairman of the Committee, or direct to the Bursar's Office.

WEDDING OF YENCHING GRADUATES IN SWITZERLAND. Professor William Hung announces the marriage of Mr. Weng Tu-chien and Miss Kuang P'ing-chang (Pauline). The wedding took place on October 31, at the church of St. Léger (above Vevey) Switzerland, with the Rev. Fernand Subilia, father of Mr. J.-D. Subilia, officiating at the ceremony. Mr. Weng received his Ph.D. degree at Harvard University last June, and is now taking some special studies in Paris in Persian, Turkish, and Mongolian. Both Mr. and Mrs. Weng are graduates of Yenching University (M.A. 1935), and both held scholarships under the Harvard-Yenching Institute. Their present address in Paris is 12, Rue de Vaugirard, Paris (VI), France (via Siberia).

BORN. We are pleased to announce that a daughter has been born to Dr. and Mrs. Chao Ch'eng-hsin on Wednesday evening, December 7, in P. U. M. C.

FACULTY DISCUSSION GROUP. Because of illness in the family, Mr. Moyer will not be able to come to lead the discussion.

UNIVERSITY LECTURE. Mr. Kyat Tang, President of the Shanghai Cycle Association, will speak on the subject of "Cycling, the Foundation of Motoring and Aviation". He will cover three main points (1) a brief history of the bicycle, from the ancient Hobby Horse to the Modern Safety, (2) the joy of cycling and how to obtain the maximum pleasure out of it. The correct riding position and the art of ankling. (3) the history of the Shanghai Wheelers and the importance of such an organization which is directly responsible for the promotion of cycling and the protection of its interest in China.

THE PRESIDENT'S CHRISTMAS PARTY FOR FACULTY CHILDREN. Following his usual custom, Dr. Stuart is inviting all the children of the faculty and staff to a party at his house on *Monday afternoon*, December 26. The children will be divided into two groups, the *Nursery School, Kindergarten, First and Second Grades* arriving at 3:30 *promptly*, at which time their entertainment will begin. They will be expected to be taken home at 4:30, when the older children (from *Third Grade on*) will be assembling for their party. Parents are not invited owing to lack of space, and if amahs are sent with the younger children, they are asked to leave their charges at the door and call for them again at 4:30.

Last year the party was very successful owing to the splendid cooperation of the parents, and this year again parents are asked to help in seeing that their children arrive at the right hours.

Only children who receive personal invitations from Dr. Stuart are expected to attend the party.

If any children of the faculty and staff fail to receive a personal invitation before next Wednesday, please notify the President's Office and one will be sent.

CHRISTMAS ENTERTAINING. This is to remind faculty members who expect to invite any students to their houses for any meal during the Christmas season (December 24, 25, 26) to drop in at the President's Office and consult the list of students who expect to be on the campus during the holidays. If the host or hostess signs a name after the name of the guest on this list, unnecessary duplication may be avoided, and faculty hospitality may be spread a little wider.

BEEF FOR SALE. The University Dairy will have for sale on December 21 a limited amount of very good beef from one of our own cows at \$1.00 for three catties. Please place your order at the Dairy or with your milk man.
