### SPECIAL NOTES

**UNIVERSITY SERVICE.** The Christian Fellowship will hold a Communion Service on Sunday morning at 10:30. Every member of the Fellowship is expected to be present.

**SPECIAL SERVICES FOR SATURDAYS.** It is planned for Saturdays this semester to have special services of an entirely meditative and devotional character. This month Miss Cochran will be in charge and Miss Czech will play the organ. Special attention should be called to the fact that the music service will be on Fridays this semester instead of Tuesdays.

**THE CHORUS** will sing *Haydn's "Creation"* this semester—one of the three best beloved oratorios in western literature. All who desire to sing are cordially invited to the rehearsals every Thursday evening at 6:45 in Ninde Hall beginning on February 8.

**DR. STUART** is leaving here about February 22 to attend a meeting called by the Rockefeller Foundation on March 2 to discuss future plans of its rural reconstruction program. Dr. Houghton, representing the P. U. M. C., and Dr. Stuart representing Yen-ching, are urged to attend. They are sailing from Shanghai on February 26 with Dr. Balfour, who is the present representative of the Rockefeller Foundation, for Hongkong, from where they will probably fly to Chungking. A meeting of the China Foundation will be held in Hongkong on April 15. Under present conditions of travel it may be necessary for Dr. Stuart to be away from the University until after this second meeting.

**MR. AND MRS. RUGH.** Word has been received that Mr. Rugh is working actively on promotional work in Washington and California, and expecting to make a trip east, returning later to California. Mrs. Rugh is living in their apartment in New York. The Douglas Rughs have another daughter, Mary Dorman.

**SONG RECITAL.** Dr. Rebert J. McCandliss will favor us with a recital of songs on Monday evening, February 19, at 8 p.m. in Bashford Auditorium. He will be accompanied at the piano by his wife. Dr. McCandliss has recently returned with his family from furlough. While in America he studied with Frank LaForge, who is one of the most famous teachers of voice in the country. Due to his studies he has not only improved his voice, but also has added to his repertoire, so that his program will be varied and interesting. He needs no introduction to this community, having sung here in recital before and with the Chorus at its various concerts. Needless to state, he is the most famous bass singer in the Far East. Tickets for the recital are on sale at the Coöperative Store. Reserved seats one dollar; general admission fifty cents.

**MRS. TREVOR BOWEN** will give her third recital of piano music on Monday evening, February 26, at 8 p.m. in Gamble Hall. She will play from the works of Beethoven. Detailed announcements will appear later.

**SPECIAL LENTEN SERVICE OF WORSHIP.** During Wednesdays in Lent a special service of worship will be conducted in Sage Hall from 5:30-5:50 p.m. All who wish to share in the service are welcome.

The second lecture will be entitled "Italy in a CHANGED World Situation" and will interpret Italy's key position in the rapidly shifting political scene in Europe. ### SPECIAL NOTES

**FUNDAMENTAL CHRISTIAN BELIEF WEEK.** Because of a widely felt need for a systematic presentation of some of the basic ideas of the Christian faith, the Yenta Christian Fellowship has arranged a series of lectures for next week from Monday to Saturday in Nindé Chapel at 7:00 to 8:00 p.m., except Thursday, when it will be from 9:00 to 10:00 p.m. The entire University community is invited. The attendance of those who are closely related as advisors to the small groups is especially urged.

**DR. J. L. STUART.** Word has been received that Dr. Stuart, Dr. Balfour, and Dr. Houghton have arrived safely in Chungking.

**DR. T. C. CHAO.** The President's Office has received a letter from Dr. T. C. Chao, saying that he is definitely planning to return to Yenching by next autumn.

**THE WELFARE COMMITTEE** has on their unemployment list, men and women in need of work. Should members of our community need a worker for the garden, or a woman for sewing, please get in touch with Mr. Hao Hwa-feng at the *Relief Center*, or Mrs. W. H. Adolph.

**FOOD DISTRIBUTION.** It may be of interest to the community to know that 469 faculty members and workmen shared in the recent distribution of rice and flour. Of this number, 136 received flour, 233 grade A rice, and 44 grade B rice. In addition to the above, a group of 73 persons composed of students living outside and the dining-hall staff received 20 catties rice each, thus making the total number of participants 542.

### SPECIAL NOTES

**SPECIAL PRAYERS.** For the Holy Week, special prayers will be held on Monday, Tuesday, and Wednesday, March 18, 19, and 20, at 5:30 p.m. in Sage Chapel.

**PIANO RECITAL.** Mrs. Trevor Bowen is presenting her fourth piano recital in the series which demonstrates the development of key-board music in Europe. This program, scheduled for Monday, March 18, at 8 p.m. in Gamble Hall, will illustrate the compositions of the Romantic School. Among other items will be the famous "Carnaval" of Schumann, and a Liszt Hungarian Rhapsodie. All are heartily welcome. A printed program will be supplied to all.

**UNIVERSITY LECTURES SERIES.** Mr. Brank Fulton will lecture next Thursday, March 21, in McBrier 103, at 4:15 p.m. on the subject, "Whither America?" Mr. Fulton is a graduate of Yale University and was formerly at Yale-in-China, Changsha. He came to Yenching this fall after four years of graduate study and social work in New York City, where he had considerable contact with student groups and various welfare and opinion-forming organizations. He served as Economics Secretary for the National Student Christian Movement last year in the U.S.A. and did some volunteer work at the Henry Street Settlement in New York City. He will deal on Thursday with some of the significant trends—economic, political and cultural—in the thinking and activities of American people, with especial emphasis on the student opinion which in recent years has been increasing in political consciousness and vocal insistence. This lecture was inadvertently announced in the Yenching News as scheduled for last week.

**DR. H. T. CH'EN.** Arrangements have been made through the medical office for the dentist, Dr. H. T. Ch'en, to come out here every Wednesday morning from 8:30-11:30. Appointments should be made through the medical office.

**DR. STUART.** It will be of interest to the community to know that Dr. Stuart saw Dr. T. T. Lew, Mr. Edward Lobenstine, and Mrs. Y. P. Mei on the steamer going from Shanghai to Hongkong. Mrs. Mei was going to join her husband, but has been asked to take charge of a war-orphan establishment in Hongkong, and will do so for a few months at least.

**INFANT BAPTISM.** Dr. J. F. Li will be pleased to hear from any parents who wish to present their children for baptism on *Easter Sunday*, March 24.

**SERVANTS' FAMILIES.** Faculty households are reminded of the University regulation against servants' families living in the residence compounds. The observance of this regulation is necessary for both space and health reasons.

**MRS. E.O. WILSON** and Eric left for the United States last Thursday morning. They are sailing on the S. S. "President Coolidge" from Kobe on March 19.

**DR. JOHN H. FINLEY.** Word has come by cable of the death of Dr. John H. Finley, better known to us perhaps through his wife, who is vice-president of the Board of Trustees of Yenching University and chairman of the Yenching College Committee. Mrs. Finley is a tireless worker for Yenching, and was chairman of the committee in charge of the dinner of the Associated Boards held recently. Dr. Finley, erstwhile editor of the *New York Times*, was also a friend of China. We extend sympathy to Mrs. Finley in her loss.

**FOUND.** A pair of men's brown suede, fur-lined gloves has been left in this office. Will the owner kindly call for them during office hours.

### SPECIAL NOTES

**THE SUNRISE SERVICE.** on Easter at 5:45 a.m. will be held in the Yen Nung Yuan (Crop Improvement Station, east of the South Compound). This may be reached easily by means of a ladder from the South Compound, placed in front of the Shadick's Residence.

**FELLOWSHIP SERVICE.** The Workmen's Service is combined with the Fellowship Service at 10:30 a.m. east of the Bell Pavilion.

**LITURGICAL MUSIC AND TRADITIONAL TROPE.** "Trope", in this sense, means a very simple dramatization of the words of the Roman Catholic mass. In the Middle Ages these "tropes" were introduced into the Easter and Christmas Services, so that the common people, who did not know Latin, would understand the mass better. On Easter evening, during the playing of the liturgical music, a very short "trope" will be acted. This service will be held at 6:30 p.m. instead of at 8:00 p.m. as announced on the program sheet, and takes the place of English Vespers, which will be omitted.

**F.E.C.** The March meeting of the Faculty Executive Committee, due on the last Monday of the month, will be omitted.

**PHI TAU PHI.** A brief but urgent business meeting of *Phi Tau Phi* is called for 4:15 p.m. Wednesday, March 27, Nindie Hall. It is hoped that as many members as possible will be present.

**UNIVERSITY LECTURE.** Our lecturer for Thursday, March 28, (McBrier 103, 4:15 p.m.) will be Dr. Henlee G. Creel, a former Harvard-Yenching Fellow and now assistant professor in the Department of Oriental Languages and Literature of the University of Chicago, who is spending this year in Peking in connection with special studies. Those who have read Dr. Creel's *The Birth of China* (describing the finds at the old Shang capital at Anyang), his *Studies in Early Chinese Culture, etc.*, will be interested in hearing the author discuss "Ancient China and the Future".

**ELECTRIC CURRENT.** Beginning Monday, March 25, the University electric current will be turned on at 7 a.m. instead of 6 a.m. Other hours remain the same.

**COAL ORDERS.** The heating season is nearly over. We have disbanded our force for assorting coal and handling delivery to private residences. No orders for coal for this season can, therefore, be accepted. But those who wish to place orders for next winter may do so with Mr. Liu of the Power Plant. The extent to which such orders can be filled, as well as the price of coal, will depend on the position of the Power Plant with reference to its own need and market conditions.

**DR. STUART** writes: "We arrived here (Chungking) this afternoon (March 2) and found a number of friends at the airfield, including Wu Wen-tso, who is here for the conference. As we passed Kunming at noon several Yenching men were at the field including Amos Lin, Weng Tu-chien, Li Yu-yi, Ch'ü T'ung-tsu. The weather is very chilly due to a much needed rain two days ago after a long draught. We begin with a dinner this evening with Dr. Chang Poling as host, and meet all day tomorrow and the day following". Word over the radio has also come to the effect that Dr. Stuart subsequently made a trip to Kweiyang and has since returned to Chungking.

**MEMORIAL FOR MRS. C. F. WU.** The Committee in charge of the Memorial for Mrs. C. F. **FROM DR. STUART :—**  
*Chungking, March 9 :*

"On the whole it (the rural conference) was in excellent spirit and the results as good as could have been expected. The N.C.R.R. is reorganized to include: Mass Education Movement, National Health Administration (personnel training), P.U.M.C., Nankai, University of Nanking, and Yenching, with a Governing Board of the Institute. Franklin Ho is Chairman of the N.C.R.R., James Yen and Robert Lim, vice-chairmen, H. D. Fang, Secretary-Treasurer. These, except for Dr. Lim, and with Fang as proxy for Ho, together with Dean Chang Lu-ch'ian of Nanking, Dr. C. C. Ch'en and Dr. Wu Wen-tsoo, are the Governing Board. S. Y. Ch'ü will be full-time Director. Tingfan will be liquidated except for some medical and agricultural projects and the main work centred in this province near here."

"Dr. Houghton and I are leaving in the care of S. Y. Ch'ü on Monday by car for Kweiyang and Tingfan on the 11th and returning here the 16th. I shall leave for Kunming on the 29th and get to Hongkong about April 7. The Yenching graduates have a meeting for me here this evening. I see them daily when they call here where I stay, and elsewhere. I shall have been here a week this afternoon and this is the first quiet morning I have had for letters, etc. . . . am quite well, constantly occupied somehow and enjoying my experiences. Greetings to everyone."

*Chungking, March 17 :*

"Dr. Houghton and I are just back from a trip to Kweiyang and Tingfan which took all the past week but was very interesting. The evening of our arrival the Yenching and P U M C graduates had a joint dinner of welcome for us, presided over by Dr. Y. T. Tsui, and the last evening dinner was given by Gov. Wu Ting-ch'ang. Between these events we were busily occupied, and spent one night at Tingfan where also we saw a number of our old students and the work they are doing. In the two places there are at least 63, including 14 "amphibians", as those who studied in both institutions describe themselves. It took two days each way by car and the whole trip occupied a week."

All members of the University are invited to participate in and enjoy the day's activities.

**DR. STUART.** A letter has been received from Dr. Stuart in Hongkong dated April 18, saying that he is expecting to take a boat from Shanghai on April 27. This would be the earliest date he could leave Shanghai.

**YUAN MING YUAN LECTURE-PICNIC.** Dr. George Loehr has consented to supplement his previous lecture on *Yuan Ming Yuan* by a demonstration of the position of the ancient sites at the present ruins. The party will then walk to the ruins, explore them under Dr. Loehr's guidance, and return by moonlight. If this date conflicts with any event which makes it inconvenient for several persons, please notify Miss Hague or Miss Boring.

**DANCE DEMONSTRATION.** There will be a Modern Dance and Folk Dance Demonstration given by the women students at 8:00 p.m. on Wednesday, May 22, at the Women's Gymnasium. Tickets will be on sale at the women's gymnasium beginning on Monday, May 13, at 40 cents and reserved tickets at 60 cents.

**EXCURSIONS TO THE MOUNTAINS.** In view of the misfortune which befell a small group of Europeans, who were held for a short time by kidnapers in the mountains recently, and of the dangers which this experience indicates, it seems well to warn members of the University against excursions into distant or unprotected regions.

**MISS BOYNTON** is listing her books preparatory to going on furlough. She will be most grateful if everyone who has borrowed her books will return them as soon as possible.

**UNIVERSITY SERVICE.** There will be a special service on Sunday, May 12, at 10:30 a.m. in Ninde Chapel for which Mr. P'eng Chin-chang is the Preacher. At the same time the Executive Committee of the Yenta Christian Fellowship will hand over its work to the New Executive Committee elected for May, 1940 to January 1941.

**PIANO RECITAL.** All members of the community are invited to hear the last piano recital of Mrs. Trevor Bowen in Bashford Auditorium on Monday evening, May 13, at 8:00 p.m. Her program will consist entirely of works by *Chopin* and is so varied that it is sure to appeal to all those who attend. She is an excellent interpreter of his music and has received the highest praise for her playing. There are nine different types of music represented, ranging from *waltzes* to the heroic *Polonaise* in "A" major. There is no admission charge.

**YUAN MING YUAN LECTURE-PICNIC.** Dr. George Loehr has consented to supplement his previous lecture on *Yuan Ming Yuan* by a demonstration of the position of the ancient sites at the present ruins. It has been suggested that this be combined with a supper picnic, and that all interested collect at Miss Boring's house, *11 Lang Jun Yuan* at 5:00 p.m. on Wednesday, May 15, each providing his own picnic supper. The party will then walk to the ruins, explore them under Dr. Loehr's guidance, and return by moonlight. If this date conflicts with any event which makes it inconvenient for several persons, please notify Miss Hague or Miss Boring.

**UNIVERSITY ASSEMBLY.** The annual University Honors Day celebration for this year will take place at the Assembly hour, 4:20 p.m. on Thursday, May 16. Printed programs will be distributed when ready.

## SPECIAL NOTES

**ANNUAL RECITAL.** On Monday evening, May 20, at 8:00 p.m., the Department of Music presents in its annual recital of music its major students and others who are proficient in their work. The program will consist of well-known works of the masters both for voice and for piano. The general public is cordially invited.

**THE CREATION**, the oratorio which the Chorus will sing on the evening of Alumni Homecoming Day, May 25, at 7:00 p.m. is one which will give much pleasure and refreshment to those who hear it. The music and words are most appropriate to this season of the year when we see before our very eyes the enactment of the creative powers of nature in tree and flower. Likewise the sentiments of human love which are most evident in the spring time have their proper place in the scheme of the oratorio. Variety in the musical framework of this famous composition makes it a thrilling experience from beginning to end. The Chorus plays an important part in expressing the proper feelings of humanity; there are beautiful solos for soprano, tenor and bass to be sung by Mrs. Wiant and Ch'i Yü-chen; by Liu Chün-feng and Li Ping-t'ai; by Ch'i Nai-ch'ün and Dr. McCandliss. There are trios which will be sung by a double trio of students; there are duets for *Adam* and *Eve* after they emerge in the scheme of creation. Those portions which are direct quotations from *Genesis* are sung as recitatives whereas the other portions are adaptations from *Milton's* masterpiece: "*Paradise Lost*". Although this work was composed fifty years after the "*Messiah*" its popularity overshadowed it for years. At present both of these great works are found in the repertoire of the great choral societies in the world. This is the first time on this campus that this music has been sung in as much fullness as it will be sung on May 25.

**CHINESE CHRISTIAN STUDENT.** Members of the University will be interested in reading in this periodical Dr. Hu Shih's speech at a Dinner meeting of the Associate Board for Christian Education in China on January 25, 1940 at which time, he presented decorations conferred by the Chinese Government on Mr. Paul D. Cravath, Mr. Arthur Vining Davis, Dr. Ralph E. Diffendorfer, and Mr. Edwin M. McBrier. Mr. Davis is President, Mr. McBrier Treasurer and Mr. Cravath a member of the Yenching Board of Trustees. McBrier Hall was Mr. McBrier's gift to the University. The pamphlet is on file in this office.

## SPECIAL NOTES

**CHAPEL SERVICES.** Attention is called to the fact that chapel services are to be held every day this week—including Monday.

**VIOLIN RECITAL.** Mr. Fery Lorant, a famous violinist, is giving a recital here on Wednesday evening, May 29, at 7:00 p.m. in Bashford. We are indeed fortunate to have this opportunity to hear violin music of high caliber played by a highly skilled performer on our own campus. Tickets are all reserved and sell at \$1 and \$2. They will be on sale at the Cooperative Store beginning Saturday, May 25. Accompanying Mr. Lorant is Miss Shirleen Talati. Mr. Lorant has been closely associated with Hubay, one of the greatest violinists of our times. He is a personal friend of Heifitz, Elman, Szigeti, *etc.* In his own right he commands a high place in the world of violin virtuosi.

**ORCHESTRAL AND INSTRUMENTAL MUSIC.** On Monday, June 3, the orchestras of Fu Jen University and Yenching will give a combined program of orchestral and instrumental music in Bashford. The Fu Jen group will play a part of *Haydn's* Symphony called the 'London' and various other items. The special feature of the Yenching group will be the well-known Blue Danube Waltz by *Strauss*. Proceeds from this concert will go to help finance projects in two other departments of Yenching University. Detailed announcement will be made later.

**SPECIAL EYE CLINIC.** For the convenience of both parties, the special eye clinic by Dr. H. H. Feng will be open hereafter for patients on Tuesday only, between 10:00-12:00 a.m. and 2:00-6:00 p.m. Routine eye treatment will be given at the regular daily clinic hours in the Men's Infirmary.

**CALENDAR OF FUTURE EVENTS.** There is now a complete calendar of future events until after Commencement in Mr. Tien's Office, 128 Bashford Hall. Any member of the faculty planning anything of a public nature should apply there for a date and university room. Also any one planning a private party can consult this calendar to see whether the guests he wishes to invite may be involved in some university undertaking at that time. Mr. Tien should be thanked for this important service to the Yenching community. It is hoped that every one will cooperate with this plan to avoid unfortunate conflicts in dates.

**DR. LEARMONTH.** A letter has recently been received from Dr. Learmonth in which he wishes his kind regards to be given to everyone he knows in Yenching. He says, "I am moving away from the Hotel where I have been for nearly three years, to a friend's house near the outskirts of Edinburgh, as good or better than being in the country and I shall have agreeable company. I was beginning to get too much settled into a rut and want wakening up." He should be addressed from now on *c/o Clydesdale Bank, St. Vincent Place, Glasgow.*

**POETRY OF THE ENGLISH RENAISSANCE.** Miss Boynton requests the return of *Poetry of the English Renaissance* by Hebel and Hudson. N.Y. 1939.

**WANTED A HOME FOR A POLICE DOG (ALSATIAN).** Dr. Beneradsky, (the Russian Veterinary) has phoned out that he knows of an Alsatian dog, male, eight months old, pure bred, which needs a home. The owners are leaving the city and are willing to take anything that is offered for him. If anyone is interested please phone Miss Hilda L. Hague.

## SPECIAL NOTES

**ENGLISH VESPER SERVICE.** The experience last Sunday seemed to indicate that Sage Chapel is hardly adequate in size for Vesper Service. It has been decided, therefore, by the committee in charge of making plans for the services to return to Ninde Chapel, at least for the next two weeks.

**FACULTY DISCUSSION GROUP.** The first Faculty Discussion of this year will be held on Tuesday, September 24, at 8:00 p.m. at the President's House. This will be led by Miss Burtt, with Miss Hancock participating in discussion. The topic will be "England and the War".

**DAYLIGHT SAVING TIME TO BE DISCONTINUED.** Beginning midnight, Saturday, September 28, the University will discontinue daylight-saving time. Clocks and watches, therefore, should be retarded one hour between Saturday night and Sunday morning.

**STUDENTS' SELF-HELP WORK FOR PERSONAL RESEARCH PROJECTS.** The committee in charge of Student Scholarship Service and self-help work has received several requests for student service on personal research projects to be published under an individual name of a faculty member. At first it was decided that such requests could not be granted, but upon further consideration it was felt that such research is often of great value and that grants are frequently made for such projects by foundations. Applications for such help will therefore be considered on the condition that, upon publication of the research, printed acknowledgment will be made that certain funds have been supplied for it by the University.

**THE YENTA CHRISTIAN FELLOWSHIP** wishes to welcome cordially all the new and returning members of the Faculty. We hope that those who feel an interest in any form of Christian activity will join the Fellowship. Mr. Ku Tun-jou is the chairman of the faculty committee and wishes all newcomers to know that if they have any questions they may come to him or to any member of the committee.

*The Faculty Committee of the Yenta Christian Fellowship:*

Mr. Ku Tun-jou, chairman, Miss Chou Kuo-p'ing Mrs. Ch'u Sheng-lin Miss A. Cochran, Miss M. Kramer, Mr. R. B. Fulton, Mr. Hsü Chen-te, Mr. R. C. Sailer, Mr. Wang Pao-hsing.

**MR. L. R. O. BEVAN.** Members of the Yenching University Community will be glad to learn that Mr. Bevan has returned to the campus, arriving on Wednesday, September 18, after a year's leave of absence.

**MARRIAGE.** Word has been received that Mr. Ralph Lapwood and Miss Nancy Stuckey are to be married in Chengtu on October 5.

*Material for this Bulletin should be sent IN WRITING  
to the President's Office before WEDNESDAY noon of each week*

**SPECIAL NOTES**

**NOTICE REGARDING CHANGE OF TIME.** It was announced last week that Daylight Saving Time would be discontinued on Saturday night. However, since the organizations in Peking which have been using Daylight Saving Time are making the change on Sunday night, it has been decided that the University should conform to their practice. University clocks will therefore be retarded one hour *between Sunday night and Monday morning*.

**FACULTY SCHEDULE CARDS.** The Registrar's Office would like to remind all Faculty members who have not already done so to please return to that office the three yellow schedule cards.

**EMPLOYEES FOR SPECIAL WORK.** The Administrative Committee has authorized the Landscape Committee to charge for the services of employees engaged in any special work required by Departments or residents.

Beginning October 1, 1940, any Department or person requiring the services of employees must send a signed requisition for such help addressed to Mr. Shih Sung-pei. The charge will be at the rate of twenty cents per hour for each employee.

**YENCHING DAIRY.** The Administrative Committee has authorized the Yenching Dairy to increase the prices for milk.

Beginning October 1, 1940, the prices will be:

\$17 per quart  
\$ 9 per pint  
\$ 5 per half pint.

Owing to the increased demand, customers are hereby notified that supplies of milk to any one household will be limited to two quarts per day, except in cases where additional supplies are ordered by the medical adviser.

In the case of certain persons not as yet customers of the Dairy, for whom a milk diet has been prescribed by the doctor, applications for supplies should be addressed to the Acting Controller who will endeavour to arrange for their needs.

**P.U.M.C. ENTRANCE TRUSTEE SCHOLARSHIPS.** P.U.M.C. announces that one of the two Entrance Trustee Scholarships given to the two students who make the highest record at entrance has been awarded to one of our Yenching girls, Miss Chang Hui-fen. And another competitive scholarship given to those applying for financial aid has been divided between two other Yenching girls who took the entrance examinations last July, Miss Wang Shu-hui and Miss Chou Kuei-jung.

**ARRIVAL OF DR. AND MRS. WENG TU-CHIEN.** The University is very happy to welcome back to the campus Dr. and Mrs. Weng Tu-chien and their little daughter. Dr. Weng, who is joining the staff of the Harvard-Yenching Institute in the field of linguistics, formerly held a scholarship in the Institute, as did his wife, Miss K'uang P'ing-chang. After receiving their M.A. degrees from Yenching University, both Dr. and Mrs. Weng studied in universities in America. Dr. Weng received his Ph.D. degree from Harvard University. After their marriage in America, they studied for a year in Paris. Dr. and Mrs. Weng will be guests of Mr. and Mrs. Huang Ti until their new house in the *Ching Chün Yüan* is ready for occupancy.

**MEMBERSHIP CAMPAIGN OF THE YENTA CHRISTIAN FELLOWSHIP.** During the past week the Y.C.F. made a special effort to get in touch with each new student, faculty member and workman of the University community and to invite all who so desired to join the Fellowship. Following is a chart giving membership statistics:

Before leaving France, Mr. Kao married Miss Zen Yu-lan. Mrs. Kao has spent the past seven years in France, graduated as a librarian from the Ecole des Chartes, studied archeology at the Ecole du Louvre, and is a fellow of the Franco-Chinese Institute of Lyon and of the French Ministry of Foreign Affairs.

She is a highly talented and trained pianist and has been known for many years in North China for her exceptional ability. She is the pupil of Mr. Curtis Grimes and is being presented by him to our community. Her program consists of compositions of the masters beginning with *Scarlatti* and proceeding through various periods, such as *Bach, Beethoven, Chopin, Liszt,* and modern Spanish numbers. Since this is the first public piano recital of the year and since Miss Evseff is an excellent performer with a splendid program, all who love piano music are urged not to miss this opportunity.

**70TH BIRTHDAY CELEBRATION FOR MR. WU LEI-CH'UAN.** As an official celebration by the University, the University Assembly will be held on Thursday, November 26, and will be in the form of a gathering of the whole Yenching Community in honor of Mr. Wu Lei-ch'uan. The Assembly will be followed by a tea reception at which any member of the Yenching Community will be welcomed.

**CORRECTION.** In the Financial Statement of the Community Chest Committee Report, the item "office rent" under *Relief Center* in the Expenditures column should be "office expenditures".

**THE CONCERT OF THE COMBINED CHURCH CHOIRS** of Peking will take place in the *Kung Li Hui* Church on Friday evening, November 29, at 8:00 p.m. This is the first time in the history of Christian work in this city that such a concert will have been given. There is a total of 175 singers representing seven choirs which include the Congregational, Methodist, Mi Shih, P.U.M.C., Presbyterian, Episcopalian and Yenching groups. The program is an unusually fine one. It will all be in Chinese and will cover various periods of the best in church music, beginning with *Gregorian Plainchant* and including *Palestrina, Bach, Beethoven, and Tschaiikowsky.* A couple of the numbers will be in the nature of experiments with Chinese melodies adapted for church use. Each of the participating choirs will sing a special number in addition to the nine numbers by the combined choirs. Tickets are now being sold by members of the Yenching Choir at \$2.00 each. In order to know how to plan for the attendance from our campus, it is requested that any person who desires to attend this concert and who wishes to use the university busses will notify the Business Office in Bashford Hall. By doing this, adequate transportation facilities can be arranged.

**VIOLIN RECITAL.** Mr. Fery Lorant, one of the most distinguished violinists ever to have come to Peking, will give a concert here on Monday evening, November 25, at 8:00 p.m. in Bashford Auditorium. He will be accompanied at the piano by Miss Talati. Reserved seats are on sale at the Coop Store for \$2.00 each. General admission is \$1.00.

**FACULTY FOLK DANCING.** The Faculty Folk Dance Group will meet on Mondays at 6:00 P. M. in Boyd Gymnasium. Everyone is cordially invited to join, no previous experience being necessary.

**CONCERT.** The concert of the combined choirs of Peking, which is to be held in the *Teng Shih K'ou* Church on Friday, November 29, at 8:00 p.m., is an event you will not want to miss. Special buses will be arranged for those from Yenching who wish to attend. Please register at the Business Office for bus reservations. The Chapel Choir is participating and enlists your support.

**CHRISTMAS SALE.** In keeping with the custom of many years **YENCHING CRAFTWORK** will hold a **CHRISTMAS SALE** from November 25 to November 30. Extreme difficulty in securing linen has made it very hard to keep a supply of stock on hand. But now there is a good selection especially prepared which will be sold at ten per cent discount for cash purchases without any restriction on small amounts. The Community will be pleased to know that in spite of many difficulties it has been possible to maintain all branches of this work and no employees have been dropped or welfare work neglected. It is one of the stabilizing factors at a time when it is most needed.

**MR. WILLIAM HUNG:** A cable has been received stating that Mr. Hung is expecting to sail from San Francisco on January tenth on the *S. S. President Cleveland*.

### SPECIAL NOTES

**UNIVERSITY LECTURE.** The third lecture of the series will be given on Thursday afternoon, December 5, when the distinguished archaeologist, Père Teilhard de Chardin, will speak on *THE DISCOVERY OF THE PAST: SOME REFLECTIONS ON THE VALUE OF HISTORICAL SCIENCES*. The speaker is well known both in China and abroad for his archaeological discoveries in this country; he is at present in charge of the Cenozoic Laboratory of the Rockefeller Foundation in Peking. The lecture will be as usual in McBrier 103 at 4:15, unless, as in the case of the previous lecture, the size of the audience should warrant a removal to Bashford Auditorium.

#### **BUS SERVICE.**

- I. Through the courtesy of the Acting General Secretary of the Y.M.C.A., arrangements have been made whereby members of the University Faculty or Staff may purchase books of bus tickets from the clerk at the Reception Desk, Y.M.C.A. Building, *Haiamen Street*. The clerk has been instructed to ask applicants for tickets to produce their identification cards.
- II. If sufficient encouragement is forthcoming, the Bus Manager will try to arrange a special bus on December 6 for the convenience of those who wish to attend the production of "*Gone with the Wind*" which is to be shown at the *Chen Kwang Theatre*. Please register at the Controller's Office on or before Thursday noon, December 5, if you wish to make reservations on this bus which will leave the West Gate at 12:00 noon on December 6.

**HOLIDAYS.** In addition to the holidays listed in the Academic Calendar, the Faculty Executive Committee has decided that Thursday, December 26, 1940, shall be observed as a holiday.

**NON-EXCHANGE OF CHRISTMAS GIFTS OR CARDS.** Suggestions have been made from this office in previous years that there be no exchange of gifts or cards among the members of our own community during the Christmas season. In view of the widespread distress this year, it would seem especially fitting to devote to the relief of those in need what we would enjoy spending in mutual remembrance. If this suggestion is accepted, we can all be sure that failure to give such expression to Christmas good wishes will be thoroughly understood by all concerned.

**TENTATIVE SCHEDULE FOR CHRISTMAS EVENTS.** Beginning next week a tentative calendar of Christmas season events will appear in the Bulletin. If anyone wishes to have a particular event scheduled, please notify the President's Office stating details as to the date, time, event, place, and any other pertinent information.

**CHRISTMAS SUNDAY SERVICE**—President Stuart will administer baptism to children, students, and others, and will deliver his Christmas message.

**THE CANDLE LIGHT SERVICE** will be held in Ninde Chapel on Christmas Eve, December 24, at 4:45 p. m. instead of 4:00 p.m. It will be a musical service with several solos, special choir music, congregational singing, and a tableau.

**DR. STUART AT HOME TO FACULTY.** Dr. Stuart will be at home on Christmas Day, Wednesday, December 25, from 10:00 to 12:00 a. m. to welcome any members of the faculty who care to drop in at that time.

**THE PRESIDENT'S CHRISTMAS PARTY FOR FACULTY CHILDREN.** Following his usual custom, Dr. Stuart is inviting the children of the faculty and staff of the University to a Christmas party at his home on Wednesday afternoon, December 25. The children will be divided into two groups. The first group will include children from five to eight years of age inclusive who are to arrive promptly at 3:30, at which time their entertainment will begin. The second group will include children from nine to twelve years of age inclusive who are to arrive at 4:30. Parents are not invited owing to lack of space, and if *amañs* are sent with younger children, they are asked to leave their charges at the door and call for them again at 4:30. Last year the party was very successful because of the splendid cooperation of the parents, and this year again parents are asked to help in seeing that the children arrive at the stated times. Only children who receive personal invitations from Dr. Stuart are expected to attend the party. If any children of the faculty and staff, who are between the ages of five and twelve inclusive, fail to receive a personal invitation before *December 23*, please notify the President's Office and one will be sent.

**FAREWELL FOR GRADUATES.** Plans are being made for a farewell reception to the twenty-eight students who are graduating at the end of this semester. This will take the form of a farewell party at the President's House on the afternoon of Saturday, January 11, with the Deans and their wives present.

7:00—10:00 p.m.

C. Porter was listed among the contributing editors. This comprehensive work is scheduled to appear during the summer of 1941. It is the first contemporary dictionary in the English language to be devoted exclusively to the interpretation of philosophic concepts.

**CHRISTMAS SALE.** A final Christmas sale will be held at the *Kung Ch'ang* on Saturday, Monday, and Tuesday, December 21, 23 and 24. A ten per cent discount will be allowed on all cash purchases.
